Brothers All,

Well, December is here and this year is almost gone and my term in the East is almost past. I want to take this time to thank all the Brothers who helped me make this a year of enjoyment and learning for I have done both. Each Chair is to teach you a part of the Lodge function but you still will not know it all when you get to the East. I could not have made it without the help of each and every Brother in the Lodge. To all THANK YOU.

Our Past Master's night brought a lot of Brothers in for that meeting. We all hope that this will be a regular event for them. Past Masters are the backbone and cornerstone of the Lodge and the younger Masons can learn much from them. They have all made the journey to the East and all have something different to give. Many times I have asked a Past Master to fill a Chair for a meeting and they are always happy to help in any way they can. To them I also say THANK YOU.

Our Christmas Party will be December 12th from 5:00pm until ? at the Groveland Lodge. This will be a covered dish dinner. My son-in-law Jay and my daughter Lia will cook the meat for us. There will be music and maybe a visit from Santa Claus. Much enjoyment and above all good fellowship.

Thanks to Groveland Lodge #190 for making this a GREAT year.

Fraternally,
F. E. (Bill) Price, WM

Note: For all events scheduled in this TB, check with the Master for possible changes in date and / time before the event.

Brethren and all,

I hope Thanksgiving saw all of you well! Now that our bellies are stuffed as full as the turkeys we feasted on, its time to get to the business of Lodge elections. I find it necessary to explain the new process to our readers. Starting this year any Master Mason of a Lodge can put their name on the ballot for any elected station, whether they were raised 5 days ago, or 50 years ago. This has been met with little resistance from Brothers with more years served in the Craft and opt for a more traditional "Line". While some of the newer more progressive Brothers have embraced it, seeing it as a means to keep a line from becoming stagnant.

I fall somewhere in the middle, being on the younger side of the Craft, I see the need for progressive thinking. I have seen a few sticks in the mud, in my travels through the line, things that can change, but wont, because that's how we always did it. However, I was reared by a more traditional group of veteran Masons, so I also see the need to maintain cornerstone traditions... like the "line".

I want to remind everyone joining the line is a monumental undertaking, even as a Steward. Once you've started to perform your duties, giving up time to serve the Lodge, receiving knowledge of our customs and rituals as payment. Moving up to the Deacons places, you are now given more laborious tasks. Learning the spoken dialog for meetings and ritual degrees, along with increased floor work, you begin to fill a larger role in your Lodge line. Next you are elected to the Wardens stations, the next tier of duties and responsibilities. You may find yourself providing refreshments for the Craft, perhaps even giving new Brothers their degrees. Once you've become a Warden, you should have fully realized the trust and faith your Lodge has in your abilities. Now after what should be approximately 7 years, you should be elected to the East, the ultimate responsibility! My Brothers this is a position one should not take for a title, or personal gain. The very success of your Lodge rests on your shoulders for the next 365 days. All of the positive achievements and success your Lodge has goes to the Craft, and the fails to the Master.

The line system has been around as long as I could backtrack, for a simple reason, it works. Just as the success of a Lodge falls on the back of the Master, the success of the line falls firmly on the shoulders of the Lodge. If we can't

My Brothers,

This Masonic Year is quickly coming to a close. I think it was a good year. We all learned from it. Our (almost) Past Master, W.: M.: Bill Price did an excellent job. We had a successful Ladies Luncheon and an equally successful Past Masters' Night. Our Senior Deacon, Jeff Snyder did an outstanding job sitting in the East for the recent Entered Apprentice Degree. I know that we made a lasting, solid impression in the mind of our newest Entered Apprentice, Brother Kent Roberts as well as two others from Tavares Lodge 234. Our lecturer, R.: W.: Donald Goolsby, DDGM of the 17th District did an excellent job; it was our pleasure to listen to him give his presentation.

With sadness we performed two Masonic funerals—but we performed them. They were not given to the Memorial Lodge. A Memorial Service was presented at our Lodge by the 18th District Memorial Lodge for our Brother and Past Master, W.: Berl Ruleman.

This past year I was Groveland's Junior Warden. I especially want to thank three people for making my tasks so much easier. First, of course, is my lovely wife, Sandee. She worked and slaved endlessly in the kitchen to make meals that we all enjoyed. Our Senior Steward, Elliot Freeman and on occasion his wife, Janice, worked diligently to create meals when Sandee was otherwise unavailable. In addition, another Brother, Greg Neece, worked tirelessly in the kitchen to keep it neat and clean. Thank you all!!

We welcomed R.: W.: Alan Heist, Deputy District Grand Master of the 18th Masonic District along with R.: W.: Ed Mayfield, the 18th District Instructor, and also attending was M.: W.: Dale Goehrig, Past Grand Master of the Grand Lodge of Florida. In September, we had four attendees (W.: Alan Zubkin, Bros. Jeff Snyder, Paul Sheppard, and me) at the Tiled Lodge (Clermont 226) welcoming M.: W.: Steven P. Boring, Grand Master of the Grand Lodge of Florida.

We had 15 attendees taking the Master Mason 1, 2, and 3 programs. Luncheon was provided by Sandee. Our attendees came from Lodges in both the 17th and 18th Districts. A second workshop was supposed to be conducted on November 7th, but at Leesburg Lodge. Although lack of interest caused cancellation, the workshop will be repeated in March, 2016.

teach Brothers how to govern a Lodge in 7 years, well my Brothers, we have failed them, and our Lodge!

Nominations may not be the answer, it's the easy way out. If we don't like the line progression, or feel the next man up isn't qualified, we'll simply jump him. The line is may face repercussions with Brothers getting shuffled up faster than they've learned, and the possibility of running off, good active members who may just need a little extra help. I feel like this may reduce the line to a buddy system, or even worse, a high school popularity contest. Perhaps there is some middle ground we can come up with for elections, or maybe we even go back to the old days, and teach our line their duties and responsibilities! Be careful with your ballots...

W.: Bill Price and a team of Brothers worked diligently to spiffy up a school playground. I'm sure the faculty, staff, parents, and children appreciated their efforts. Our Senior Warden, David Vandenbenden worked with a crew to do road cleanup. Turnout was low but the second time brought out a larger team.

The Lodge voted to have a 50th Masonic anniversary party for our secretary, R.: W.: Simon T. Brown. We had approximately 65 guests for the occasion. W.: Derwood Hyatt and his wife, Betty contributed the entrees for the meal: chicken and smoked pork butts. Everybody else contributed a side dish. I have to tell you: That chicken and pork was second to none. The best I've ever eaten!!

In closing, I again want to thank W. Bill Price and his lineup of officers for a job well-done. This publication will come out too early to know with certainty next year's lineup of officers, but whoever they may be—and whatever position they may hold—I want to take this opportunity to bid them welcome.
