The Masonic Home of Florida Corky's Cupboard

"The History of Corky's Cupboard"

Coreen Brownell, "Corky", came up with the idea in 1990, to hand out sundry items and health & beauty aids to residents, received from donations. She was a Member of the Masonic Home Service Guild whose members volunteer and who are also Eastern Star Members. She initiated a state-wide plea for donations and they started coming in from Lodges and Chapters. (Read more on the Masonic Home Website)

Brothers,
Helping the residents at the Masonic Home is just as important as financially supporting the Home.

District 32 will have a booth at the Grand Communications to collect items needed for Corky's Cupboard. Each item given to Corky's Cupboard or the Activities Department is deeply appreciated by all residents in the home. All check or cash donations will go to the "Now and Then" gift shop where Corky's Cupboard is located. It is entirely sustained through kind donations. A custom designed Apron will be awarded to the Lodge who presents the most Masonic Donations. Bring your Donations and be counted.

Brothers all,

The month of May is filled with many special dates. First is the Widows Dinner on Saturday, May 2nd from 5:00pm until 7:00pm at the Lodge, an estimated thirty people are expected for the turnout.

Many thanks to our Brothers and family members who helped make this a memorable evening.

Another important date is Sunday, May 10th, Mother's Day. Please remember to keep them in your prayers.

Let us also remember our fallen Police Officers on May 15th which is Law Enforcement Memorial Day and our Military Personnel on May 16th, which is Armed Forces Day.

Grand Lodge Communication is on May 25, 26, and 27th at the Rosen Plaza Hotel in Orlando. The new Grand Lodge Officers will be posted at a later date.

Thanks to our E.A. Degree Team for all their hard work, they are putting in many hours of studying to make the next degree a success.

Fraternally,
F.E. "Bill" Price, W.M.

May 20 Wed – Groveland 190 host 18th Dist Assn 7:30pm & Memorial

Note: For all events scheduled in this TB, check with the Master for possible changes in date and / time before the event.

Brethren and All,
I hope the world sees you well. We are blessed to have quite a few petitions out waiting to be turned in. This will give us the opportunity to perform our ritual and help strengthen Groveland's membership. We really need to hone our ritual skills while the petitions are in waiting. Brothers need to come to Tuesday practices to learn ALL of the positions, with so many petitions out we will need brothers to help filling in, while others are vacationing or snow birding. Our Lodge is extremely lucky to keep bringing in new members, it is a blessing not all lodges have.

Speaking of new brothers, eight... that's right eight of our newest Master Masons are all going to be giving back their proficiency and receiving their aprons. The date has not been set yet but all of them are diligently working and learning. When the date is set, we will send out and email, please come out and support them. This is something I consider one of more difficult achievements in Masonry, but also one of the most rewarding!

Respectfully submitted,
D

COMPASS OR COMPASSES: WHICH IS CORRECT?

Edited by Dr. Jay. B. Kosner

This article can be found on the Internet, although I got it from the library of Discovery Research Lodge 971, of which I am an associate member. Discovery Lodge maintains relationships with other research lodges, in this case located in New Zealand.

This is a question that has concerned a number of members but a simple answer cannot be given. There has been a suggestion made that the plural form came into common use when the mariners compass was invented. The word compas has been recorded as having been used in the 14th century. Three examples are: 1340 "craftily casten with a compas"; 1387 "made the first compas"; and in 1391 by Chaucer who wrote of the "poynt of my compas". In 1551 this sentence was recorded "haue a payre of compasse aptelwe made for to draw the circles."

WHAT IS THE ORIGIN OF THE MASONIC ALTAR?

Emessay Notes — The Masonic Service Association N.A. (Nov. 2013)

The Altar has always been an important and necessary part of a Masonic Lodge Room. Or has it?

According to Gary H. Leazer, editor of the *Masonic Messenger* of the Grand Lodge of Georgia and Junior Grand Deacon of that Grand Lodge, the Altar may not always have been as prominent as we know it to be.

"The presence of an Altar in a Masonic Lodge is difficult to account for. William Preston, in his Lectures in about 1772, described all the furniture in a Lodge Room, but mentioned no Altar."

Does anyone have information to show the origin of the Masonic Altar?

MASONIC EDUCATION

The Order of the Golden Fleece was of high repute as an Order of Knighthood. It was established in Flanders, France in 1429 by the Duke of Burgundy, a member of the then royal family, who selected the fleece for its badge because wool was the staple production of the country. Since that time, it has been considered as one of the most illustrious Orders of Europe.

The Roman Eagle was to Romans the ensign of imperial power. Made of silver or bronze, the Roman Eagle was placed atop the pole of the military standards (flags). (circa 104 B.C.)

The Order of the Garter, was and is, still considered the highest decoration that can be bestowed upon a subject by a sovereign of Great Britain. It is an order of chivalry or knighthood originating in medieval England. It is the pinnacle of honor in the United Kingdom to have the Order of the Garter bestowed upon you.
