THE DIGEST—HOW TO USE IT

It has been said that half of knowledge is knowing where to find it.

In recognition of this truism this revision of the Digest provides several aids for finding the Masonic Law of Florida for which search is being made.

These aids are:

- (1) General Index
- (2) Index of Chapters
- (3) Outline of the Digest—Constitution
- (4) Outline of the Digest—Regulations
- (5) Quick References
- (6) Masonic Home Rules and Regulations-Index
- (7) Forms—Adopted
- (8) Key Words—Pronunciation and Style
- (9) Table of Constitutional Amendments
- (10) Table of Numbered Regulations
- (11) Cross References

In addition to the above aids, each chapter contains not only the applicable Regulations but also excerpts from the Constitution relevant to the subject of the chapter and the Rulings and Decisions of the Grand Lodge interpreting the Constitution and Regulations and also cross references to other provisions of the Constitution and other Regulations that are relevant to the subject.

The Digest also contains extensive Tables showing the derivation and history of the Constitution, the Regulations, and the changes made therein.

The Digest has a dual system of numbering in that pages are numbered in sequence: 1, 2, 3, 4, 5, etc., and each page of the Constitution shows the Article and Section number of the first Section appearing on that page and each page of the Regulations shows the Chapter number and the Regulation number of the first Regulation appearing on that page.

The Outline of the Digest, the Quick Reference Table, and the General Index all refer to the Article and Section of the Constitution or to the Regulation number and the page number.

The Uniform Code of By-Laws for Particular Lodges appearing in Chapter 24, and the Masonic Home Rules and Regulations appearing in the Appendix are prefaced by outlines, with a special index for Masonic Home Regulations.

The General Index is cross indexed with each regulation and constitutional provision outlined under each applicable category.

We trust that our efforts will be of assistance to the Craft.

Chapter 4281, Laws of Florida, Acts of 1893, incorporated the Grand Master, the Deputy Grand Master, and the Grand Wardens of the Most Worshipful Grand Lodge of Free and Accepted Masons of Florida as a body politic and corporate by the name and style of "The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida" and providing that such corporation shall be capable and liable in law to sue and be sued, to contract and be contracted with, to plead and be impleaded, and to acquire, own, hold, possess, and convey property either real, personal or mixed, either by purchase, gift, or devise, and to issue Masonic Charters according to its own constitution, By-laws, Rules, and Regulations to such subordinate, particular, or individual Lodges of Free and Accepted Masons as it may see fit, with full power to recall, abrogate, revoke, or annul any such Masonic Charter.

This act further provided that the Worshipful Master and the Junior and Senior Wardens and their successors in office of any and all particular, individual, or subordinate Lodge of Free and Accepted Masons heretofore or hereafter Masonically Chartered by the Grand Lodge are declared to be separate and independent bodies politic and corporate, under such general corporate names and styles as may be assigned to them respectively in their Masonic Charters, and shall have the right to contract and be contracted with; to sue and be sued; plead and be impleaded; and to acquire, own, hold, possess, and convey property of all kinds, real, personal, and mixed, so long as their Masonic Charters shall remain unrevoked by said Grand Lodge; and to elect their said corporate officers at such times and places as their own Rules, Regulations, and By-Laws not in conflict with the Rules and Regulations properly laid down for them by said Grand Lodge, may provide.

Said act further provided that whenever the Masonic Charter of any particular, individual, or subordinate Lodge shall be recalled, abrogated, revoked, or annulled by the Grand Lodge, such particular or individual Lodge shall cease to have corporate existence except for the purpose of being sued for its legal obligations; and upon such cessation of its corporate existence all of its property, real, personal, and mixed shall revert to and belong to the Grand Lodge, subject to

any debts that may have been contracted by such particular or individual Lodge. By specific provision of said act the Grand Lodge shall in no event be responsible or liable for any indebtedness created by any particular, individual, or subordinate Lodge.

In quo warranto proceedings in the Circuit Court of the Second Judicial Circuit in and for Leon County, Florida, entitled "The State of Florida, ex rel., Earl Faircloth, as Attorney General of the State of Florida, Plaintiff, vs. William M. Hollis, as Grand Master of Masons of Florida, et als., Defendants, Case No. 11497," said court held Chapter 4281 to be a valid act of the legislature and that the Most Worshipful Grand Lodge and the particular, individual, or subordinate Lodges Chartered by it were lawfully entitled to all of the rights, privileges, and benefits hereinabove enumerated and lawfully entitled to exercise all of the powers vested in them by said act.

The report of the special committee on the above litigation and copy of the judgment entered therein appears in the 1967 Proceedings of the Grand Lodge of Florida at pages 232-243 and the opinion and decision of the Court is reported in Florida Supplement, Volume 27, at pages 15-24.

ARTICLE X

PARTICULAR LODGES

Section 1. The Particular Lodges are the source and foundation of all Symbolic Masonry, and possess inherent rights and powers, sanctioned by immemorial custom and usage, which never can be changed or altered.

Section 2. The Officers of a Lodge are the Worshipful Master, Senior Warden, Junior Warden, Treasurer and Secretary, who must be elected by ballot, and a majority of all the votes cast is necessary to a choice and shall have a current paid dues card for the forthcoming year, or a receipt for the same, prior to installation. The Subordinate Officers are the Senior Deacon, Junior Deacon, Senior and Junior Stewards, and Tyler, who are appointed by the Worshipful Master, but the Senior Warden has the nomination of the Junior Deacon; and the Worshipful Master may also appoint a Chaplain and a Marshal. (1997)

Section 3. Every Lodge must have one Stated monthly Communication at which every Brother should punctually attend, but the Lodge may dispense with the Stated Communications in the months of July, August, and September. The Worshipful Master has the power to order Called Communications of the Lodge at any time, by causing sufficient number of the members to be served with timely notice thereof.

Section 4. The election and appointment of the Officers of Lodges shall take place at the first Stated Communication in December of each year and such Officers shall be installed on the

anniversary of Saint John the Evangelist, or as soon thereafter as practical, and the Officers so elected and installed shall continue in office for one year and until their successors are duly elected and installed unless for good and sufficient reasons the Most Worshipful Grand Master has granted permission for the resignation and authorized an election to fill the vacancy and such other vacancies created by the election; *Provided*, that if, from any cause, there should be no election at the time appointed for the annual election, it shall be the duty of the Worshipful Master to order an election at any time before or on the anniversary of Saint John the Evangelist. (1997)

Section 5. The Master and Wardens of a Lodge cannot be tried by the Lodge; but complaint may be made against them or either of them to the Grand Master by not less than seven members of the Lodge, and he may investigate the matter, and file charges or direct that charges be filed for Grand Lodge Trial as provided by Grand Lodge Regulations. The Grand Master may suspend the accused from office pending trial of the charges. (1985)

Section 6. The Master is supreme in his Lodge and must be held to worship. No appeal can be taken from his decision, nor call for the previous question, nor motion to adjourn, can be entertained.

Section 7. The Master and Wardens, or their duly appointed proxies, are the representatives of their Lodge in the Grand Lodge.

Section 8. Besides the duties inculcated by the unwritten law, and the installation ceremonies, which every Mason should understand, remember, and faithfully perform, there are duties required by the Constitution, of the Worshipful Master, the Wardens, the Treasurer, and Secretary which cannot be neglected without being liable to Masonic censure.

Section 9. The last Master, or any Past Master of a Lodge, can install the Master-elect and he then can install the other Officers, but when the Grand Master, or Deputy Grand Master or one of the District Deputy Grand Masters is present, it is his privilege to install the officers.

Section 10. Every Particular Lodge has a right to adopt its own By-Laws in conformity to Grand Lodge Regulations, and subject to the supervision of the Grand Lodge.

Section 11. The Master and Wardens of a Lodge cannot resign during the year for which they are elected and installed unless for good and sufficient reasons the Most Worshipful Grand Master has granted permission for his resignation. If by death, removal from the jurisdiction, or other cause, the Master becomes incapable to perform the duties of his office, the Senior Warden succeeds to all powers, duties, and responsibilities of the Master, and the Senior Warden's place in the West must be filled by pro tempore

appointment, from time to time; and if from any of the like causes the Master and Senior Warden should both be rendered incapable of performing the duties of Master of the Lodge, then the Junior Warden succeeds to all the powers, duties, and responsibilities of the Master, and the South must be filled, from time to time, by pro tempore appointment. But the Junior Warden cannot succeed to the seat in the West, when vacant, by absence of the Senior Warden. (1996)

Rulings and Decisions

Any Lodge wishing to have an advance night for any purpose may do so at a Called Communication of the Lodge when called for that purpose. Or the Lodge may hold a practice night at the Lodge when wishing to demonstrate the proficiency of its Officers before advancing to the next highest Office. (2013 Proc. 131-132)

Section 12. The work and business of the Lodge must be transacted in a Master Mason Lodge, except the work and lectures in conferring the Degrees of Entered Apprentice and Fellow Craft; but those Degrees should be opened when there is no work to be done, for the instruction of the young Masons, and all Degrees should be closed at the close of every Communication.

Section 13. No Lodge in this Jurisdiction shall confer the Three Degrees of Entered Apprentice, Fellow Craft, and Master Mason, for a less sum than one hundred dollars, of which a minimum fee of fifty dollars shall be required for Initiation in addition to the fee for a criminal background investigation must accompany the petition. The fee received for Initiation shall be returned to the candidate if rejected, however the fee received for the criminal background investigation shall be retained by the Lodge. The fee for Passing or Raising must be paid to the Secretary before the Degree is conferred; *provided*, that any Lodge may remit monthly or annual dues to members of the Lodge, who from bodily infirmities or misfortune, have become unable to pay them. (2009)

Section 14. Every candidate for Initiation should read and approve the By-Laws of the Lodge, and must present his petition in writing vouched for by two members of the Lodge at a Stated Communication, which must lie over at least one month for the Brethren to make due inquiry into the character and standing of the candidate and review a criminal background investigative report of the candidate. And a petition thus presented cannot be withdrawn, but must be acted upon, and if rejected, cannot again be presented within six months. But rejections for Passing and Raising, and for membership, shall not be required to lie over six months, but may be renewed at any subsequent Stated Communication of the Lodge. (2009)

Section 15 (a). Any upright Mason, on presentation of satisfactory evidence of his having paid all dues against him, and having regularly withdrawn from a Lodge from which he was last a member, may present a petition in writing, which must be vouched for by two members of the Lodge, at a Stated Communication, and which must lie over at least one month for the Brethren to make due inquiry into the character and standing of the petitioner; *provided*, that any Particular Lodge of this Grand Jurisdiction may adopt a By-Law (subject to approval of the Grand Master), permitting a member in good standing of a Particular Lodge of a Grand Jurisdiction with which this Grand Lodge sustains fraternal relations, to petition such Particular

Lodge for affiliation without dimitting from his home Lodge; in such petition all facts and circumstances upon which such petition is based, and the reasons for the dual membership thereby sought, shall be fully stated; upon the reception of such petition it shall take the usual course with respect to investigation and voting, and be subject to the same requirements as to vouchers, as a regular petition based upon a regular dimit; *provided*, that such petition for dual membership shall not be received from a Mason from a Grand Jurisdiction whose laws prohibit its members from becoming dual members.

If such petition for affiliation be voted upon favorably, such petitioner shall thereupon become a member of such Particular Lodge, vested with all the rights and privileges of membership, and be subject to the discipline of the Lodge, and *provided further*, that upon the suspension, or expulsion, of such member by the Lodge of which he was a member prior to applying for dual membership as above provided for, such member shall be automatically suspended or expelled from the Particular Lodge of this Grand Jurisdiction with which he shall have affiliated; *provided further*, that in the event that a member receiving the privileges of dual membership in this Grand Jurisdiction shall take his dimit from his Lodge of original membership, it shall be his duty to place such dimit, and his full membership, in the Particular Lodge in this Grand Jurisdiction in which he shall have received the privileges of dual membership; and upon his failure to do so, and satisfactory evidence having been presented to the Particular Lodge of such failure, it shall be the duty of such Particular Lodge to suspend such member from membership; *provided further*, that the Grand Master of this Grand Jurisdiction may draft and promulgate such Regulations as he may find necessary and expedient for the purpose of carrying the provisions of this Section into effect, which Regulations shall be subject to the approval of the Grand Lodge, and subject to amendment and alteration from time to time, as in the case of other Regulations. (2005)

Section 15 (b). Any Particular Lodge of this Grand Jurisdiction may adopt a By-Law (subject to approval of the Grand Master) permitting a member in good standing of another Particular Lodge in Florida to petition such Particular Lodge for affiliation without dimitting from his home Lodge, regardless of any action that his home Lodge may or may not have taken with respect to accepting Plural Members. In such petition all facts and circumstances upon which such petition is based, and the reasons for the plural membership thereby sought, shall be fully stated. Upon the reception of such petition it shall take the usual course with respect to investigation and voting, and be subject to the same requirements as to vouchers, as a regular petition based upon a regular dimit. If such petition for affiliation be voted upon favorably, such petitioner shall thereupon become a member of such Particular Lodge, vested with all the rights and privileges of membership, and be subject to the discipline of the Lodge, except, that such member shall not be eligible to be elected or appointed an officer in more than one Particular Lodge at one and the same time. And provided further, that upon suspension, or expulsion, of such member by any Lodge of which he was a member prior to applying for plural membership as above provided for, such member shall be automatically suspended or expelled from any other Particular Lodge of this Grand Jurisdiction with which he shall have affiliated.

Provided further, that in the event that a member receiving the privileges of plural membership shall take his dimit from his Lodge of original membership, it shall be his duty to place such dimit, and his full membership, in a Particular Lodge in the Grand Jurisdiction in which he shall have received the privileges of plural membership; and upon his failure to do so, and satisfactory evidence having been presented to the Particular Lodge of such failure, it shall be the duty of such Particular Lodge to suspend such member from membership, provided further, that the Grand Master of this Grand Jurisdiction may draft and promulgate such Regulations as he may determine, which Regulations shall be subject to the approval of the Grand Lodge, and subject to amendment and alteration from time to time, as in the case of other Regulations. And every Lodge failing to be represented in the Grand Lodge for two consecutive years shall forfeit its Charter; *Provided*, that if such defaulting Lodge shall, on or before the next Annual Communication, make full Returns and payment of dues to the Grand Secretary, and satisfactory explanation to the Grand Lodge, or in the recess to the Grand Master, such forfeiture shall be released, and the Lodge restored to its regular standing.

Section 23. Every Particular Lodge must be furnished with a Seal and appropriate Jewels, Furniture, and Working Tools, and all official documents must be verified by the Secretary, under the Seal of the Lodge.

LANDMARKS AND CERTAIN LAWS OF FREEMASONRY

Section 1. It being well known that for any concept, precept, or principle of Freemasonry to be recognized as being a Landmark, the same must be possessed of two (2) principal attributes, namely, Antiquity and Universality, the following definition of those terms are hereby adopted:

“Antiquity: Those beliefs and those practices which were fixed at the time when Freemasonry emerged from its prehistoric era into the period of recorded Masonic history.”

“Universality: A suggested Landmark has universality when it is one of the practices, principles, or beliefs which Masons everywhere accept, believe, and practice and without which there would be no Freemasonry.”

Section 2. The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida hereby recognizes, as being Landmarks of Freemasonry, the following:

- (a) A belief in the existence of one ever living and true God.
- (b) A belief in the immortality of the human soul and a resurrection thereof to a Future Life.
- (c) The Volume of the Sacred Law, open upon the altar, is an indispensable furnishing of every regular Lodge while at labor.
- (d) The Legend of the Third Degree.
- (e) Secrecy, which includes: The necessary words, signs, and tokens, whereby one Mason may know another to be such, ‘in darkness as in light,’ that every regular Lodge must be tyled while at labor; that every visitor seeking admission to the Lodge must be examined and prove himself a Mason, unless duly and properly avouched for; those other matters which cannot be written in any language.
- (f) The symbolism of the Operative Art.
- (g) Every candidate for Freemasonry must be a man, free born, of lawful age, being under the tongue of good repute, and well recommended, and, unless Dispensation is granted by the Grand Master, having no maim or defect of body that may render him incapable of learning the art or of being advanced to the Several Degrees. (1992)
- (h) The division of Ancient Craft Masonry into three (3) classifications, namely, Entered Apprentices, Fellow Crafts, and Master Masons, out of which classifications grew the present Three Degrees of Craft Masonry.

- (i) The government of the Fraternity by a presiding Officer who, since the advent of Speculative Masonry, has borne the title of Grand Master and been elected from the body of the Craft, and the prerogatives inherent in that office, among which are:

The prerogative of the Grand Master to enter into and preside over every assembly of Masons within his jurisdiction and, corollary thereto, to supervise and regulate the affairs of Masonry within that jurisdiction, between Communications of the Grand Lodge, subject to the Constitution and lawful Regulations duly enacted by the Grand Lodge.

The prerogative of the Grand Master to grant his Dispensation.

The prerogative of the Grand Master to make a Mason at sight in the body of a regularly constituted Lodge and by trial of the ballot.

- (j) The necessity for Freemasons to congregate in Lodges.

The recognition of the above as Landmarks shall not be construed to mean or imply that this Grand Lodge is in any wise prohibited from recognizing, from time to time, hereafter, by appropriate amendment hereto, other principles, precepts, practices, or tenets, of Freemasonry as being Landmarks, nor is this Grand Lodge prohibited from reconsidering and, if deemed proper, withdrawing, this recognition of any of the above.

Rulings and Decisions

The Grand Lodges of the United States use the Holy Bible as the Volume of Sacred Law on their Altars (Mentor's Manual, 3.14.) Therefore, the Holy Bible with the Square and Compasses displayed is the only Volume of Sacred Law authorized to be displayed upon the Altar during Lodge, except that a candidate may seal his obligation upon the Volume of Sacred Law of his choice, e.g., a Muslim on the Koran or a Jew on the Torah. These other Volumes of Sacred Law may be present only during the Obligation and are to be removed immediately after the candidate has sealed his Obligation. At no time shall the Holy Bible, with the Square and Compasses displayed upon the Holy Bible, be absent from the Altar. (2008 Proc. 105)

Section 3. - (d) The right of every Mason to visit and sit in every regular Lodge.

CHAPTER 1.

MASONIC LAW, TRADITION, AND POLICY LANDMARKS AND CERTAIN LAWS OF FREEMASONRY

Constitutional Provisions

It being well known that for any concept, precept, or principle of Freemasonry to be recognized as being a Landmark, the same must be possessed of two principal attributes, namely, Antiquity, and Universality, the following definitions of those terms are hereby adopted:

“Antiquity: Those beliefs and those practices which were fixed at the time when Freemasonry emerged from its prehistoric era into the period of recorded Masonic history.”

“Universality: A suggested Landmark has universality when it is one of the practices, principles, or beliefs which Masons everywhere accept, believe, and practice and without which there would be no Freemasonry.” (Art. XIII, Sec. 1)

The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida hereby recognizes, as being Landmarks of Freemasonry the Following:

- (a) A belief in the existence of one ever living and true God.
- (b) A belief in the immortality of the human soul and a resurrection thereof to a Future Life.
- (c) The Volume of the Sacred Law, open upon the altar, is an indispensable furnishing of every regular Lodge while at labor.
- (d) The Legend of the Third Degree.
- (e) Secrecy, which includes: The necessary words, signs, and tokens, whereby one Mason may know another to be such, in darkness as in light; that every regular Lodge must be Tyled while at labor; that every visitor seeking admission to the Lodge must be examined and prove himself a Mason, unless duly and properly avouched for; those other matters which cannot be written in any language.
- (f) The symbolism of the Operative Art.
- (g) Every candidate for Freemasonry must be a man, free born, of lawful age, being under the tongue of good repute, and well recommended, having no maim or defect of body that may render him incapable of learning the art or of being advanced

to the several Degrees. (NOTE: Under our law, this language has been interpreted to mean that an artificial substitute will qualify a maimed applicant if by the use thereof he is capable of conforming literally to what is required of him by the ritual of the several Degrees of Craft Masonry.)

- (h) The division of Ancient Craft Masonry into three classifications, namely, Entered Apprentices, Fellow Crafts, and Master Masons, out of which classifications grew the present Three Degrees of Craft Masonry.
- (i) The government of the Fraternity by a presiding Officer who, since the advent of speculative Masonry, has borne the title of Grand Master and has been elected from the body of the Craft, and the prerogatives inherent in that office, among which are:

The prerogative of the Grand Master to enter into and preside over every assembly of Masons within his jurisdiction and, corollary thereto, to supervise and regulate the affairs of Masonry within that jurisdiction, between Communications of the Grand Lodge, subject to the Constitution and lawful Regulations duly enacted by the Grand Lodge.

The prerogative of the Grand Master to grant his Dispensation.

The prerogative of the Grand Master to make a Mason at sight in the body of a regularly constituted Lodge and by trial of the ballot.

- (j) The necessity for Freemasons to congregate in Lodges.

The recognition of the above as Landmarks shall not be construed to mean or imply that this Grand Lodge is in any wise prohibited from recognizing, from time to time, hereafter, by appropriate amendments hereto, other principles, precepts, practices, or tenets of Freemasonry as being Landmarks, nor is this Grand Lodge prohibited from reconsidering and, if deemed proper, withdrawing, this recognition of any of the above. (Art. XIII, Sec. 2).

Although not recognized as being Landmarks, this Grand Lodge recognizes the following as being fundamental concepts, principles, precepts, practices, and tenets of Freemasonry, possessing the qualities and characteristics of Ancient Craft Masonic precedents and law, but not possessed of the immutable qualities of Landmarks:

- (a) The government of the Craft, when congregated in a Lodge, by a Master and two Wardens.

- (b) The right of every Mason to be represented in all general meetings of the Craft and to instruct his representatives.
- (c) The right of every Mason to appeal to the Grand Lodge, from any decision affecting his status as a Mason.
- (d) The right of every Mason to visit and sit in every regular Lodge.
- (e) No Lodge can interfere with the business of another Lodge.
- (f) Every Freemason is amenable to the laws of the Masonic Jurisdiction in which he resides.
- (g) The equality of all Masons. (Article XIII, Sec. 3)

GENERAL PROVISIONS

Regulations

1.01 The Constitution and Regulations of the Most Worshipful Grand Lodge of Free and Accepted Masons of Florida as set forth and contained in this Digest are hereby adopted, ratified, confirmed, and with the amendments, changes, alterations, and additions thereto which may hereafter be made by direction of Grand Lodge, are declared to be the supreme Masonic Law of this Grand Jurisdiction.

The Rulings and Decisions of this Grand Lodge set forth and contained herein are declared to be in full force and effect and all Rulings and Decisions in conflict therewith are hereby revoked, rescinded, and declared of no force and effect. (1985)

1.02 Masonic Law is a rule of fraternal conduct, and applies only to the moral and fraternal rectitude of its members. It is based upon the law of Divine Revelation, therefore, any covenant, affirmation, declaration, assumption, prescription, or requirement derogatory thereto, or in conflict therewith, is void. Hence the precept, “a Mason is bound by his tenure to obey the moral law.” It embodies an innate principle of right, whose footprints distinctly mark the path of virtue in all authentic antecedents’ history, and whose plumbline of moral rectitude will guide its consistent votaries of all successive future generations through the vista of coming time to the verge of human demolition.

1.03 Masonic Law is of two kinds, viz: The unwritten and written. The unwritten law of Masonry comprises its mystic covenants and ceremonies which have been handed down by tradition from time

immemorial, and which no Mason, or set of Masons, is at liberty to violate or unlawfully reveal. The written law of Masonry is embraced in the Holy Bible, the Constitution and legislation of Grand Lodge, and the Laws, Rules, and Regulations of the Particular Lodges, respectively, to which every Mason in his proper sphere of fraternal jurisdiction should yield dutiful conformity.

1.04 Freemasonry has for its guide in jurisprudence an array of “Ancient Landmarks,” from which, without the hazards of dissolution, it can never depart. They are from “Time immemorial,” certain, continued, immovable, and easily discerned and comprehended through the medium of mystic intelligence. They form the circle of boundary lines of official prerogatives, Grand Lodge legislation, work of Particular Lodges, and the covenants, relations, rights, privileges, and duties of constituents.

1.05 Lodges are recommended to establish libraries for the use and benefit of their members, and to place therein the various works on jurisprudence and other Masonic subjects, which they can obtain; but for Masonic Law in this Grand Jurisdiction they must be governed by the Constitution and Regulations of the Grand Lodge, which are by no means meager, and which may be enlarged from time to time, as the increasing necessities of the craft may demand.

1.06 Freemasonry professes to promote virtue, with which vice, of whatever shape or magnitude, is antagonistic. It is, therefore, incumbent upon every true Mason to conform and take counsel with his brethren concerning any and all matters properly involving fraternal discipline.

1.07 Masonic Law or jurisprudence is sufficiently large and comprehensive in area and application to need no special legislation to enable the Particular Lodges to correct, by discipline, the vices and irregularities of their wayward members.

1.08 Officers of Lodges, Grand and Particular, are by the nature of their contract with the Fraternity, required to be prompt and faithful in the discharge of their official duties. Culpable negligence and dereliction on their part tend to discourage the Brethren, whereby the normal force or influence of the Lodge is weakened or destroyed. Such conduct is therefore censurable, and the Brethren should not be slow in seeking effectual fraternal remedy.

1.09 It is not within the province of a Masonic Lodge to assume the functions of judicial courts. It cannot pass upon compensation supposed to be due from one Brother to another, but

when there are reasons to believe that a premeditated or intentional wrong has been done, the erring Brother should be disciplined.

1.10 Masonry exercises no absolute control over the natural and civil rights of individuals, they being left to the law of the land. Masonic penalties, therefore, cannot be inflicted upon the person of any member, but may affect and deprive him of his fraternal rights and relations.

1.11 Anderson's Constitution, 1722, the General Regulations of Thirty-Nine articles, and the Charges of a Freemason, are in force in this Grand Jurisdiction, so far as they are not in conflict with the Constitution and Laws of this Grand Lodge.

GENERAL REGULATIONS FROM ANDERSON'S CONSTITUTION

Compiled first by Mr. George Payne, Anno 1720, when he was Grand Master, and approved by the Grand Lodge on Saint John Baptist's Day, Anno 1721, at Stationer's Hall, London; when the most noble Prince John Duke of Montagu was unanimously chosen our Grand Master for the year ensuing; who chose John Beal, M.D., his Deputy Grand Master; Mr. Josiah Villeneau and Mr. Thomas Morris, Jun., were chosen by the Lodge Grand Wardens. And now, by the command of our said Right Worshipful Grand Master Montagu, the author of this book has compared them with, and reduced them to the ancient records and immemorial usage of the Fraternity, and digested them into this new method, with several proper explications, for the use of the Lodges in and about London and Westminster.

I. The Grand Master, or his Deputy, hath authority and right, not only to be present in any true Lodge, but also to preside wherever he is, with the Master of the Lodge on his left hand, and to order his Grand Wardens to attend him, who are not to act in Particular Lodges as Wardens, but in his presence, and at his command; because there the Grand Master may command the Wardens of that Lodge, or any other Brethren he pleaseth, to attend and act as his Wardens pro tempore.

II. The Master of a Particular Lodge has the right and authority of congregating the members of his Lodge into a chapter at pleasure, upon any emergency or occurrence, as well as to appoint the time and place of their usual forming; and in case of sickness, death, or necessary absence of the Master, the Senior Warden shall act as

Master pro tempore, if no Brother is present who has been Master of that Lodge before; for in that case the absent Master's authority reverts to the last Master then present; though he cannot act until the said Senior Warden has once congregated the Lodge, or in his absence the Junior Warden.

III. The Master of each Particular Lodge, or one of the Wardens, or some other Brother by his order, shall keep a book containing their By-Laws, the names of their members, with a list of all the Lodges in town, and the usual times and places of their forming, and all their transactions that are proper to be written.

IV. No Lodge shall make more than five new Brethren at one time, nor any man under the age of twenty-five, who must be also his own Master; unless by a Dispensation from the Grand Master or his Deputy.

V. No man can be made or admitted a member of a Particular Lodge, without previous notice one month before given to the said Lodge, in order to make due inquiry into the reputation and capacity of the candidate; unless by the Dispensation aforesaid.

VI. But no man can be entered a Brother in any Particular Lodge, or admitted to be a member thereof, without the unanimous consent of all the members of that Lodge then present when the candidate is proposed, and their consent is formally asked by the Master; and they are to signify their consent or dissent in their own prudent way, either virtually or in form, but with unanimity; nor is this inherent privilege subject to a dispensation; because the members of a Particular Lodge are the best judges of it; and if a fractious member should be imposed on them, it might spoil their harmony, or hinder their freedom; or even break and disperse the Lodge, which ought to be avoided by all good and true Brethren.

VII. Every new Brother at his making is decently to clothe the Lodge, that is, all the Brethren present, and to deposit something for the relief of indigent and decayed Brethren, as the candidate shall think fit to bestow, over and above the small allowance stated by the By-Laws of that Particular Lodge, which charity shall be lodged with the Master or Wardens, or the Cashier, if the members think fit to choose one.

And the candidate shall also solemnly promise to submit to the Constitutions, the Charges, and Regulations, and to such other good usages as shall be intimated to them in time and place convenient.

VIII. No set or number of Brethren shall withdraw or separate

themselves from the Lodge in which they were made Brethren, or were afterwards admitted members, unless the Lodge becomes too numerous; nor even then, without a Dispensation from the Grand Master or his Deputy; and when they are thus separated, they must either immediately join themselves to such other Lodge as they shall like best, with the unanimous consent of that Lodge to which they go (as above regulated) or else they must obtain the Grand Master's Warrant to join in forming a new Lodge.

If any set or number of Masons shall take upon themselves to form a Lodge without the Grand Master's Warrant, the regular Lodges are not to countenance them, nor own them as fair Brethren and duly formed, nor approve of their acts and deeds: but must treat them as rebels, until they humble themselves, as the Grand Master shall in his prudence direct, and until he approve of them by his Warrant, which must be signified to the other Lodges, as the custom is when a new Lodge is to be registered in the list of Lodges.

IX. But if any Brother so far misbehave himself as to render his Lodge uneasy, he shall be twice duly admonished by the Master or Wardens in a formed Lodge; and if he will not refrain his imprudence, and obediently submit to the advice of the Brethren, and reform what gives them offence, he shall be dealt with according to the By-Laws of that Particular Lodge, or else in such a manner as the Quarterly Communication shall in their great prudence think fit; for which a new regulation may be afterwards made.

X. The majority of every Particular Lodge, when congregated, shall have the privilege of giving instructions to their Master and Wardens, before the assembling of the Grand Chapter, or Lodge, at the three quarterly communications hereafter mentioned, and of the Annual Grand Lodge too; because their Master and Wardens are their representatives, and are supposed to speak their mind.

XI. All Particular Lodges are to observe the same usages as much as possible; in order to which, and for cultivating a good understanding among Freemasons, some members out of every Lodge shall be deputized to visit the other Lodges as often as shall be thought convenient.

XII. The Grand Lodge consists of, and is formed by the Masters and Wardens of all the regular Particular Lodges upon record, with the Grand Master at their head, and his Deputy on his left hand, and the Grand Wardens in their proper places; and must have a Quarterly Communication about Michaelmas, Christmas, and Lady-Day, in some convenient place, as the Grand Master shall appoint, where no

Brother shall be present, who is not at that time a member thereof, without a Dispensation; and while he stays, he shall not be allowed to vote, nor even give his opinion, without leave of the Grand Lodge asked and given, or unless it be duly asked by the said Lodge.

All matters are to be determined in the Grand Lodge by a majority of votes, each member having one vote, and the Grand Master having two votes, unless the said Lodge leave any particular thing to the determination of the Grand Master, for the sake of expedition.

XIII. At the said Quarterly Communication, all matters that concern the Fraternity in general, or Particular Lodges, or single Brethren, are quietly, sedately, and maturely to be discoursed of and transacted; Apprentices must be admitted Masters and Fellow Craft only here, unless by a Dispensation. Here also all differences, that cannot be made up and accommodated privately, nor by a Particular Lodge, are to be seriously considered and decided; and if any Brother thinks himself aggrieved by the decision of this Board, he may appeal to the Annual Grand Lodge next ensuing, and leave his appeal in writing, with the Grand Master, or his Deputy, or the Grand Wardens.

Here also the Master or the Wardens of each Particular Lodge shall bring and produce a list of such members as have been made or even admitted in their Particular Lodges since the last Communication of the Grand Lodge; and there shall be a book kept by the Grand Master, or his Deputy, or rather by some Brother whom the Grand Lodge shall appoint for Secretary, wherein shall be recorded all the Lodges, with their usual times and places of forming, and the names of all the members of each Lodge; and all the affairs of the Grand Lodge that are proper to be written.

They shall also consider of the most prudent and effectual methods of collecting and disposing of what money shall be given to, or lodged with them in charity, towards the relief only of any true Brother fallen into poverty or decay, but of none else; but every Particular Lodge shall dispose of their own charity for poor Brethren, according to their own By-Laws, until it be agreed by all the Lodges (in a new regulation) to carry in the charity collected by them to the Grand Lodge, at the Quarterly or Annual Communication, in order to make a common stock of it; for the more handsome relief of poor Brethren.

They shall also appoint a Treasurer, a Brother of good worldly substance, who shall be a member of the Grand Lodge by virtue of his

office, and shall be always present, and have power to move to the Grand Lodge anything, especially what concerns his office. To him shall be committed all money raised for charity, or for any other use of the Grand Lodge which he shall write down in a book, with the respective ends and uses for which the several sums are intended; and shall expend or disburse the same by such a certain order signed, as the Grand Lodge shall afterwards agree to in a new regulation; but he shall not vote in choosing a Grand Master or Wardens, though in every other transaction. As in like manner the Secretary shall be a member of the Grand Lodge by virtue of his office, and vote in everything except in choosing a Grand Master or Warden.

The Treasurer and Secretary shall have each a clerk, who must be a Brother and Fellow Craft, but never must be a member of the Grand Lodge, nor speak without being allowed or desired.

The Grand Master, or his Deputy, shall always command the Treasurer and Secretary, with their clerks and books, in order to see how matters go on, and to know what is expedient to be done upon any emergent occasion.

Another Brother (who must be a Fellow Craft) should be appointed to look after the door of the Grand Lodge; but shall be no member of it.

But these offices may be farther explained by a new Regulation when the necessity and expediency of them may more appear than at present to the Fraternity.

XIV. If at any Grand Lodge, Stated or Occasional, Quarterly or Annual, the Grand Master and his Deputy should both be absent, then the present Master of a Lodge, that has been the longest Freemason, shall take the chair, and preside as Grand Master pro tempore; and shall be vested with all his power and honour for the time; provided there is no Brother present that has been Grand Master formerly, or Deputy Grand Master; for the last Grand Master present, or else the last Deputy present, should always of right take place in the absence of the present Grand Master and his Deputy.

XV. In the Grand Lodge, none can act as Wardens but the Grand Wardens themselves, if present; and if absent, the Grand Master, or the person who presides in his place, shall order private Wardens to act as Grand Wardens pro tempore, whose places are to be supplied by two Fellow Craft of the same Lodge, called forth to act, or sent thither by the Particular Master thereof; or if by him omitted, then they shall be called by the Grand Master, that so the Grand Lodge may be always complete.

XVI. The Grand Wardens, or any others are first to advise with the Deputy about the affairs of the Lodge or of the Brethren, and not to apply to the Grand Master without the knowledge of the Deputy, unless he refuses his concurrence in any certain necessary affair; in which case, or in case of any difference between the Deputy and the Grand Wardens, or other Brethren, both parties are to go by concert to the Grand Master, who can easily decide the controversy and make up the difference by virtue of his great authority.

The Grand Master should receive no intimation of business concerning Masonry, but from his Deputy first, except in such certain cases as his Worship can well judge of; for if the application to the Grand Master be irregular, he can easily order the Grand Wardens, or any other Brethren thus applying, to wait upon his Deputy, who is to prepare the business speedily, and to lay it orderly before his Worship.

XVII. No Grand Master, Deputy Grand Master, Grand Wardens, Treasurer, Secretary, or whoever acts for them, or in their stead pro tempore, can at the same time be the Master or Warden of a Particular Lodge; but as soon as any of them has honorably discharged his grand office, he returns to that post or station in his Particular Lodge, from which he was called to officiate above.

XVIII. If the Deputy Grand Master be sick, or necessarily absent, the Grand Master may choose any Fellow Craft he pleases to be his Deputy pro tempore; but he that is chosen Deputy at the Grand Lodge, and the Grand Wardens too, cannot be discharged without the cause fairly appear to the majority of the Grand Lodge; and the Grand Master, if he is uneasy, may call a Grand Lodge on purpose to lay the cause before them, and to have their advice and concurrence; in which case, the majority of the Grand Lodge, if they cannot reconcile the Master and his Deputy or his Wardens, are to concur in allowing the Master to discharge his said Deputy or his said Wardens, and to choose another Deputy immediately; and the said Grand Lodge shall choose other Wardens in that case, that harmony and peace may be preserved.

XIX. If the Grand Master should abuse his power, and render himself unworthy of the obedience and subjection of the Lodges, he shall be treated in a way and manner to be agreed upon in a new Regulation; because hitherto the ancient Fraternity have had no occasion for it, their former Grand Masters having all behaved themselves worthy of that honourable office.

XX. The Grand Master, with his Deputy and Wardens, shall (at

least once) go round and visit all the Lodges about town during his Mastership.

XXI. If the Grand Master should die during his Mastership, or by sickness, or by being beyond sea, or any other way should be rendered incapable of discharging his office, the Deputy, or in his absence, the Senior Grand Warden, or in his absence the Junior, in his absence any three present Masters of Lodges, shall join to congregate the Grand Lodge immediately, to advise together upon the emergency, and to send two of their number to invite the last Grand Master to resume his office, which now in course reverts to him; or if he refuse, then the next last, and so backward; but if no former Grand Master can be found, then the Deputy shall act as Principal until another is chosen; or if there be no Deputy, then the oldest Master.

XXII. The Brethren of all the Lodges in and about London and Westminster, shall meet at an Annual Communication and Feast, in some convenient place, on Saint John Baptist's Day, or else on Saint John Evangelist's Day, as the Grand Lodge shall think fit by a new regulation, having of late years met on Saint John Baptist's Day; provided,

The majority of the Masters and Wardens, with the Grand Master, his Deputy and Wardens, agree at their Quarterly Communication, three months before, that there shall be a Feast, and a General Communication of all the Brethren; for if either the Grand Master, or the majority of the Particular Masters, are against it, it must be dropped for that time.

But whether there shall be a Feast for all the Brethren, or not, yet the Grand Lodge must meet in some convenient place annually on Saint John's Day; or if it be Sunday, then on the next day, in order to choose every year a new Grand Master, Deputy, and Wardens.

XXIII. If it be thought expedient, and the Grand Master, with the majority of the Masters and Wardens, agree to hold a Grand Feast, according to the ancient laudable customs of Masons, then the Grand Wardens shall have the care of preparing the tickets, sealed with the Grand Master's Seal, of disposing of the tickets, of receiving the money for the tickets, of buying materials of the Feast, of finding out a proper and convenient place to feast in; and of every other thing that concerns the entertainment.

But that the work may not be too burdensome to the two Grand Wardens, and that all matters may be expeditiously and safely managed, the Grand Master, or his Deputy, shall have power to

nominate and appoint a certain number of Stewards, as his Worship shall think fit, to act in concert with the two Grand Wardens; all things relating to the Feast being decided amongst them by a majority of voices; except the Grand Master or his Deputy interposes by a particular direction or appointment.

XXIV. The Wardens and Stewards shall, in due time, wait upon the Grand Master, or his Deputy, for directions and orders about the premises; but if his Worship and his Deputy are sick, or necessarily absent, they shall call together the Masters and Wardens of Lodges to meet on purpose for their advice and orders; or else they may take the matter wholly upon themselves, and do the best they can.

The Grand Wardens and the Stewards are to account for all the money they receive, or expend, to the Grand Lodge, after dinner, or when the Grand Lodge shall think fit to receive their accounts.

If the Grand Master pleases, he may in due time summon all the Masters and Wardens of Lodges to consult with them about ordering the Grand Feast, and about any emergency or accidental thing relating thereunto, that may require advice; or else to take it upon himself altogether.

XXV. The Masters of Lodges shall each appoint one experienced and discreet Fellow Craft of his Lodge, to compose a committee, consisting of one from every Lodge, to who shall meet to receive in a convenient apartment, every person that brings a ticket, and shall have power to discourse him, if they think fit, in order to admit him, or debar him, as they shall see cause; provided, they send no man away before they have acquainted all the Brethren within doors with the reason thereof, to avoid mistakes that no true Brother may be debarred, nor a false Brother, or mere pretender, admitted. This committee must meet very early on Saint John's Day, at the place, even before any persons come with tickets.

XXVI. The Grand Master shall appoint two or more trusty Brethren to be porters, or door-keepers, who are also to be early at the place, for some good reasons; and who are to be at the command of the committee.

XXVII. The Grand Wardens, or the Stewards, shall appoint beforehand such a number of Brethren to serve at table as they think fit and proper for that work; and they may advise with the Masters and Wardens of Lodges about the most proper persons, if they please, or may take in such by their recommendation; for none are to serve that day, but free and accepted Masons, that the Communication may be free and harmonious.

XXVIII. All the members of the Grand Lodge must be at the place long before dinner, with the Grand Master, or his Deputy, at their head, who shall retire, and form themselves. And this is done in order,

1. To receive any appeals duly lodged, as above regulated, that the appellant may be heard, and the affair may be amicably decided before dinner, if possible; but if it cannot, it must be delayed till after the new Grand Master is elected; and if it cannot be decided after dinner, it may be delayed, and referred to a particular committee, that shall quietly adjust it, and make report to the next Quarterly Communication, that brotherly love may be preserved.

2. To prevent any differences or disgust which may be feared to arise that day; that no interruption may be given to the harmony and pleasure of the Grand Feast.

3. To consult about whatever concerns the decency and decorum of the Grand Assembly, and to prevent all indecency and ill manners, the assembly being promiscuous.

4. To receive and consider of any good motion, or any momentous and important affair, that shall be brought from the Particular Lodges, by their representatives, the several Masters, and Wardens.

XXIX. After these things are discussed, the Grand Master and his Deputy, the Grand Wardens, or the Stewards, the Secretary, the Treasurer, the Clerks, and every other person, shall withdraw, and leave the Masters and Wardens of the Particular Lodges alone, in order to consult amicably about electing a new Grand Master, or continuing the present, if they have not done it the day before; and if they are unanimous for continuing the present Grand Master, his Worship shall be called in, and humbly desired to do the Fraternity the honour of ruling them for the year ensuing; and after dinner it will be known whether he accepts of it or not; for it should not be discovered but by the election itself.

XXX. Then the Masters and Wardens, and all the Brethren, may converse promiscuously, or as they please to sort together, until the dinner is coming in, when every Brother takes his seat at table.

XXXI. Some time after dinner the Grand Lodge is formed, not in retirement, but in the presence of all the Brethren, who yet are not members of it, and must not therefore speak until they are desired and allowed.

XXXII. If the Grand Master of last year has consented with the

Master and Wardens in private, before dinner, to continue for the year ensuing; then one of the Grand Lodge deputed for that purpose, shall represent to all the Brethren his Worship's good government, etc. And turning to him, shall, in the name of the Grand Lodge, humbly request him to do the Fraternity the great honour (if nobly born, if not the great kindness) of continuing to be their Grand Master for the year ensuing. And his Worship declaring his consent by a bow or a speech, as he pleases, the said deputed member of the Grand Lodge shall proclaim him Grand Master, and all the members of the Lodge shall salute him in due form. And all the Brethren shall for a few minutes have leave to declare their satisfaction, pleasure, and congratulation.

XXXIII. But if either the Master and Wardens have not in private, this day before dinner, nor the day before, desired the last Grand Master to continue in the Mastership another year; or if he, when desired, has not consented; then,

The last Grand Master shall nominate his successor for the year ensuing, who, if unanimously approved by the Grand Lodge, and if there present, shall be proclaimed, saluted, and congratulated the new Grand Master, as above hinted, and immediately installed by the last Grand Master, according to usage.

XXXIV. But if that nomination is not unanimously approved, the new Grand Master shall be chosen immediately by ballot, every Master and Warden writing his man's name, and the last Grand Master writing his man's name too; and the man, whose name the last Grand Master shall first take out, casually or by chance, shall be Grand Master for the year ensuing; and if present, he shall be proclaimed, saluted, and congratulated, as above hinted, and forthwith installed by the last Grand Master, according to usage.

XXXV. The last Grand Master thus continued, or the new Grand Master thus installed, shall next nominate and appoint his Deputy Grand Master, either the last or a new one, who shall be also declared, saluted, and congratulated as above hinted.

The Grand Master shall also nominate the new Grand Wardens, and if unanimously approved by the Grand Lodge, shall be declared, saluted, and congratulated, as above hinted; but if not, they shall be chosen by ballot, in the same way as the Grand Master; as the Wardens of private Lodges are also to be chosen by ballot in each Lodge, if the members thereof do not agree to the Master's nomination.

XXXVI. But if the Brother, whom the present Grand Master

shall nominate for his successor, or whom the majority of the Grand Lodge shall happen to choose by ballot, is, by sickness or other necessary occasion, absent from the Grand Feast, he cannot be proclaimed the new Grand Master, unless the old Grand Master, or some of the Masters and Wardens of the Grand Lodge can vouch, upon the honour of a Brother, that the said person, so nominated or chosen, will readily accept of the said office; in which case the old Grand Master shall act as proxy, and shall nominate the Deputy and Wardens in his name, and in his name also receive the usual honours, homage, and congratulation.

XXXVII. Then the Grand Master shall allow any Brother, Fellow Craft, or Apprentice to speak, directing his discourse to his Worship; or to make any motion for the good of the Fraternity, which shall be either immediately considered and finished, or else referred to the consideration of the Grand Lodge at their next Communication, Stated or Occasional. When that is over,

XXXVIII. The Grand Master or his Deputy, or some Brother appointed by him, shall harangue all the Brethren, and give them good advice; and lastly after some other transactions, that cannot be written in any language, the Brethren may go away or stay longer, as they please.

XXXIX. Every Annual Grand Lodge has an inherent power and authority to make new Regulations, or to alter these, for the real benefit of this ancient Fraternity; Provided always that the Old Landmarks be carefully preserved, and that such alterations and new Regulations be proposed and agreed to at the Third Quarterly Communication preceding the Annual Grand Feast; and that they be offered also to the perusal of all the Brethren before dinner, in writing, even of the youngest Apprentice; the approbation and consent of the majority of all the Brethren present being absolutely necessary to make the same binding and obligatory; which, must, after dinner, and after the new Grand Master is installed, be solemnly desired; as it was desired and obtained for these Regulations, when proposed by the Grand Lodge, to about one hundred and fifty Brethren, on Saint John Baptist's Day, 1721.

I. CONCERNING GOD AND RELIGION

A Mason is obliged, by his tenure, to obey the moral law; and if he rightly understands the art, he will never be a stupid Atheist, nor an irreligious libertine. But though in ancient times Masons were charged in every country to be of the religion of that country or nation, whatever it was, yet it is now thought more expedient only to oblige them to that religion in which all men agree, leaving their particular opinions to themselves; that is, to be good men and true, or men of honour and honesty, by whatever denominations or persuasions they may be distinguished; whereby Masonry becomes the center of union,

and the means of conciliating true friendship among persons that must have remained at a perpetual distance.

II. OF THE CIVIL MAGISTRATE, SUPREME, AND SUBORDINATE

A Mason is a peaceable subject to the civil powers, wherever he resides or works, and is never to be concerned in plots and conspiracies against the peace and welfare of the nation, nor to behave himself undutifully to inferior magistrates; for as Masonry hath been always injured by war, bloodshed, and confusion, so ancient kings and princes have been much disposed to encourage the Craftsmen, because of their peaceableness and loyalty whereby they practically answered the cavils of their adversaries, and promoted the honour of the Fraternity, who ever flourished in times of peace. So that if a Brother should be a rebel against the State, he is not to be countenanced in his rebellion, however he may be pitied as an unhappy man; and, if convicted of no other crime, though the loyal Brotherhood must and ought to disown his rebellion, and give no umbrage or ground of political jealousy to the government for the time being; they cannot expel him from the Lodge, and his relation to it remains indefeasible.

III. OF LODGES

A Lodge is a place where Masons assemble and work; hence that assembly or duly organized society of Masons is called a Lodge, and every Brother ought to belong to one, and to be subject to its By-Law's and the General Regulations. It is either particular or general, and will be best understood by attending it, and by the Regulations of the General or Grand Lodge hereunto annexed. In ancient times, no Master or Fellow could be absent without it, especially when warned to appear at it, without incurring a severe censure, until it appeared to the Master and Wardens, that pure necessity hindered him.

The persons admitted members of a Lodge must be good and true men, free-born, and of mature and discreet age, no bondmen, no women, no immoral, or scandalous men, but of good report.

IV. OF MASTERS, WARDENS, FELLOWS, AND APPRENTICES

All preferment among Masons is grounded upon real worth and personal merit only; that so the lords may be well served, the Brethren not put to shame, nor the royal Craft despised; therefore no Master or Warden is chosen by seniority, but for his merit. It is impossible to describe these things in writing and every Brother must attend in his

place, and learn them in a way peculiar to this Fraternity; only candidates may know, that no Master should take an Apprentice, unless he has sufficient employment for him, and unless he be a perfect youth, having no maim or defect in his body, that may render him incapable of learning the art, of serving his Master's lord, and of being made a Brother, and then a Fellow Craft in due time, even after he has served such a term of years as the custom of the country directs; and that he should be descended of honest parents; that so, when otherwise qualified, he may arrive to the honour of being the Warden, and then the Master of the Lodge, the Grand Warden, and at length the Grand Master of all the Lodges, according to his merit.

No Brother can be a Warden until he has passed the part of a Fellow Craft; nor a Master until he has acted as a Warden, nor Grand Warden until he has been Master of a Lodge, nor Grand Master unless he has been a Fellow Craft before his election, who is also to be noble born, or a gentleman of the best fashion, or some eminent scholar, or some curious architect or other artist, descended of honest parents, and who is of singular great merit in the opinion of the Lodges. And for the better, and easier, and more honourable discharge of his office, the Grand Master has a power to choose his own Deputy Grand Master, who must be then, or must have been formerly, the Master of a Particular Lodge, and has the privilege of acting whatever the Grand Master, his principal, should act, unless the said principal be present, or interpose his authority by a letter.

These rulers and governors, supreme and subordinate, of the ancient Lodge, are to be obeyed in their respective stations by all the Brethren, according to the old Charges and Regulations, with all humility, reverence, love, and alacrity.

V. OF THE MANAGEMENT OF THE CRAFT IN WORKING

All Masons shall work honestly on working days, that they may live creditably on holy days; and the time appointed by the law of the land, or confirmed by custom, shall be observed.

The most expert of the Fellow Craftsmen shall be chosen or appointed the Master, or overseer of the lord's work; who is to be called Master by those that work under him. The Craftsmen are to avoid all ill language, and to call each other by no disobliging name, but Brother or Fellow; and to behave themselves courteously within and without the Lodge.

Both the Master and the Masons receiving their wages justly, shall be faithful to the lord, and honestly finish their work, whether

task or journey; nor put the work to task that hath been accustomed to journey.

None shall discover envy at the prosperity of a Brother, nor supplant him, nor put him out of his work, if he be capable to finish the same; for no man can finish another's work so much to the Lord's profit, unless he be thoroughly acquainted with the designs and draughts of him that began it.

When a Fellow Craftsman is chosen Warden of the Work under the Master, he shall be true both to Master and Fellows, shall carefully oversee the work in the Master's absence to the lord's profit; and his Brethren shall obey him.

All Masons employed, shall meekly receive their wages without murmuring or mutiny, and not desert the Master till the work is finished.

A younger Brother shall be instructed in working, to prevent spoiling the materials for want of judgment, and for increasing and continuing of brotherly love.

All the tools used in working shall be approved by the Grand Lodge.

No labourer shall be employed in the proper work of Masonry, nor shall Free Masons work with those that are not free, without an urgent necessity; nor shall they teach labourers and unaccepted Masons, as they should teach a Brother or Fellow.

VI. OF BEHAVIOR, VIZ.:

1. In the Lodge While Constituted

You are not to hold private committees, or separate conversation, without leave from the Master, not to talk of anything impertinent or unseemly, nor interrupt the Master or Wardens or any Brother speaking to the Master; nor behave yourself ludicrously or jestingly while the Lodge is engaged in what is serious and solemn; nor use any unbecoming language upon any pretence whatsoever; but to pay due reverence to your Master, Wardens, and Fellows, and put them to worship.

Any complaint be brought, the Brother found guilty shall stand to the award and determination of the Lodge, who are the proper and competent judges of all such controversies (unless you carry it by appeal to the Grand Lodge), and to whom they ought to be referred, unless a lord's work be hindered the meanwhile, in which case a particular reference may be made; but you must never go to law about

what concerneth Masonry, without an absolute necessity apparent to the Lodge.

2. Behavior After the Lodge is over, and the Brethren not Gone

You may enjoy yourselves with innocent mirth, treating one another according to ability, but avoiding all excess, or forcing any Brother to eat or drink beyond his inclination, or hindering him from going when his occasions call him, or doing or saying anything offensive, or that may forbid an easy and free conversation; for that would blast our harmony, and defeat our laudable purposes. Therefore no private piques or quarrels must be brought within the door of the Lodge, far lest quarrels about religion, or nations, or state policy, we being only, as Masons, of the catholic religion above mentioned; we are also of all nations, tongues, kindreds, and languages, and are resolved against all politics, as what never yet conducted to the welfare of the Lodge, nor ever will. This Charge has been always strictly enjoined and observed; but especially ever since the Reformation in Britain, of the dissent and secession of these nations from the communion of Rome.

3. Behavior When Brethren Meet Without Strangers, But Not in a Lodge Formed

You are to salute one another in a courteous manner, as you will be instructed, calling each other Brother, freely giving mutual instructions as shall be thought expedient, without being overseen or overheard, and without encroaching upon each other, or derogating from that respect which is due to any Brother, were he not a Mason; for though all Masons are as Brethren upon the same level, yet Masonry takes no honour from a man that he had before; nay, rather it adds to his honour, especially if he has deserved well of the Brotherhood, who must give honour to whom it is due, and avoid ill manners.

4. Behavior in Presence of Strangers Not Masons

You shall be cautious in your words and carriage, that the most penetrating stranger shall not be able to discover or find out what is not proper to be intimated; and sometimes you shall divert a discourse, and manage it prudently for the honour of the worshipful Fraternity.

5. Behavior at Home, and in your Neighborhood

You are to act as becomes a moral and wise man; particularly, not to let your family, friends, and neighbours know the concerns of the Lodge, etc., but wisely to consult your own honour, and that of the

ancient Brotherhood, for reasons not to be mentioned here. You must also consult your health, by not continuing together too late, or too long from home, after Lodge hours are past; and by avoiding gluttony or drunkenness that your families be not neglected or injured, nor you disabled from working.

6. Behavior Towards a Strange Brother

You are cautiously to examine him, in such a method as prudence shall direct you, that you may not be imposed upon by an ignorant false pretender, whom you are to reject with contempt and derision, and beware of giving him any hints of knowledge.

But if you discover him to be a true and genuine Brother, you are to respect him accordingly; and if he is in want, you must relieve him if you can, or else direct him how he may be relieved; you must employ him some days, or else recommend him to be employed. But you are not charged to do beyond your ability, only to prefer a poor Brother, that is a good man and true, before any other poor people in the same circumstances.

Finally, all these Charges you are to observe, and also those that shall be communicated to you in another way; cultivating brotherly love, the foundation and capstone, the cement and glory of this ancient Fraternity, avoiding all wrangling and quarrelling, all slander and backbiting, nor permitting others to slander any honest Brother, but defending his character, and doing him all good offices, as far as consistent with your honour and safety, and no farther. And if any of them do you injury, you must apply to your own or his Lodge; and from thence you may appeal to the Grand Lodge at the quarterly communication, and from thence to the annual Grand Lodge, as has been the ancient laudable conduct of our forefathers in every nation; never taking a legal course but when the case cannot be otherwise decided, and patiently listening to the honest and friendly advice of Master and Fellows, when they would prevent your going to law with strangers, or would excite you to put a speedy period to all lawsuits, that so you may mind the affair of Masonry with the more alacrity and success; but with respect to Brothers or Fellows at law, the Master and Brethren should kindly offer their mediation, which ought to be thankfully submitted to by the contending Brethren; and if that submission is impracticable, they must however carry on their process, or lawsuit, without wrath and rancor (not in the common way), saying or doing nothing which may hinder brotherly love, and good offices to be renewed and continued; that all may see the benign influence of Masonry, as all true Masons have done from the beginning of the world, and will do to the end of time. Amen, so mote it be.

(a) That the Grand Lodge of Florida F. & A. M. and the Grand Master in the recess of Grand Lodge is the Supreme Authority and that the Landmarks, the Constitution, and Regulations of the Grand Lodge and the lawful Orders of Edicts of the Grand Master are Supreme Masonic Law of this Jurisdiction.

- (c) Every Mason is bound to obey every Summons, Order, or Edict issued by proper Masonic Authority.
- (d) That no Organization Masonic in character has the power to modify, deny, defy, or obstruct any Summons, Order, or Edict of the Grand Lodge or the Grand Master and no such organization may by contract, agreement, order or directive impair, diminish, or weaken the supreme power of the Grand Lodge in the recess to direct and control all Masonic Fraternal Matters in this State.
2. The contract referred must be construed in the light of the foregoing rules and knowledge of the parties as to the law governing same. No presumption is intended that the parties intended to break Masonic Law or impede any Mason in his compliance with Masonic Law but on the other hand was entered into with full knowledge that the contract could not lawfully be used to allow any Mason in this State to defy, refuse to obey, evade, or avoid full and prompt obedience and compliance with each and every Order, Edict, Summons, or request for aid, assistance or information made by the Grand Master or his designated representatives.
3. The contract and agreement may be binding upon members of Bahia Temple in their relations one with the other but in no way impairs the power of the Grand Lodge or the Grand Master nor constitutes any reason or excuse for any Mason to fail or refuse to obey fully, completely, and promptly all Summons, Orders, Edicts, or requests for aid and assistance made and issued in the name of the Grand Lodge by any proper and authorized Masonic authority. Any Mason who fails or refuses to promptly obey any and all Orders, Directives, and Summons as issued in the name of the Grand Lodge or any duly constituted Committee, Board, Commission, or Representative of the Grand Lodge or the Grand Master shall be subject to Masonic Discipline. ELECTION AND APPOINTMENT

Constitutional Provisions

The election of Grand Officers shall be held at the Annual Grand

Communication at such time as the Grand Lodge may appoint by appropriate Resolution. (Art. III, Sec. 1).

In balloting for Grand Officers, each Lodge is entitled to three (3) votes; if there be but two (2) of the three (3) principal Officers of a Lodge present, the Officer highest in rank shall cast two (2) votes; the Officer present shall have precedence over the proxy of an Officer higher in rank, but if two (2) or more of the Officers are represented by proxies, such proxies shall have precedence according to the rank of the Officers they severally represent; and if there be but one (1) Officer or proxy present, he shall cast the three votes of his Lodge. (Art. III, Sec. 2).

The Grand Master is always in nomination, and a majority of all the votes cast is requisite to a choice. (Art. III, Sec. 3).

Only members of the Grand Lodge who have been regularly elected and installed the Master of a Particular Lodge under the jurisdiction of the Grand Lodge of Florida are eligible to be elected to any office in the Grand Lodge. (Art. III, Sec. 4). (1992)

It is the duty of the Grand Master-elect, as soon after the election as may be, to appoint the Subordinate Grand Officers and to announce the same to the Grand Lodge. (Art. III, Sec. 5).

Regulations

5.02 (a) Except as to incumbent Elected Grand Lodge Officers, hereinafter provided for, all nominations for election to an elective Grand Lodge Office shall be by nominating petition stating the name of the nominee, his address, telephone number (if any), and the nominee's Lodge number, and shall be signed by ten (10) Master Masons in good standing in one or more of the Lodges in the same Masonic District in which the nominee is a dues-paying member of some Lodge.

The petition shall contain an agreement signed by the nominee that if elected he will accept the office for which he is nominated.

The nominating petition shall be filed with the Grand Secretary on or before January 15. Upon receipt of the petition, the Grand Secretary shall note thereon the time and date of receipt and shall forthwith deliver to the nominee a form which shall provide for the nominee to furnish his personal history, Masonic record, and other pertinent information. The nominee shall sign the personal information form attesting to the correctness

of the information contained therein and return the same to the Grand Secretary on or before February 1. The Grand Secretary shall note on the personal and Masonic history form the date of delivery to and receipt from the nominee.

The Deputy Grand Master, Senior Grand Warden, and Junior Grand Warden shall always be in nomination for the next successive office in the Progressive Grand Lodge Line and the Grand Treasurer and Grand Secretary shall always be in nomination for re-election; provided, however, such officer shall file in the office of the Grand Secretary, on or before January 15 a signed, written statement that he will accept the office for which he is nominated as herein provided. No other written or printed material or matter shall be distributed by mail or otherwise by, or in behalf of, any candidate or nominee for Grand Lodge Office.

In the event a vacancy or vacancies shall occur in the progressive Grand Lodge Line prior to January 15, the signed statement of an incumbent shall designate the office to which he in traditional course of events would be nominated. If the vacancy shall occur after January 15, the signed written statement of incumbent Grand Lodge Line Officer shall be construed to be an agreement to accept the highest office to which in traditional course of events he would be nominated and elected, that is, in event of a vacancy in the office of Deputy Grand Master the Senior Grand Warden shall be in nomination for Grand Master and the Junior Grand Warden shall be in nomination for Deputy Grand Master. In the event of more than one vacancy, the signed statements of incumbents shall be construed to be nominations to preserve the traditional progress of Grand Lodge Line Officers.

In the event of vacancy in nominations or nominees in the Grand Lodge Line Officers, all nominations for office of Junior Grand Warden shall be construed to be nominations for Junior Grand Warden and next highest office or offices so that each nominee shall be eligible for election to either office and may stand for election for the highest office and if not elected he shall be eligible for election to the other office, i.e. all nominees for Junior Grand Warden shall be in nomination for any or all offices vacant and not filled by nomination as above provided.

The Grand Secretary, with the approval of the Grand Master shall prepare form of nominating petition and form for personal and Masonic history of nominees. Nominating petition shall be furnished to any Florida Master Mason upon request therefor.

In the event of any vacancy in nominations or nominees and filling such vacancy is not provided for herein, the Grand Master shall issue Executive Order setting forth the method and time for qualifying to fill such vacancy. (1983)

(b) The Grand Secretary, with the approval of the Grand Master

shall arrange for printing and delivery of ballots, and if practicable, for use of voting machines and such other arrangements for secret voting by Lodge representatives as shall be appropriate.

The ballot shall show the name of the office, and the name of each nominee for said office shall be printed thereunder, provided, if there is only one nominee for an office the name of such office and the name of the nominee shall not be printed on the ballot and the Grand Secretary shall certify to the Grand Lodge that such nominee was elected to the office without opposition.

(c) The Committee on Returns and Credentials shall, under the supervision and direction of the Grand Master, or someone designated by him, conduct the election.

The election shall be by secret ballot or by voting machine.

Upon registration with the Committee on Returns and Credentials, each Lodge Representative shall be given paper ballot with name of office and nominees for such office printed thereon with appropriate space provided for designating the choice and vote of such representative by checkmark or crossmark. The ballot shall contain specific directions as to the manner of casting the ballot. If voting machines are used the Lodge representative, upon registration, shall be given an identification slip entitling him to enter a voting machine and cast his ballot.

The Grand Secretary, with the approval of the Grand Master, shall prepare detailed instructions governing conduct of the election, prescribing time for opening registration, casting of ballots and the period during which ballots may be cast which shall not be earlier than the opening of Grand Lodge nor later than 5:00 P.M. of said day, and shall further prescribe in said instructions detailed information as to place of ballot and preservation of ballots until counting, which instructions so prepared by the Grand Secretary shall be presented to the Jurisprudence Committee no later than twenty-four (24) hours prior to time of beginning of balloting.

Any Lodge representative claiming right to vote more than one ballot by reason of absence of other Lodge representatives shall register his claim with the Committee on Returns and Credentials but at the time of such registration shall be allowed to cast only one (1) ballot. Not later than one (1) hour prior to the time of closing of balloting the representative claiming the right to cast more than one (1) ballot shall again present his claim to the Committee on Returns and Credentials and if no conflict appears with the right of such representative to cast additional ballot or ballots, he shall be given such ballots as he shall be entitled to vote or identification slips entitling him to vote such extra ballots on voting machine.

(d) At the close of the time of balloting the Committee on Returns and Credentials, under supervision of a canvassing committee of five (5) members, two of whom shall be Past Grand Masters, shall count and canvass the ballots for each nominee and prepare written reports of the results of such count and canvass, which report shall be signed by the Chairman of the Committee on Returns and Credentials and Chairman of the Canvassing Committee, which report shall be forthwith presented to the Grand Lodge. If balloting as above provided shall not result in any nominee for an office receiving a majority of the votes or ballots cast, then and in such event further balloting shall be conducted in accordance with instructions and directions of the Grand Master. Successive ballots shall be taken in accordance with the above procedures by directions of the Grand Master until all offices have been filled by majority vote.

All Grand Officers duly elected and installed shall continue in office one year, and until their successors in office are duly elected and installed. VACANCIES AND SUCCESSION IN OFFICE

Constitutional Provisions

In case of the death, incapacity, or inability from any other cause to perform the duties of the office of the Grand Master, the Deputy Grand Master, the Senior Grand Warden, and the Junior Grand Warden, the Junior Past Grand Master shall forthwith call and give notice of a meeting of all living Past Grand Masters to be held not less than ten (10) days nor more than fifteen (15) days after notice of such meeting at the time and place specified in such notice, and the Past Grand Masters in such meeting, shall, in such manner as they deem appropriate from among themselves fill all vacancies then existing in Elective Grand Lodge Offices and the officers so elected to fill such vacancies shall have all of the powers appertaining to the offices to which they have been designated to fill, and shall serve until their successors are elected and installed at the next Special or Annual Grand Communication, and the Past Grand Masters may, at such meeting, call a Special Communication of Grand Lodge for the purpose of filling by election the offices filled by selection of the Past Grand Masters. The Grand Master designated by the Past Grand Masters shall immediately, after such meeting of the Past Grand Masters, promptly proclaim and publish to the Particular Lodges the actions of the Past Grand Masters. the South; and the West must be filled by a pro tem appointment from time to time.
(Art. IV, Sec. 4)

Regulations

5.08 The offices of Master, Grand Master, Deputy Grand Master, and District Deputy Grand Master are clearly incompatible with each other, and therefore, no two (2) of them can be held by an individual at one and the same time. If a Brother holding any of said offices accepts either of the others, such acceptance is a surrender of the office so held, and it at once becomes vacant.

5.09 The office of Grand Master is never vacant, for succession being instant, there is no interim.

A - Suspension of Grand Master for Inability or Incapacity.

In the event the Senior Grand Warden, the Junior Grand Warden, Grand Treasurer, and Grand Secretary, or any two or more of them, shall believe, for good cause or reason, that the Grand Master is unable or incapable of performing the duties of his office, they shall forthwith give written notice thereof to the Junior Past Grand Master of such belief and the cause or reason therefor. The Deputy Grand Master shall not be an initiating party in order to avoid the appearance of impropriety or a conflict of interest.

The Past Grand Master so notified in accordance with the above procedure shall call and give notice to the Grand Master and all Past Grand Masters of a meeting at a time and place specified in such notice and the reason therefor.

At the meeting of the Past Grand Masters, a majority of whom shall constitute a quorum, the Junior Past Grand Master, or in his absence the immediate past Junior Past Grand Master, or in the absence of both of them a Past Grand Master selected by those present, shall preside.

The Past Grand Masters shall determine whether or not the Grand Master is unable to perform the duties of his office and may receive such evidence and testimony, including any evidence offered by or in behalf of the Grand Master, as may seem to them necessary or appropriate to make such determination, a majority vote of those Past Grand Masters present being sufficient for such determination.

If the Past Grand Masters shall find and determine that the Grand Master is unable to perform his duties, they shall enter an

appropriate order of such determination signed by the presiding Past Grand Master and in said order shall direct that the Deputy Grand Master shall forthwith assume the duties of office of Grand Master.

A full and complete record of all proceedings, including testimony and evidence received at the meeting together with the order entered at such meeting, shall be filed in the office of the Grand Secretary and copy of the order delivered to the Deputy Grand Master and to the Grand Master.

B - Request by Grand Master for Assumption of Duties.

Upon receipt of a request from the Grand Master and a statement from him that he is able to assume the duties of his office, the presiding Past Grand Master shall call a meeting of the Past Grand Masters to take such action as shall be appropriate in accordance with the same procedure established in Section A above for the suspension of the Grand Master, including an evidentiary hearing and order of determination in connection therewith.

C - Suspension or Removal of Other Elected Grand Lodge Officers.

In the event the Grand Master and two other Elected Grand Lodge Officers shall believe for good cause or reason that the Deputy Grand Master, Senior Grand Warden, Junior Grand Warden, Grand Treasurer, or the Grand Secretary is unable or incapable of performing the duties of his office, or should be removed for any other reason, including misconduct or violation of established Masonic principles, they shall forthwith give notice of such belief and the grounds therefor to all other Elected Grand Lodge Officers, including the officer whose conduct or capability is in question, and to all Past Grand Masters and of a meeting of said Grand Lodge Officers and Past Grand Masters at a time and place named and designated in said notice. PREROGATIVES

Constitutional Provisions

A Landmark of Freemasonry is:

The government of the Fraternity by a presiding Officer who, since the advent of Speculative Masonry, has borne the title of Grand Master and been elected from the body of the Craft, and the prerogatives inherent in that office, among which are:

The prerogative of the Grand Master to enter into and preside over every assembly of Masons within his jurisdiction and, corollary thereto, to supervise and regulate the affairs of Masonry within that jurisdiction, between Communications of the Grand Lodge, subject to the Constitution and lawful Regulations duly enacted by the Grand Lodge.

The prerogative of the Grand Master to grant his Dispensation.

The prerogative of the Grand Master to make a Mason at sight in the body of a regularly constituted Lodge and by trial of the ballot. (Art. XIII, Sec. 2).

Regulations

6.07 The prerogatives of a Grand Master are commensurate with his high and honorable position, and circumscribed only by Masonic propriety and usefulness. They are so extensive as to need no legislation to enlarge them, but they are restricted by the Constitution and Regulations of the Grand Lodge, so far as they are specifically embraced within the scope of such laws.

6.08 The Grand Master may make a Mason at sight, but only as the Constitution provides.

DISPENSATIONS

Regulations

6.09 Dispensations may be granted for public processions on extra-ordinary occasions. A Lodge may meet and attend Divine Services, but not in Masonic regalia, and the members shall not be summoned for the occasion.

6.10 The Grand Master may grant Dispensations to a Particular Lodge to provide material for Degree work, conformably to the Constitution, the ballot being required in each case, for example:

- (f) To permit joint installation of the Officers of Lodges outside of their respective territorial jurisdiction, within this Grand jurisdiction.

6.12 Dispensations may be granted and shall be required for Lodge Communications in the following cases:

- (a) To authorize a Lodge to continue its work in the absence of its Charter when lost, stolen, or destroyed, until the Charter is returned or a certified copy issued.
- (b) To authorize a Lodge to change its place of meeting within its jurisdiction, but without changing its jurisdictional lines, until and unless Grand Lodge makes such changes permanent, in which case its jurisdictional lines will measure from its new location.
- (c) To authorize a Lodge to hold its Communications in ground floor rooms when necessity demands, and the approval of the District Deputy Grand Master has been secured.

6.13 Dispensations cannot be issued to Lodges to hold their annual election of Officers prior to their first Stated Communication in December, nor to install their Officers prior to December 27th, since both are prohibited by Article X, Section 4 of the Constitution.

DEFINITIONS

Regulations

12.02 The lawful assemblage of Masons in Grand Lodge capacity is called “Grand Communication.” Grand Communications are of three kinds: “Annual..... Special,” and “Emergent.” An “Annual Communication” of Grand Lodge is for the transaction of general business and the election and installation of Grand Officers for the ensuing year. A “Special Communication” of Grand Lodge is called by the Grand Master for such business as he may lay before it, of which all Grand Lodge Officers and members shall have due and timely notice. An “Emergent Communication” of Grand Lodge is a Grand Master’s prerogative, to be called at any time or place, or for any purpose as he may elect, and without formal notice to any one. He may call and preside over such Emergent Communication in person, or he may delegate his authority for such a Communication to a “Special Deputy,” unless the Deputy Grand Master be present, in which case he will take precedence over the Special Deputy, and Grand Lodge Officers who may be present are entitled to assume their respective stations or places, unless requested to serve in another. The minutes of all such meetings shall be filed with the Grand Secretary. (The only “Special Communication” ever held by the Grand Lodge of Florida was called by Grand Master Jesse Coe, and held at Tallahassee in June, 1845, for the transaction of general business and joining in the celebration of Florida’s admission to statehood, and the inauguration of Florida’s first Governor. The session lasted three days.)

**INTERPRETATION OF LAW
ADOPTED AT 151st ANNUAL COMMUNICATION
WITH 1984 AMENDMENTS**

(1) **Section 7 of Art. IX** specifically provides that each committee of the Grand Lodge shall be composed of not less than three (3) nor more than eleven (11) members, except the Committee on Masonic Jurisprudence which shall have such number of members as may be determined by the Grand Master, subject to provisions of Sub-section (1) of Section 2 hereof. The Committee on Masonic Education and the Committee on Work shall be composed of not less than three nor more than twelve members of which one must be Spanish speaking. (1997)

(2) **Section 9 (c) of Article I** provides that special committees may be appointed in connection with a Grand Lodge project or program not properly assignable to any established Grand Lodge Committee, subject however to Budget appropriation therefore.

This provision limits special committees in two ways:

(a) A special committee should not be appointed in connection with any project or program if that project or program is within the scope or jurisdiction or a part of the duties of an established committee, and

(b) There must be a specific appropriation for the committee in the Budget.

(3) **Section 4 of Art. IX** provides for a General Services Committee of twelve members to perform any service directed by the Grand Master and the Corporate Board. (1984)

Members of this Committee may be appointed to any subcommittee of an established committee but are not members of, nor do they have a vote on, the established committee.

This provision provides a reserve pool of manpower to assist any sub-committee of an established committee, such as Foreign Relations sub-committee of the Jurisprudence Committee or to the Distinguished Guests sub-committee of the Arrangements

Committee, or any other such subcommittee. Only members of this committee may be assigned to assist established committees.

(4) Although the Grand Master may transfer funds from one sub-account to another sub-account in the same fund (Reg. 14.12 (2) (4) (e)) this does not mean that the Grand Master may create a sub-account for a committee for which there was no appropriation in the Budget. Only the Corporate Board may establish new sub-accounts and then only when necessary for keeping of accurate receipts and disbursements. (Reg. 14.12 (3) (b) (5); Const. Art. XIV, Sec. 5 (4))

(5) A chart of authorized committees and limitations as to number of members of each committee is attached hereto.

(6) Each committee shall have a separate item of appropriation in the Budget. (Sec. 5 of Art. IX, Const.) (1984)

Digest of Masonic Law

CHAPTER 16.

**PARTICULAR LODGES- NAME AND NUMBER;
CONSOLIDATION**

GENERAL PROVISIONS

Regulations

16.01 Newly Chartered Lodges hereafter shall be numbered chronologically, the newest Lodge taking the next number above the last Lodge Chartered. No Lodge in Florida shall be named after any living man, and no Lodge in Florida shall bear the number '8'. (Historical note regarding the "Number 8" inhibition: Orion Lodge No. 8, for the last one hundred years a Georgia Lodge, was Chartered by the Grand Lodge of Florida at Pleasant Grove, Georgia, near the Florida line, in 1839. Two years later, without consent of either Grand Body, the Lodge moved to Decatur, now Bainbridge, Georgia. When this fact came to the attention of the Grand Lodge of Georgia much indignation was expressed and a resolution was adopted officially declaring Orion Lodge to be a Lodge of Clandestine Masons. Explanations followed and the matter was adjusted in a fraternal spirit of amity and good will. Florida released its claim on Orion Lodge and Georgia received it in full fellowship, and to cement the bond of good will and good fellowship, Florida resolved that no other Florida Lodge should bear the number "8," and as a further gesture of good will, elected the Masters and Wardens of Orion Lodge No. 8 honorary members of the Grand Lodge of Florida in perpetuity. In the same spirit, Georgia resolved that Orion Lodge should continue to work under the Charter granted by the Grand Lodge of Florida, endorsed by the Grand Lodge of Georgia. And so we see the anomaly of a Lodge of Masons working in another Grand Jurisdiction under and by virtue of authority granted by the Grand Lodge of Florida more than 100 years ago.)

16.02 When the name of a Chartered Lodge has been changed, the new name cannot be inserted in the old Charter. The Charter must be surrendered and a new one obtained, or a properly certified action of the Grand Lodge be appended to the old Charter.

CONSOLIDATED LODGES

Regulations

16.03 (a) When two or more contiguous Lodges deem it to their interest and to the interest of Masonry to consolidate and become one Lodge, they do so by proceeding as follows:

A Resolution in writing proposing consolidation and naming the Lodges to be consolidated shall be offered at a Stated Communication of each Lodge concerned, and shall lie over for at least one month in each and every such Lodge.

(b) If the majority of the members present at the next Stated Communication of each and every Lodge concerned, held after said Resolution shall have laid over for a month as herein above specified, vote in favor of the Resolution, the members of each Lodge so voting by a majority vote in favor of such Resolution, shall be furnished a copy of the Resolution. Same to be sent by mail to their last known address with notice that final action will be taken on said Resolution at a Stated Communication of said Lodge or Lodges on a date to be specified in said notice, which said date shall be not less than ten (10) days after the date of the mailing of said notice.

(c) If three-fourths of the members of a Lodge so concerned with such Resolution, at a Stated Communication of said Lodge held on the date specified in the notice hereinabove mentioned, vote in favor of such consolidation, the Secretary of each Lodge so voting favorably shall notify the Grand Master. If the Grand Master approves of said consolidation, he shall give written notice thereof to each Lodge affected and the consolidation of the Lodges so voting in favor of same shall become effective from date of such approval.

(d) The name of the new or consolidated Lodge may be the name and number of either of the Lodges participating in the consolidation, or a combination name derived from the names of the Lodges participating, and shall be selected or agreed upon by a majority vote of the membership of the new or consolidated Lodge at the first Stated Communication of said Lodge held after said consolidation becomes effective. However, the Lodges participating in the consolidation may propose a name and number for the new or consolidated Lodge by including same in said proposed Resolution of consolidation, and in the event said name and number is so specified and said Resolution becomes effective, the name and number so specified in said Resolution shall be the name and number of said new or consolidated Lodge. If the membership of said new or consolidated Lodge does not agree upon a new name and number for said Lodge, or desire to do so, the selection of a name and number for said Lodge may be referred to the Grand Master for his decision.

(e) When said consolidation becomes effective, a new Charter shall be issued reciting the fact of such consolidation and the name and number of said Lodge. No fee shall be payable therefor.

(f) The Charters and Seals of the consolidating Lodges shall be surrendered to the Grand Secretary. The new or consolidated Lodge shall acquire the title to all funds and the property of said consolidating Lodges, and shall assume responsibility for all Grand Lodge dues and assessments and all other debts and liabilities of the consolidating Lodges.

(g) All members of the consolidating Lodges shall upon said consolidation becoming effective automatically become members of the consolidated Lodge, and subject to the jurisdiction thereof.

(h) Nothing herein contained shall vary or affect the right of a member in good standing of any of the Lodges concerned in said consolidation to demand his dimit at any time from his Lodge of original membership prior to the effective date of said consolidation, or from said consolidated Lodge after the date of said consolidation. Any such demand must be made conformably to the requirements of the Laws, Rules, and Regulations of the Grand Lodge of Florida.

(i) The terms of all Officers of the consolidating Lodges shall terminate as of the date when such consolidation is effective, and the Masters and Wardens of such Lodge shall be considered as having served the full term of their respective offices.

(j) At the first Stated Communication of said Consolidated Lodge, the Grand Master, District Deputy Grand Master, or the Master of the oldest Lodge concerned, shall open a Lodge of Master Masons and hold an election for Officers of said Consolidated Lodge. The Appointive Officers shall be named, Officers installed, By-Laws proposed, and all other organization details attended to conformably to the Laws and Regulations of this Grand Jurisdiction. The Officers so elected and appointed for said Consolidated Lodge shall serve until the end of the current Masonic year and at the end of said year shall be deemed and considered to have served a full regular term in said offices.

(b) The foregoing Resolution shall be prepared and signed by a majority of the Elected Officers of each of the Lodges involved and, after due notice to the Craft, shall be presented to all involved Lodges for approval by majority vote of those present at a Stated Communication. It shall then be presented to the Grand Master on or before the proposed date for such presentation specified in the Resolution.

(c) The Grand Master shall review the Resolution and enter such order thereon as he may be advised, either approving or disapproving the Resolution or approving it with modification or with additional provisions, including a new schedule for progress of the proposed merger.

(d) Upon approval by the Grand Master, the Resolution shall be read to the Lodges involved at a Stated Communication and if approved by majority vote of the members present and voting in each Lodge, the Resolution shall be laid over in each of such Lodges for not less than one month nor more than two months, and if upon due notice it is adopted by three-fourths (3/4) vote of the members present and voting at a Stated Communication of each Lodge involved in the merger, the proceedings for merger shall progress as specified in the order of the Grand Master.

(e) Nothing herein shall be construed to vary or affect the right of a member in good standing and any of the Lodges involved in the merger to demand and receive his dimit or transfer certificate at any time in accordance with the Constitution and Regulations of the Grand Lodge.

(f) Upon the merger being fully effective, the members of the merging Lodge or Lodges shall automatically be and become members of the Lodge into which the other Lodges are merged with the same rights and privileges they enjoyed in the merging Lodge or Lodges.

(g) Upon completion of the procedure for merger, the Charter of the merging Lodge or Lodges shall be surrendered to the Grand Lodge and such Charter or Charters shall be deemed recalled and revoked.

(h) A copy of the Resolution and a statement of the proceedings shall be filed with the Grand Secretary at the time of surrender of the Charter or Charters, and then presented to all involved Lodges for approval, by majority vote, at a stated meeting and due notice to the Craft. It shall then be presented to the Grand Master on or before proposed date for such presentation specified in the Resolution. (1991)

CHAPTER 17.

PARTICULAR LODGES—CHARTERS

GENERAL PROVISIONS

Constitutional Provisions

The Grand Lodge has the power to constitute new Lodges, and grant Charters or Warrants of Constitution for the same, and has the supervision and approval of the By-Laws of the Particular Lodges, and therefore may adopt a Uniform Code of By-Laws for their government, *Provided*, that local Regulations for the benefit of the Craft be not interfered with. (Art. V, Sec. 4).

The Grand Lodge has the power to suspend the Charter of any of the Particular Lodges, or of arresting or withdrawing the Charter of any of the Particular Lodges for good cause shown; and when a Lodge forfeits or surrenders its Charter, the Grand Lodge succeeds to all its Furniture, Jewels, funds, books, papers, and other property, and may appoint some proper Officer to take charge of the same for the benefit of the Craft; *Provided*, that when the Charter of a Lodge is restored, all its Furniture, Jewels, books, papers, and other property, shall also be restored. (Art. V, Sec. 5).

GRANT OF CHARTER

Regulations

17.01 A Charter for the establishment of a Lodge can be granted only by the Grand Lodge in Annual Grand Communication, and the Master and Wardens must be duly installed before they proceed to work.

LOST, STOLEN, OR DESTROYED CHARTERS

Regulations

17.02 When a Charter is lost or destroyed, the Grand Master may order a certified copy thereof to be issued in lieu of the original. (As to forfeiture of Charter see Constitution, Article X, Section 22).

References

SURRENDER OF CHARTER

Regulations

17.03 Charters of the Particular Lodges may be surrendered to the Grand Secretary by vote of the Lodge for safekeeping, and a duplicate or certified copy of the Charter issued to the Lodge, when directed by the Grand Master. A fee in the amount of the actual cost thereof shall be paid to the Grand Secretary's Office for its services in this connection for the use of the Grand Lodge. (1985)

17.04 The Charter of a Lodge may be surrendered in the following manner: Motion to that effect may be made at a Stated Communication of the Lodge. The motion must then lie over for a final action at succeeding Stated Communication. Within two days from the time of the making of the motion, the Secretary shall mail to each and every member a notice that motion has been made for the surrender of the Charter of such Lodge, and that said motion will be voted on at the next Stated Communication of the Lodge, naming the day and hour when said Communication will be held. At such Communication, the motion shall be submitted to the Lodge, and if a majority of the members present vote in favor of the surrender, said surrender shall take place. If for any reason the Master defers voting upon such motion, the members shall be given additional notice of the Stated Communication when said motion will be submitted for a vote of the Lodge.

Rulings and Decisions

Regulation 17.03 provides procedure for depositing with the Grand Secretary of original Charter and securing duplicate or certified copy for use in the Lodge. In view of

this provision of our law, action by a Lodge to make photostats of original Charter and deposit original Charter in deposit box in local bank would be improper. (1959 Proc. 52, 164).

The Master of a Lodge cannot arbitrarily disband a Lodge and surrender its Charter. Reg. 20.16.

ARREST OR FORFEITURE OF CHARTER RESTORATION THEREOF

Constitutional Provisions

The Master and Wardens of a Lodge cannot be tried by the Lodge; but complaint may be made against them or either of them to the Grand Master by not less than seven members of the Lodge, and he may investigate the matter, and file charges or direct that charges be filed for Grand Lodge Trial as provided by Grand Lodge Regulations. The Grand Master may suspend the accused from office pending trial of the charges. (Art. X, Sec. 5). (1985)

Every Lodge must make full and complete Returns of the proceedings annually to the Grand Lodge, with the names of its Officers and members, and a statement of all dues, signed by the Master, and countersigned by the Secretary, under the Seal of the Lodge; and without such Returns made, and payment or remission of all dues, no Lodge shall be entitled to representation in the Grand Lodge. And every Lodge failing to be represented in the Grand Lodge for two consecutive years shall forfeit its Charter; *Provided*, that if such defaulting Lodge shall, on or before the next Annual Communication, make full Returns and payment of dues to the Grand Secretary, and satisfactory explanation to the Grand Lodge, or in the recess to the Grand Master, such forfeiture shall be released and the Lodge restored to its regular standing. (Art. X, Sec. 22).

Regulations

17.05 When a Lodge is in contempt its Charter may be arrested.

17.06 When a Lodge fails to make Returns to the Grand Secretary for two consecutive years and two Annual Grand Communications have been convened, the Charter is forfeited, but may be restored for good cause.

17.07 When a Lodge surrenders its Charter and twelve or more Master Masons petition for the restoration of said Charter, the Grand Lodge or its authority, upon being satisfied from the facts and reasons set forth that the best interests of Masonry will thereby be served, will

grant the prayer of the petitioners, and the authority restoring the Charter will make provisions for officering the Lodge.

17.08 When the Charter of a defunct Lodge is restored, such restoration reinstates to membership only the petitioners therefor.

17.09 After a Particular Lodge has remained defunct for five (5) years, the reestablishment of a Particular Lodge in that jurisdiction shall be by petition for U.D. Lodge.

Rulings and Decisions

When John F. Dunn Lodge No. 82 merged with Marion Lodge No. 19 and took the name Marion-Dunn Lodge No. 19, Dunn Lodge No. 82 ceased to exist and the Charter to John F. Dunn Lodge No. 82 had no further validity and the act of the Grand Secretary in endorsing the action of the Grand Lodge on the Dunn Lodge Charter was merely a recital of a historical fact. The Charter of Marion Lodge No. 19 endorsed by the Grand Secretary in 1900 is the valid and existing Charter of Marion-Dunn Lodge No. 19. (1983 Proc. 115)

CHAPTER 18.

PARTICULAR LODGES-JURISDICTION

Constitutional Provisions

The Particular Lodges are the source and foundation of all Symbolic Masonry, and possess inherent rights and powers, sanctioned by immemorial custom and usage, which never can be changed or altered. (Art. X, Sec. 1).

TERRITORIAL

Constitutional Provisions

The Grand Lodge, shall, by regulation uniformly applicable to all Lodges prescribe, define, and regulate the jurisdiction of Lodges in regard to accepting and receiving petitions for the Degrees, administering Masonic justice and for all other purposes. (Art. X, Sec. 17).

Regulations

18.01 A Lodge has jurisdiction over the territory surrounding the Lodge and extending in every direction one-half the distance to the nearest Lodge. A Lodge having concurrent jurisdiction with other Lodges shall notify such other Lodges of reception of petitions for the Degrees and for affiliations and of acceptance or rejection of such petitions.

18.02 For purposes of receiving petitions for the Degrees, Lodges have concurrent jurisdiction as follows:

- (a) All Lodges meeting in the same building or Temple,
- (b) All Lodges in the same city, town or other incorporated area, and
- (c) All Lodges in the same Masonic District.

18.03 Any two or more Lodges with contiguous territories, without regard to boundaries of Masonic Districts or of cities, towns, or other incorporated areas, may enter into agreement for concurrent jurisdiction for reception of petitions for the Degrees, which agreement shall be in writing approved by adoption of appropriate Resolution at a Stated Communication of each Lodge by majority vote of members present and voting, and shall be effective upon approval by the Grand Master. Such agreement shall not be construed to impair, restrict, or limit the concurrent jurisdiction of a participating Lodge having concurrent jurisdiction with other Lodges under provisions of Regulation 18.02 nor shall such agreement be construed to enlarge the jurisdiction of Lodges not participating in such agreement.

Rulings and Decisions

City of Jacksonville is incorporated area embracing all territory of Duval County and all Lodges therein have concurrent jurisdiction. (1972 Proc. 52, 258).

Regardless of Masonic District lines, Lodges in corporate limits of Jacksonville have concurrent jurisdiction. (1952 Proc. 29).

Where petitioner lives nearer to other Lodges than the one he petitions, it is not necessary to secure waiver of both such Lodges but only to secure waiver of jurisdiction of Lodge having jurisdiction. (1946 Proc. 38).

A Lodge shall not use general Trestleboards or Bulletins to notify other Lodges of rejected petitions for any of the Degrees or affiliation. The notice shall be by sealed first class mail. (1980 Proc. 166).

Lodge Chartered in territory covered by concurrent jurisdictional agreement automatically becomes a party to the jurisdictional agreement. (1965 Proc. 196, 199).

Where a petitioner resides in concurrent jurisdiction of two or more Lodges and petitions a Lodge outside of said concurrent jurisdiction, waiver of jurisdiction is required only from Lodge nearest residence of the Petitioner. In the event two or more Lodges meet at a place nearest the residence of the petitioner, waiver should be secured from either of such Lodges. (1966 Proc. 247).

NEW LODGES

Constitutional Provisions

(1) The Grand Lodge is clothed with the power of constituting new Lodges upon the Petition of not less than twenty (20) Master Masons. But no Dispensation nor Charter shall issue to a Lodge except upon written consent of the Lodge nearest the place where the new Lodge is to be located and Certificate of the Committee on Work or its duly authorized representative that the officers and membership of the new Lodge are qualified and capable of conferring the Degrees of Freemasonry.

In the event that two or more Lodges meet at the place nearest the location of the new Lodge, the consent of any one of such Lodges shall be sufficient. (Art. VII, Sec. 1).

Regulations

18.04 A new Lodge will not be established within the jurisdiction of a Chartered Lodge against its consent (Constitution, Article VII, Section 1), but the Grand Lodge may recommend a favorable consideration of the subject.

References

As to Jurisdiction of U.D. Lodges, See Chapter 42.

PERSONAL

Regulations

18.05 When a Lodge lawfully assumes original jurisdiction, it cannot be rudely divested thereof; therefore, no Lodge can lawfully finish work begun by another surviving Lodge without its consent. Jurisdiction may be waived.

18.06 If an Entered Apprentice of a Florida Lodge removes into another Grand Jurisdiction where a similar rule prevails, or into the jurisdiction of another Lodge in Florida, and wishes to receive

the Fellow Craft Degree where he is, without a desire to transfer his membership or secure his dimit, he should petition his Lodge to request the Lodge in whose jurisdiction he resides to instruct him in the catechism of the Entered Apprentice Degree, and when proficient to confer the Fellow Craft Degree as a courtesy to that Lodge. The same rule applies for advancement to the Master Mason Degree, but one month's time must elapse or intervene between the time of conferring the different Degrees. When the Master Mason Degree is thus conferred the recipient is a member of the Lodge of original jurisdiction. The above rule would not apply to candidates of another Grand Jurisdiction, which did not require that one month's time elapse between the time of conferring the different Degrees, under the law. In such case this Grand Jurisdiction will respect the law of the Sister Grand Jurisdiction. A petitioner who has been elected to receive the Degrees may also receive the Entered Apprentice Degree by courtesy. (1985)

18.07 The Grand Lodge of Florida claims jurisdiction for its Particular Lodges over the rejected applicants of said Lodges removing to other Grand Jurisdictions, for one year from the date of rejection.

18.08 There can be no waiver of jurisdiction by a Lodge over a non-Mason who has permanently removed, even recently, to another jurisdiction. The jurisdiction ceases immediately upon a removal intended to be permanent.

Rulings and Decisions

A Lodge jurisdiction over non-Mason ceases instantly when he permanently moves out of its jurisdiction. (1942 Proc. 46).

There can be no waiver of jurisdiction by a Lodge over a non-Mason who has permanently removed, even recently to another jurisdiction. The jurisdiction ceases immediately upon removal intended to be permanent. (1962 Proc. 81, 296).

PARTICULAR LODGES—OFFICERS

GENERAL PROVISIONS

Constitutional Provisions

The Officers of a Lodge are the Worshipful Master, Senior Warden, Junior Warden, Treasurer, and Secretary, who must be elected by ballot, and a majority of all the votes cast is necessary to a choice and shall have a current paid dues card for the forthcoming year, or a receipt for the same, prior to installation. The Subordinate Officers are the Senior Deacon, Junior Deacon, Senior and Junior Stewards, and Tyler, who are appointed by the Worshipful Master, but the Senior Warden has the nomination of the Junior Deacon; and the Worshipful Master may also appoint a Chaplain and a Marshal. (Art. X, Sec. 2). (1997)

ELIGIBILITY

Regulations

19.01 In former times no one was eligible to serve a Lodge as its Worshipful Master but the Master, an actual Past Master, a Warden, or Past Warden, but the Grand Lodge of Florida has ruled that a Lodge is the judge of the competency of its own members, and is authorized to elect its Master from the body of the Lodge.

19.02 Every Officer of a Lodge must be a member thereof, except the Musician and Tyler, and he must be a member of some Lodge. (2005)

19.03 No Brother shall be elected or appointed to any office while under charge of unmasonic conduct.

19.03.1 Every Elected Officer shall have a current paid dues card for the forthcoming year, or a receipt for the same, prior to installation. (1997)

Rulings and Decisions

Any member of a Lodge in good standing is eligible to be elected to Lodge offices regardless of where he lives. (1951 Proc. 27).

Offices of Secretary and Treasurer can not be held by one person. (1944 Proc. 34, 100).

Since Article X, Section 2 of the Constitution, specifies who are to be the Officers of a Lodge and no provision is made therein for Assistant Treasurer, permission to elect an Assistant Treasurer is denied. (1959 Proc. 51-52; 164).

The Subordinate Officers, who are the Senior Deacon, Junior Deacon, Senior Steward, Junior Steward, Chaplain, Marshal, Organist, and Tyler, who are appointed by the Worshipful Master, shall also have a current paid dues card for the forthcoming year, or a receipt for the same, prior to installation. (2011 Proc. 142)

ELECTION AND APPOINTMENT

Constitutional Provisions

The election and appointment of the Officers of Lodges shall take place at the first Stated Communication in December of each year and such Officers shall be installed on the anniversary of Saint John the Evangelist, or as soon thereafter as practical, and the Officers so elected and installed shall continue in office for one year

and until their successors are duly elected and installed; *Provided*, that if, from any cause, there should be no election at the time appointed for the annual election, it shall be the duty of the Worshipful Master to order an election at any time before or on the anniversary of Saint John the Evangelist. (Art. X, Sec. 4).

Rulings and Decisions

Section 2 of Article X of the Constitution requires that Lodge Officers be elected by ballot. An election of the Officers of the Lodge or any of them by a show of hands, acclamation, or any other means other than secret ballot renders the election void and offices will be declared vacant if the improperly Elected Officers have been installed. (1966 Proc. 246).

Regulations

19.04 Dispensations cannot be issued to Lodges to hold their annual election of Officers prior to their first Stated Communication in December, nor to install their Officers prior to December 27th, since both are prohibited by Article X, Section 4 of the Constitution.

References

Grand Master may grant Dispensation for election of Officers in the following cases:

- (b) When election did not take place as provided in Const. Art. X, Sec. 4.
- (c) When Officer-elect remains permanently beyond the Lodge jurisdiction.
- (d) When elective Officer declines installation and one cannot be elected before December 27.
- (e) To fill vacancies in elective offices. Reg. 6.11.

Regulations

19.05 The Master-elect of a Lodge, and not the retiring Master, has the sole right to appoint all the Officers who are to serve under him, the Senior Warden nominating the Junior Deacon.

References

The Lodge Secretary shall certify names of newly Elected Officers to the Grand Secretary. Reg. 22.03.

Rulings and Decisions

Lodge Officers can not be elected before first Stated Communication in December but may be elected any time up to December 27, but if election is not held during that period, Dispensation to hold election is necessary. (1942 Proc. 54).

Vacancy in office of Lodge Treasurer may be filled pro tempore by Worshipful Master, but the Lodge may request Dispensation to fill the vacancy by election. (1959 Proc. 54, 160).

INSTALLATION

Constitutional Provisions

The last Master, or any Past Master of a Lodge, can install the Master-elect and he then can install the other Officers, but when the Grand Master, or Deputy Grand Master, or one of the District Deputy Grand Masters is present, it is his privilege to install the Officers. (Art. X, Sec. 9).

Regulations

19.06 It is not necessary for an Officer re-elected to be re-installed, unless a term has intervened.

19.07 The Master and Wardens-elect may decline installation, but they cannot resign after being installed unless for good and sufficient reasons the Most Worshipful Grand Master has granted permission for his resignation. (1997)

19.08 The Officers-elect of a Lodge may be installed at a Called Communication, when duly called for that purpose.

19.09 Public installation of Officers may hereafter be held by the Lodges in their territorial jurisdictions without Dispensation.

19.10 The Worshipful Master, any Constitutional Acting Master, or any Past Master may install a Master-elect, but the Master-elect must be installed prior to installation of the other Officers.

19.11 When a Brother has been duly elected to an office in a Lodge, installation cannot be refused upon the ground of an alleged pecuniary liability to the Lodge, unless charges be preferred.

19.11.1 A regularly elected and installed Worshipful Master shall be accorded Grand Honors at the time of installation. No Grand Honors shall be accorded the Worshipful Master during public ceremonies of installation but when the Lodge resumes labor after guests and friends have retired from the Lodge Room private Grand Honors shall be accorded the newly installed Worshipful Master.

References

A regularly elected Master is entitled to Grand Honors at time of his installation. Reg. 5.04.

Rulings and Decisions

Any elected Officer of a Lodge has a clear right to refuse installation and when such refusal is made, the proper procedure is to request Dispensation to hold a special election to fill the office. (1954 Proc. 70).

Public installation of Officers may be held without Dispensation. (1942 Proc. 55).

It is permissible to use aprons, Jewels, and other Lodge paraphernalia in public installation ceremonies. (1954 Proc. 70).

No business or ceremony of any kind is permitted at public meetings other than installation of Officers. (1952 Proc. 32).

Installation of Officers on December 16 is irregular and proceedings shall abate. (1942 Proc. 55).

It is not the intent of our laws to permit the installation of any Lodge Officer by proxy. (1954 Proc. 59).

Worshipful Master may be installed at home or in hospital when confined thereto because of illness on regular date for installation if the Lodge so desires. (1960 Proc. 124).

Only a Master Mason may take an active part in the Installation Ceremony of the Elected or Appointed Lodge Officers. It shall be the installing Marshal's duty to invest the Officers to be installed with the insignia of his office. (2012 Proc. 143-144)

**TERM, RESIGNATION, SUSPENSION, VACANCIES,
AND SUCCESSION IN OFFICE****Constitutional Provisions**

The Master and Wardens of a Lodge cannot resign during the year for which they are elected and installed unless for good and sufficient reasons the Most Worshipful Grand Master has granted permission for his resignation. All requests for resignation must be received in writing by the Most Worshipful Grand Master. If by death, removal from the jurisdiction, or other cause, the Master becomes incapable to perform the duties of his office, the Senior Warden succeeds to all powers, duties and responsibilities of the Master, and the Senior Warden's place in the West must be filled by pro tempore appointment, from time to time; and if from any of the like causes the Master and Senior Warden should both be rendered incapable of performing the duties of Master of the Lodge, then the Junior Warden succeeds to all the powers, duties and responsibilities of the Master, and the South must be filled, from time to time, by pro tempore appointment. But the Junior Warden cannot succeed to the seat in the West, when vacant, by absence of the Senior Warden. (Art. X, Sec. 11). (1997)

The election and appointment of the Officers of Lodges shall take place at the first Stated Communication in December of each year and such Officers shall be installed on the anniversary of Saint John the Evangelist, or as soon thereafter as practical, and the Officers so elected and installed shall continue in office for one year and until their successors are duly elected and installed; *Provided*, That if, from any cause there should be no election at the time appointed for the annual election, it shall be the duty of the Worshipful Master to order an election at any time before or on the anniversary of Saint John the Evangelist. (Art. X, Sec. 4).

The Master and Wardens of a Lodge cannot be tried by the Lodge; but complaint may be made against them or either of them to the Grand Master by not less than seven members of the Lodge, and he may investigate the matter, and file charges or direct that charges be filed for Grand Lodge Trial as provided by Grand Lodge Regulations. The Grand Master may suspend the accused from office pending trial of the charges. (Art. X, Sec. 5) (1985)

Regulations

19.12 A Particular Lodge does not have jurisdiction to conduct trial of its Worshipful Master and Wardens in office but charges may be filed against any of them as provided in Regulation 44.77. If the Grand Master shall determine that the charges are in proper form and state an offense against Masonic Law and enters order for Trial Commission as provided in Regulation 44.77, he may in his discretion, suspend the accused from office pending trial and disposition of the charges.

A Particular Lodge has penal jurisdiction over all of its other Officers. (1982)

19.13 Art. X, Sec. 21 of the Constitution, provides that any member of a Lodge can dimit, but Art. X, Sec. 11 makes a distinction between members and Masters and Wardens by inhibiting the resignation of Masters and Wardens during their term of office, and as dimitting has the same force as resigning, so far as giving up office is concerned, it logically follows that Masters and Wardens cannot dimit.

19.14 The term of office begins with installation and terminates only by regular succession, death, Constitutional removal from office, or Constitutional suspension or expulsion from the Lodge, permanent removal from the Lodge jurisdiction, and forfeiture of Charter.

Any officer of the Lodge except the Worshipful Master, Senior Warden, and Junior Warden may resign with the consent of the Lodge. Appointive officers of the Lodge may be removed from office by the Worshipful Master for good cause after notice to the officer and the consent or approval of the Lodge.

19.15 Permanent removal from the jurisdiction vacates any office, but does not forfeit membership.

19.16 The offices of Master, Grand Master, Deputy Grand Master, and District Deputy Grand Master are clearly incompatible with each other and therefore, no two of them can be held by an individual at one and the same time. If a Brother holding any of said offices accepts either of the others, such acceptance is a surrender of the office so held, and it at once becomes vacant.

19.17 The continuous absence of the Master of a Lodge from its jurisdiction is not sufficient ground for his removal from office. In his absence, the Senior and Junior Wardens, in succession, become Master pro tem, and succeed to the duties of the office.

19.18 The Master of a Chartered Lodge cannot be a petitioner of a Lodge U.D.

19.19 The Master and Wardens of a Particular Lodge cannot resign during the year for which they are elected and installed unless for good and sufficient reasons the Most Worshipful Grand Master has granted permission for his resignation. If by death, removal from the jurisdiction of the Lodge, or other causes, the Master becomes incapable to perform the duties of the office, the Senior Warden and in succession the Junior Warden succeeds to all the powers, duties and responsibilities of the Master, and the Senior Warden's place or the Junior Warden's place must be filled by pro tempore appointment from time to time. The Junior Warden cannot succeed to the seat in the West when vacant by the absence of the Senior Warden. Under Article VI, Section 4 of the Constitution, the Grand Master may allow the Lodge to elect a Worshipful Master and fill any vacancies caused thereby if deemed for the good of Masonry. (1997)

19.20 Vacancies in elective offices (except Worshipful Master), can be permanently filled only by Dispensation, but the Master may make pro tempore appointments from time to time.

19.21 When a vacancy occurs in the office of Senior or Junior Warden, the station may be filled pro tempore from time to time, or the Grand Master may be asked to grant a Dispensation to elect a successor for the unexpired term.

19.22 The offices of Master and Grand Master are never vacant, for succession being instant, there is no interim.

Rulings and Decisions

Temporary absence of Senior Warden from Jurisdiction does not affect his status as Senior Warden. (1944 Proc. 34).

Vacancy in office of Lodge Treasurer may be filled pro tempore by Worshipful Master until next annual election but, by Dispensation, Lodge may hold election to fill such vacancy. (1943 Proc. 77).

Master of Lodge is without authority to remove Junior Warden and likewise without authority to submit question of removal of Junior Warden from office to the members of the Lodge. (1955 Proc. 131).

When the Master of a Lodge regularly elected and installed removes himself permanently from the jurisdiction of the Lodge prior to expiration of his term, and thus vacates the office of Master, he is nevertheless entitled to recognition as and privileges

of a Past Master and may receive Past Master's degree at Grand Lodge. (1961 Proc. 162, 168, 319).

Senior Warden who succeeds to powers and duties of Master when office of Master is vacated, does not succeed to office of Worshipful Master and is not entitled to receive Past Master's Degree nor receive honors and privileges of Past Master. (1961 Proc. 162, 168, 320).

(Removed as obsolete.) (1997)

In all applications for Dispensation to hold election to fill vacancy created by permanent removal of Lodge Officer from Lodge Jurisdiction, the Lodge should by appropriate letter or certificate signed by the Master and Secretary over the Seal of the Lodge, certify to the Grand Master the facts that created the vacancy. (1970 Proc. 58, 284-285).

POWERS AND DUTIES

LODGE BUSINESS AND WORK

Constitutional Provisions

The Master is supreme in his Lodge and must be held to worship. No appeal can be taken from his decision, nor call for the previous question, nor motion to adjourn, can be entertained. (Art. X, Sec. 6).

Besides the duties inculcated by the unwritten law, and the installation ceremonies, which every Mason should understand, remember and faithfully perform, there are duties required by the Constitution, of the Worshipful Master, the Wardens, the Treasurer, and Secretary which cannot be neglected without being liable to Masonic censure. (Art. X, Sec. 8).

Regulations

20.01 The Master is supreme in the Lodge, from whose decision an appeal cannot be taken to the Lodge. (Art. X, Sec. 6).

20.02 The Worshipful Master must be held to worship by the Brethren and be implicitly obeyed in every legitimate official order.

20.03 The Worshipful Master is limited in his official authority only by his installation vows and Charges, the Constitution, Resolutions, and Edicts of the Grand Lodge, the Rules and Regulations of his Lodge, and the ancient established usages and customs of the Fraternity.

20.04 The Master's expressed "will and pleasure" is absolute law in his Lodge; yet he should preside, not haughtily, but with dignity, courtesy, and affability.

20.05 The Worshipful Master guides and controls all the work and business of the Lodge, opens, closes, dispenses, calls off, and calls on at his pleasure.

20.06 The Master has absolute and supreme control over the work of the Lodge, and when there are two or more applicants for the same Degree elected and waiting at the same time, it is his discretion to direct which shall have precedence.

20.07 The Worshipful Master cannot order the removal of a disorderly Brother from the Lodge, but may instantly "cease labor" until harmony be restored.

20.08 It is the prerogative and duty of the Worshipful Master to postpone the transaction of any Lodge business when, from small attendance of the members, or other good reason, the interests of the Craft require it; but, ordinarily, the business should not be delayed solely on account of small attendance.

20.09 In all matters of extraordinary import there should be a full attendance of the members of the Lodge before final action, and the Worshipful Master should not permit such matters to be hurriedly disposed of by a minority of its members.

20.10 When any Lodge proceedings are found to be irregular, they shall abate, by order of the Master; but such abatement does not bar any subsequent regular proceedings upon the same subject.

20.11 If any Brother deems Lodge proceedings irregular, he should in the first instance call them to the attention of the Master, whose duty it is to order irregular proceedings to abate. An application should not be made to the Grand Master until the Master has first had an opportunity to rule upon the question.

20.12 Smoking in a Lodge Room is prohibited while the Great Lights are open on the Altar.

20.13 The Master cannot delegate his authority to a Past Master to preside in his absence, for the Senior Warden, or in his absence, the Junior Warden, presides.

The Grand Secretary shall furnish the surety company information in respect to Lodges and Officers and other information that may be requested by the surety company. Cost of said bond shall be paid from appropriate funds of the Grand Lodge. (1980)

Rulings and Decisions

Offices of Secretary and of Treasurer can not be held by one person. (1944 Proc. 34, 100).

DUTIES

Regulations

22.02 The Treasurer is the custodian of the funds of the Lodge, even when only held in trust, therefore, the Secretary should promptly turn over to the Treasurer all moneys received by him for fees.

22.03 It shall be the duty of the Secretary of each Lodge to certify to the Grand Secretary the names of the newly elected Officers thereof immediately after their election.

22.04 The Secretaries of Particular Lodges are prohibited from furnishing lists or parts of lists of the members of their Lodges for any purpose, unless with the approval of the Grand Master, *provided* the Secretaries of the Particular Lodges, upon direction of the Worshipful Master may provide to an appropriate telephone committee names and telephone numbers of the members of the Lodge for courtesy calls, to establish the status of their health and welfare, or to attend meetings or other Lodge activities, also, provided that Secretaries may provide to the Worshipful Master, upon his request, a list of all members including their names, addresses, and telephone numbers. It shall be construed as unmasonic conduct for solicitation of the members to be made for any private or commercial activity. (2001)

22.05 The Grand Secretary and the Secretaries of the Particular Lodges, upon request therefor, may provide to appropriate officers of appendant, allied, or affiliated orders and organizations lists of names of persons that for any reason have been removed from the Lodge roll of members and the reason for such removal and such other lists of members as may be approved by the Grand Master.

If any appendant, allied, or affiliated order or organization wherein membership is predicated upon Masonic membership or relationship to a Mason shall willfully carry on its roll of members a Mason not in good standing in a Particular Lodge of this Grand Jurisdiction, or a Grand Jurisdiction recognized by the Grand Lodge of Florida, the same shall constitute grounds for investigation by the Grand Master and report to the Grand Lodge for consideration as to continued recognition of such appendant, allied, or affiliated order or organization.

22.06 The Secretary of each Particular Lodge shall mail to each member of the Lodge a statement of dues and assessments due to the Lodge between October 15 and December 1, on notices furnished by the Grand Lodge or on printed notices approved by the Most Worshipful Grand Master which shall include voluntary contributions of two cents a day to the Masonic Home Endowment Fund - \$7.30. (2009)

22.07 Each Particular Lodge shall file return of funds collected for the "Let Your Pennies Make Good Cents" program on forms presented by the Grand Lodge for the following periods. The first period of each year shall begin January 1, extend through months of January, February, and March; the second period of each year shall begin April 1 and extend through the months of April, May, and June; the third period of each year shall begin July 1 and extend through months of July, August, and September; and the fourth and closing period of each year shall begin October 1 of each year and extend through months of October, November, and December.

The Grand Secretary shall mail period return forms in duplicate to the Particular Lodges at least thirty (30) days before end of each period and other forms shall be mailed at least thirty (30) days before expiration of the period of time to which such forms relate.

The Particular Lodges shall file period returns and closing period return within fifteen (15) days after end of such periods and file year summary return at same time as filing closing period return. (1984)

22.08 When a Particular Lodge is required by any State or Federal law to comply with or make any report or return to any State or Federal agency, the Secretary of the Lodge shall furnish a copy of such report or return to the Grand Secretary at least thirty (30) days prior to the final date of filing of such report or return to the State or Federal agency. If any Particular Lodge is within the class required to file any such report and return but is exempted therefrom, the Secretary of the Lodge shall furnish to the Grand Secretary evidence supporting such exemption, which evidence shall be filed with the Grand Secretary at least thirty (30) days before the final date for filing of the report or return.

The Worshipful Master of each Lodge shall be responsible for enforcement of this Regulation and failure of the Worshipful Master or the Secretary to comply with the provisions of this Regulation shall subject them and each of them to Masonic Discipline.

22.09 The Lodge is the judge of eligibility of a petitioner for the Degrees and of an applicant for affiliation, and the Secretary of the Lodge shall accept for presentation to the Lodge each, every, and all properly completed petitions for the Degrees, and each, every, and all properly completed applications for affiliation without regard to the Secretary's opinion as to eligibility of the petitioner or applicant.

Rulings and Decisions

Repealed (1996)

Permission may be granted by Grand Master to a print roster of names without addresses for distribution to members of Lodge. (1952 Proc. 34).

Repealed (1996)

Secretaries of Lodges are not permitted to furnish lists of members to Scottish Rite Bodies. Scottish Rite officials should consult with the Grand Secretary as to status of any member in question. (1941 Proc. 79).

The Secretary of the Lodge is the custodian of the records of the Lodge and should retain custody and control of a petition when it is received by the Lodge during the period of investigation. (1954 Proc. 63).

The Secretary is the custodian of all Lodge records and is responsible for the safekeeping thereof, and if in his judgment the storage or a portion of the records of the Lodge in a fireproof vault in the local bank is necessary and advisable, he has authority so to do with the approval of the Lodge. The Lodge may properly pay the cost of such storage upon the recommendation of the Secretary. (1959 Proc. 53, 164).

It is proper for Lodge to furnish list of membership with names and addresses to an appropriate Committee for use in soliciting contributions from the membership to pay for property purchased for Lodge purposes. (1961 Proc. 317).

Regulation 22.06 regarding mailing out statements for dues does not apply to Memorial Lodges. (1962 Proc. 82, 296).

It would be improper for the Grand Master to authorize Lodge Secretaries to furnish lists of Lodge members and their addresses for use in soliciting membership in a Masonic Widows Fund. (1964 Proc. 66, 268).

Permission was properly denied Lodge to turn over lists of names and addresses of members to an unspecified company for purposes of having addressograph plates made. (1966 Proc. 246).

Considering Rulings and Decisions on page 197, Digest of Masonic Law and our present Regulations, it is my Ruling that the Secretary is the sole custodian of all Lodge records and that none other than the Secretary have “unobstructed” access and control of said records. However, it will be the responsibility of the Secretary to furnish or provide access to Lodge records to **ONLY** the Worshipful Master upon request. Access shall be in the presence of the Secretary or his personal representative, i.e.: the District Deputy Grand Master, a Past District Deputy Grand Master, or a Past Master of his Lodge. Proper instructions will be provided by the Secretary for accountability in case of incapacity of the Secretary or during his absence from the jurisdiction, but under conditions as stated above. Security and safekeeping of the records will be determined by the Secretary. January 8, 1985. (1985 Proc. 92)

The membership number used to average donations to determine the individual membership contribution of Particular Lodges shall be the total Lodge membership as shown on Annual Returns, including emeritus, life, fifty year and dual members. (1986 Proc. 72)

Rulings and Decisions

The purpose of the L.Y.P.M.G.C. program is to increase the Masonic Home Endowment Fund; so therefore, only contributions that are made to the Endowment Fund can be credited to a Lodge's total contribution in computing the L.Y.P.M.G.C. Awards. (1984 Proc. 116)

CHAPTER 23.

SUBORDINATE LODGE OFFICERS

As to Eligibility, Appointment, Installation, Term, Resignation, Removal, Vacancies in Office, Succession in Office, or Discipline of Subordinate Officers, See Chapter 19.

GENERAL PROVISIONS

Constitutional Provisions

The Subordinate Officers of a Lodge are: Senior Deacon, Junior Deacon, Senior and Junior Stewards, and Tyler, and if the Master desires a Chaplain and a Marshal. (Art. X, Sec. 2; Chapter 5).

CHAPLAIN

Regulations

23.01 The proper position of a Lodge Chaplain is to the left and in front of the Worshipful Master, corresponding to that of the Grand Marshal, in the Grand Lodge.

Rulings and Decisions

It should be the prerogative and discretion of the Worshipful Master the custom of the Lodge, as to the place where the Chaplain should offer prayer, except during Degree work. When putting on Degree work, it would be time consuming to have the Chaplain go to the Altar after each Degree and also opening and closing the Lodge. (1962 Proc. 83, 296).

(a) By-Laws of all Particular Lodges in conflict or inconsistent with the Uniform Code were repealed by action of the Grand Lodge in adopting the Uniform Code of By-Laws.

(b) The Uniform Code of By-Laws became the By-Laws of all Particular Lodges upon its adoption by Grand Lodge and each Lodge should insert information relative to fees, dues, etc., in the blanks in the Uniform Code; and, with the blanks in the Uniform Code thus filled in, the Uniform Code became the By-Laws of the Particular Lodges, together with such By-Laws of the Lodge as had been regularly adopted and were not in conflict or inconsistent with the provisions of the Uniform Code.

(c) The adoption of Section 5.01 of the By-Laws in blank did not have the effect of leaving any Lodge without a regular meeting time. The Uniform Code contemplated that each Particular Lodge would fill in the blanks in the Uniform Code with the information contained in their old By-Laws and that the Uniform Code, with such insertions, became the By-Laws of each Particular Lodge. (1959 Proc. 56, 164)

The Uniform Code of By-Laws may be translated into Spanish, published, and copies furnished to Spanish speaking members of the Lodge, but the official By-Laws in the custody of the Secretary of the Lodge shall be in the English language and constitute the controlling law of the Lodge, and all amendments to the Uniform Code of By-Laws shall be submitted in the English language but the Lodge may also translate such amendments into the Spanish language for use of Spanish speaking members of the Lodge. (1964 Proc. 65-66, 268)

By-Law 10.06 is not in conflict with By-Laws 13.02 and 13.03 of Uniform Code of By-Laws which require all Lodge funds to be in custody of Lodge Treasurer including the Charity Fund. (1970 Proc. 55, 284)

If a member wants to purchase a Perpetual Membership he shall pay twenty (20) times the annual dues of his Lodge that is in effect on December 28th of that year. (1994 Proc. 101) (moved from pg. 243b)

The Lodge's By-Laws are binding upon a Perpetual Member and that enforcement for collection and/or penalty for non-payment of special assessments is the same as for basic dues. (2002 Proc. 101)

Honorary Perpetual Memberships require two separate actions: (1) the ballot for the Honorary Membership and (2) the purchase of the Perpetual Membership, which does not require a ballot. (2008 Proc. 106)

A Plural Member suspended or expelled for any cause from his Lodge of Original Membership shall automatically be suspended or expelled from all Florida Lodges in which he is affiliated. (2008 Proc. 106-107)

A Plural Member expelled or suspended for any cause other than non-payment of dues shall be automatically expelled or suspended from all Florida Lodges in which he is a member. (2008 Proc. 106-107)

A Plural Member suspended for non-payment of dues from a Lodge with which he is affiliated shall be automatically suspended from all Lodges with which he is affiliated but not from his Lodge of Original Membership. (2008 Proc. 106-107)

All Petitions requiring an investigation and a ball ballot, with the exception of a Petition for Plural Membership or a membership transfer from one Florida Lodge to another, require a Background Check. (2009 Proc. 121)

Any Lodge wishing to have an advance night for any purpose may do so at a Called Communication of the Lodge when called for that purpose. Or the Lodge may hold a practice night at the Lodge when wishing to demonstrate the proficiency of its Officers before advancing to the next highest Office. (2013 Proc. 131-132)

The terminology "twenty (20) times the annual dues of his Lodge at the time of application" shall be the amount as stated in the By-Laws effective the day the Grand Master signed the By-Law Amendment due on or before December 28th for the ensuing year. In making this Ruling and Decision I refer to the fact that dues are payable in advance on or before December 28th of each year so the rate referred to for dues would be the amount due on December 28th of the year the By-Law Amendment is signed by the Grand Master. (2014 Proc. 123)

CHAPTER 26.

MEMBERSHIP, RIGHTS, STATUS, AND DUTIES

MEMBERSHIP

DUAL MEMBERSHIP

Constitutional Provisions

Any upright Mason, on presentation of satisfactory evidence of his having paid all dues against him, and having regularly withdrawn from a Lodge from which he was last a member, may present a petition in writing, which must be vouched for by two (2) members of the Lodge, at a Stated Communication, and which must lie over at least one (1) month for the Brethren to make due inquiry into the character and standing of the petitioner; *Provided*, that any Particular Lodge of this Grand Jurisdiction may adopt a By-Law (subject to approval of the Grand Master), permitting a member in good standing of a Particular Lodge of a Grand Jurisdiction with which this Grand Lodge sustains fraternal relations to petition such particular Lodge for affiliation without dimitting from his home Lodge; in such petition all facts and circumstances upon which such petition is based, and the reasons for the dual membership thereby sought, shall be fully stated; upon the reception of such petition it shall take the usual course with respect to investigation and voting, and be subject to the same requirements as to vouchers, as a regular petition based upon a regular dimit; *provided*, That such petition for dual membership shall not be received from a Mason from a Grand Jurisdiction whose laws prohibit its members from becoming dual members.

If such petition for affiliation be voted upon favorably, such petitioner shall thereupon become a member of such Particular Lodge, vested with all the rights and privileges of membership, and be subject to the discipline of the Lodge, *provided further*, that upon the suspension, or expulsion, of such member by the Lodge of which he was a member prior to applying for dual membership as above provided for, such member shall be automatically suspended or expelled from the Particular Lodge of this Grand Jurisdiction with which he shall have affiliated; *provided further*, that in the event that a member receiving the privileges of dual membership in this Grand Jurisdiction shall take his dimit from his Lodge of original membership, it shall be his duty to place such dimit, and his full membership, in the Particular Lodge in this Grand Jurisdiction in which he shall have received the privileges of dual membership and upon his failure to do so, and satisfactory evidence having been presented to the Particular Lodge of such failure, it shall be the duty of such Particular Lodge to suspend such member from membership; *Provided further*, that the Grand Master of this Grand Jurisdiction may draft and promulgate such Regulations as he may find necessary and expedient

for the purpose of carrying the provisions of this section into effect, which Regulations shall be subject to the approval of the Grand Lodge, and subject to amendment and alteration from time to time, as in the case of other Regulations. (Art. X, Sec. 15(a)). (2005)

Any Particular Lodge of this Grand Jurisdiction may adopt a By-Law (subject to approval of the Grand Master) permitting a member in good standing of another Particular Lodge in Florida to petition such Particular Lodge for affiliation without dimitting from his home Lodge. In such petition all facts and circumstances upon which such petition is based, and the reasons for the plural membership thereby sought, shall be fully stated. Upon the reception of such petition it shall take the usual course with respect to investigation and voting, and be subject to the same requirements as to vouchers, as a regular petition based upon a regular dimit. If such petition for affiliation be voted upon favorably, such petitioner shall thereupon become a member of such Particular Lodge, vested with all the rights and privileges of membership, and be subject to the discipline of the Lodge, except, that such member shall not be eligible to be elected or appointed an officer in more than one Particular Lodge at one and the same time. And provided further, that upon suspension, or expulsion, of such member by any Lodge of which he was a member prior to applying for plural membership as above provided for, such member shall be automatically suspended or expelled from any other Particular Lodge of this Grand Jurisdiction with which he shall have affiliated. Provided further, that in the event that a member receiving the privileges of plural membership shall take his dimit from his Lodge of original membership, it shall be his duty to place such dimit, and his full membership, in a Particular Lodge in the Grand Jurisdiction in which he shall have received the privileges of plural membership; and upon his failure to do so, and satisfactory evidence having been presented to the Particular Lodge of such failure, it shall be the duty of such Particular Lodge to suspend such member from membership, provided further, that the Grand Master of this Grand Jurisdiction may draft and promulgate such Regulations as he may determine, which Regulations shall be subject to the approval of the Grand Lodge, and subject to amendment and alteration from time to time, as in the case of other Regulations (Art. X, Sec. 15(b)). (2001)

Regulations

26.01 Repealed.

26.02 Lodges with provision in their By-Laws for dual membership shall report all changes in status of such dual members at times and on forms provided by the Grand Secretary for such purpose.

26.03 Before signing a petition for membership in a Lodge in a foreign jurisdiction, a member of a Lodge in Florida shall secure his dimit from the Florida Lodge, and he remains a member of the Florida Lodge until he is regularly dimitted. (2001)

26.04 If a Dual Member dimit from his home Lodge and takes regular membership in a Florida Lodge during a year in which his dual membership dues have been paid to the Florida Lodge, the dues paid as a dual member shall be credited on his dues as a regular member.

A dual member in a Florida Lodge may withdraw from membership by requesting a withdrawal certificate. On the annual returns, the Lodge would show the member as having been issued a "Withdrawal Certificate." (1988)

26.04.1 Lodges with a provision in their By-Laws for plural membership shall report all changes in status of plural members at times and on forms provided by the Grand Secretary for such purpose. (2001)

26.04.2 If a plural member dimit from his home Lodge and takes regular membership in a Florida Lodge during the year in which his plural membership dues have been paid to the Florida Lodge, the dues paid as a plural member shall be credited on his dues as a regular member. A plural member in a Florida Lodge may withdraw from membership by requesting a withdrawal certificate. On the Annual Returns, the Lodge would show the member as having been issued a "Withdrawal Certificate." (2001)

Rulings and Decisions

Members of a Lodge in this Grand Jurisdiction are permitted to petition for dual membership in Lodges of another Grand Jurisdiction where such dual membership is permitted. (1947 Proc. 34)

When a dual member takes his dimit from his Lodge of original membership and places it in the Lodge of dual membership, he automatically becomes a full member of the latter Lodge without need of filing a petition or being balloted upon. (1964 Proc. 73)

A Brother whose home Lodge is Providence Lodge No. 711, A. F. & A. M., Chicago, Illinois, was formerly a dual member of Elmer O. Smith Lodge No. 307, F. & A. M., Pinellas Park. He was suspended for non-payment of dues on December 27, 1980. While he paid required back dues, he failed to petition for reinstatement, and on August 17, 1981 became a dual member of Star Lodge No. 78. Because of failure to reinstate and subsequently resigning from or securing permission of Elmer O. Smith Lodge to withdraw from dual membership being contrary to established procedure in this jurisdiction and the regulations thereof. Dual membership of this Brother in Star Lodge is null and void.

Dual member of Florida Lodge is not eligible for life membership in the Lodge. (1977 Proc. 120)

LIFE MEMBERS

Regulations

26.05 Lodges may incorporate in their By-Laws provisions for life members subject to the following requirements:

- C. No life membership which exempts recipient thereof from payment of Grand Lodge Annual Revenue may be conferred by the Lodge without payment of fee therefor except on the condition that the Lodge immediately set aside from its own funds for deposit or investment as hereinafter provided a minimum sum of two hundred (\$200.00) dollars except where the amount already in reserve funds is sufficient to equal two hundred (\$200.00) dollars per life membership at all times.
- D. All funds derived from fees for Life memberships and all funds set aside by the Lodge upon conferring life membership without payment of fee therefor shall be invested in bonds of the United States of America or deposited in Savings Accounts in institutions where such savings accounts are insured or in

such other securities or stocks as shall be approved by the Grand Lodge, the interest derived from such deposit or investment to be deposited in the general fund of the Lodge.

- E. Upon the death, expulsion, dimit, or disappearance of a life member as provided in Regulation 26.06, the Lodge may withdraw the deposit provided for such life member or dispose of the government bonds purchased with the proceeds thereof and return said funds to the general funds of the Lodge.
- F. Lodges may confer life memberships which do not exempt the recipient thereof from payment of Grand Lodge Annual Revenue without requiring any payment therefor by the life member or without making any deposit or investment by the Lodge.
- G. Each life member of a Lodge shall be issued an annual card evidencing such life membership.
- H. No life membership conferred by a Lodge shall exempt such Lodge from payment of Grand Lodge Annual Revenue.
- I. This Regulation shall be effective on the 1st day of May, A.L. 5956, A.D. 1956, but shall not affect any life membership vested on such date.

26.05.1 Perpetual Memberships are authorized by Particular Lodges subject to the following terms and conditions:

(a) Any member or Plural Member in good standing and possessing a current dues card in a Particular Lodge of this Grand Jurisdiction may become a perpetual member of his lodge pursuant to the provisions of this section. (2003)

(b) The member desiring a perpetual membership shall apply to the Secretary of his Lodge for such a membership on forms prescribed by the Grand Lodge and shall tender therewith a minimum sum of twenty (20) times the annual dues of his lodge at the time of the application, but in no event less than twenty (20) times the minimum dues prescribed in Regulation 24.05, Section 4.01 of the Uniform Code of By-Laws. The Lodge Secretary shall complete his part of the application and shall forward the same together with the full fee due, to the Grand Secretary. The date of the application shall be the date the Grand Secretary certified he received the application.

(c) The application shall be signed by the applicant and have the certification of the Lodge Secretary. The application shall not become effective until the applicant's record has been certified by the Grand Secretary. The application shall contain thereon the computations upon which the perpetual membership fee is predicated. If the Grand Secretary determines that the minimum fee tendered by the applicant is in excess of that required, he shall have the power to correct the application and the Lodge Secretary's computations of the fee, accept the application as corrected and refund any excess fee to the applicant through the Particular Lodge Secretary. If the fee tendered is insufficient, the Grand Secretary shall return the application and fee to the

constituent Lodge secretary for correction and resubmittal. A copy of the completed and accepted Perpetual Membership application and a Certificate of Perpetual Membership shall be furnished to the applicant and his Lodge by the Grand Secretary. These provisions shall be construed so as to permit the Grand Secretary to use computerized records.

(d) After the perpetual membership application and fee have been received and accepted by the Grand Secretary, the perpetual membership fee shall not be refundable except under circumstances determined by the Grand Secretary to be mistakes of fact rendering the applicant ineligible for perpetual membership as of the date of the application.

(e) After the applicant's perpetual membership has been accepted by the Grand Secretary, the perpetual membership shall be paid over to the Grand Treasurer as required in Article VI, Section 10 of the Constitution. The funds shall be placed collectively in restricted perpetual membership accounts. These funds shall be accounted for on an individual Lodge basis, listing the amount a person paid into the fund for both Lodge dues and Grand Lodge per capita and any assessments in effect. The funds shall be accounted for separately, by the Grand Treasurer, from all other Grand Lodge funds. The funds shall be audited annually as required in Reg. 14.09, Section 7.

(f) A perpetual member shall owe no further dues to the Lodge of which he is a perpetual member. An annual dues card shall be issued by the Lodge Secretary who shall denote perpetual membership thereon. (Reg. 26.11)

(g) The perpetual membership fee, less any amount required to supplement net income to pay the constituent Lodge the first year's dues and per capita, shall be considered principal and shall never be spent. Net profit or loss from the sale of securities shall mean the profit or loss realized from the sale of securities. Earned Income shall mean interest and dividends received reduced by any net loss realized from the sale of securities. The net profit from the sale of securities plus earned income shall be allocated to a sub-account for each member's account. Net income shall mean earned income plus 60% of the net profit from the sale of securities, less administrative costs. The net income, but not less than five percent (5%) of the fair market value of all assets in the Perpetual Membership Fund shall be paid proportionately annually to each constituent Lodge for each perpetual member at the time of per capita billing. The amount paid shall first be deducted from the sub-account, as to each member, and, if that is insufficient, then from any existing separate "Capital Gains" account. Allocations shall be based on the principal in each member's account, plus the sub-account of each member as of the beginning of each year, all as shall be equitably determined by the Grand Secretary. (2001)

(h) The Grand Secretary shall, at the time of the annual net income distribution, submit a statement to the Lodge for an amount covering the proportionate per capita and assessment in effect at the time the member joined the plan. The Lodge shall during the members lifetime and thereafter pay to the Grand Lodge the amount designated by the Grand Secretary's per capita statement. (2001)

(i) The obtaining of a perpetual membership in one Lodge by a dual member shall have no effect on his membership in the other lodge to which he belongs. Dual perpetual memberships are permitted.

(j) A perpetual member may affiliate under Chapter 41 of the Digest of Masonic Law. If the affiliation is within this Grand Jurisdiction the entire perpetual

membership he originally paid shall be transferred to the account of the Lodge to which he affiliates. If the affiliation is outside this Grand Jurisdiction the entire perpetual membership fee shall remain with the Lodge of which he was a perpetual member.

(k) Any Certificate of Good Standing issued under Regulation 41.13 of the Digest of Masonic Law to a perpetual member shall be endorsed thereon the fact that the holder is a perpetual member and the amount of the perpetual membership fee which shall be transferred to the Particular Lodge in Florida with which he affiliates.

(l) If a perpetual member shall be suspended, expelled, or withdraws and is subsequently restored to good standing, or re-affiliates from out of State, his perpetual membership shall be deemed to be also restored.

(m) If a Lodge consolidates, surrenders its Charter, or has its Charter arrested, the funds credited to that Lodge in the perpetual membership fund shall follow the members according to the relevant sections of the Constitution and Laws and Uniform Code dealing with consolidations, surrendering and arrests of Charters.

(n) A memorial perpetual membership may be purchased by any person for a deceased Entered Apprentice Mason, Fellow Craft Mason, or Master Mason of a Florida Lodge by following the same procedures as outlined in this section. The minimum fee shall be \$200.00 (two hundred dollars). The total amount of net income derived therefrom shall be paid annually, seventy-five (75) percent to the Lodge through which the application was processed and twenty-five (25) percent to the Grand Lodge of Florida on the first \$500 (five hundred dollars) of principal. All net income earned on principal over \$500 (five hundred dollars) shall be returned to the Lodge. Net income derived therefrom shall be returned to the Lodge at the time of the per capita billing. (2001)

(o) A perpetual membership may be purchased by a 50-year Master Mason who meets the provisions of Article 26.12 (d) by following the same procedures as outlined in this section. The minimum fee shall be \$200.00 (two hundred dollars). The total amount of net income derived therefrom shall be paid annually, seventy-five (75) percent to the Lodge of which a member and twenty-five (25) percent to the Grand Lodge on the first \$500.00 (five hundred dollars) of principal. All net income earned on principal over \$500.00 (five hundred dollars) shall be returned to the Lodge at the time of per capita billing. (2001)

(p) A Brother, at any future time, may add any amount to his perpetual membership fee through his Lodge Secretary.

(q) Applications for perpetual membership shall be on forms prescribed by the Grand Lodge and the Grand Secretary shall provide all forms required for the implementation of this section.

(r) Where perpetual members have not been heard from for more than seven (7) years, the Worshipful Master shall direct the Secretary to report the names of such missing Brethren to the Grand Lodge on the membership report form as being deceased. Their names shall then be transferred to the rolls of deceased perpetual membership, but, this action shall have no effect on the amount of money paid the Lodge and Grand Lodge for that perpetual member as set forth in sub-sections (g) and (h).

(s) There shall be no cost to the Constituent Lodge for administration of this program by the Grand Lodge. (1998)

26.05.2 A Perpetual Membership may be purchased by using an installment plan to the Grand Lodge subject to the following terms:

a. By making an initial payment of \$200.00 accompanied with the appropriate Perpetual Membership Application as prescribed in Regulation 26.05.01, at which time the member will choose the payment schedule he desires - Monthly, Quarterly, Semi-annually, and Annually.

b. Net income earned on each account will be credited into each member's account. (2001)

c. Payment in full must be received within five (5) years from the initial payment. If payment in full is not made within five (5) years the applicant may:

1. Request refund of all payments paid into the account. All earned net income would be returned to the Perpetual Membership fund to be redistributed. (2001)

2. Continue in the plan by establishing a new payment plan only upon the discretion of the Grand Secretary.

d. If the member dies before payment in full is received the account would revert to a Memorial Perpetual in the member's name.

e. If the member is suspended, expelled, resigns, or affiliates out of State, all principal paid into the account will be returned upon request of the member. All net income earned would be returned to the Perpetual Membership Fund to be redistributed. If request for refund is not made, net income would accumulate into the account until the full fee is attained. (2001)

f. If the member transfers or affiliates to a Particular Lodge within the State of Florida, the account would follow the member's membership.

g. Until Perpetual Membership is paid in full, yearly dues and assessments would have to be paid in a prompt manner at the current annual dues and assessments in effect. (1990)

26.06 In case a Brother who has been a life member of a Particular Lodge, and for whom the Lodge has paid Grand Lodge dues, has been absent from the jurisdiction of the Lodge and has not been heard from for seven years or more,

and members of the Lodge have reason to think he is no longer living, the Lodge, by Resolution, may direct that his name be dropped from the list of membership and the Grand Secretary be notified of this action, after which time the Lodge shall not be liable for Grand Lodge dues for such member.

26.07 If a Lodge reinstates a suspended Mason, and at the same meeting that he was reinstated makes him an Emeritus Member, the Lodge must pay the Grand Lodge dues for him for the year in which the action is taken.

26.08 Emeritus Members are such as are exempt from the payment of dues by Article X, Section 13, of the Constitution, and must be reported as such in the Returns. They are not barred of any privilege.

26.09 The terms and conditions under which members of Particular Lodges may be placed upon the Emeritus List under the authority of Section 13, Article X, of the Constitution are as follows: Each year upon proper investigation and written recommendation of its elective Officers, a Lodge may, by majority vote, place upon the Emeritus list and remit dues for such year to those members who from bodily infirmities or misfortune have become unable to pay dues, and in order for the Lodge to be exempt from the payment to the Grand Lodge of the Grand Lodge Annual Revenue on such Emeritus Members, the Worshipful Master and Secretary must certify on the Lodge Return that every Emeritus Member is unable to pay dues in accord with this Regulation. Any Brother who is a resident guest of the Masonic Home shall automatically be placed on the Emeritus List of the Lodge of which he is a member.

Rulings and Decisions

None but a Lodge's own member can be carried on its roll as an Emeritus Member. (1942 Proc. 49)

Members may not be placed on an Emeritus List unless they are indigent. Placing of Brothers on an Emeritus List is not proper manner to recognize long membership and service to the Lodge. (1941 Proc. 82)

If a member wants to purchase a Perpetual Membership he shall pay twenty (20) times the annual dues of his Lodge that is in effect on December 28th of that year. (1994 Proc. 101)

~~The Rules and Regulations of the Grand Lodge of Florida make no provisions for a Dual Member of a Florida Lodge to be eligible for admission into the Masonic Home or to receive Non-Resident Relief. To be placed on the Emeritus List, a member must be indigent. Therefore, it would be improper to place a Dual Member on the Emeritus List. (1984 Proc. 115) (Repealed 2005 Proc. 284-286)~~

The basis for determining the 5% return to the Lodges shall be the fully appreciated value of the Perpetual Membership Fund. (2000 Proc. 98)

The terminology "twenty (20) times the annual dues of his Lodge at the time of application" shall be the amount as stated in the By-Laws effective the day the Grand Master signed the By-Law Amendment due on or before December 28th for the ensuing year. In making this Ruling and Decision I refer to the fact that dues are payable in advance on or before December 28th of each year so the rate referred to for dues would be the amount due on December 28th of the year the By-Law Amendment is signed by the Grand Master. (2014 Proc. 123)

HONORARY MEMBERS

Regulations

26.10 The Grand Lodge will not object to a Particular Lodge conferring honorary membership upon a distinguished and revered Mason, which must be by unanimous ball ballot at a Stated Communication of the Lodge, after having been

proposed, by Resolution, at some prior Stated Communication. Such honorary membership imposes no duties or responsibilities, and confers no rights or privileges, except the right of visitation and speaking from the floor. Honorary membership may be revoked by a majority vote at a Stated Communication. If the vote on a Resolution for honorary membership is dark, said Resolution become null and void, and the process must begin again (same as 25.06). (2013)

26.10.1 The Grand Lodge will not object to a Particular Lodge conferring an Honorary Perpetual Membership on a distinguished and revered living or deceased Mason of this or another Grand Jurisdiction recognized by the Grand Lodge of Florida, which must be by unanimous ball ballot at a Stated Communication. An Honorary Perpetual Membership may be revoked by a majority vote at a Stated Communication in which case all funds credited to his account shall be transferred to The Masonic Home Endowment Fund.

The minimum fee for an Honorary Perpetual Membership shall be two hundred dollars (\$200.00) and must conform to Regulation 26.05.1(n). The total amount of net income derived therefrom shall be paid annually, seventy-five (75) percent to the Lodge through which the application was processed and twenty-five (25) percent to The Grand Lodge of Florida on the first \$500 (five hundred dollars) of principal. All net income earned on principal over \$500 (five hundred dollars) shall be returned to the Lodge. Net income derived therefrom shall be returned to the Lodge at the time of the per capita billing. (2001)

26.10.2 Each Particular Lodge shall have an account within the Perpetual Membership Fund titled the "Perpetual Friend Account." The minimum donation that may be made to this account in the name of a single person or entity is \$200.00. The Grand Secretary shall issue a suitable certificate for each person or entity so donating. (1999)

The total amount of net income derived from this account shall be paid annually, seventy-five (75) percent to the Lodge and twenty-five (25) percent to The Grand Lodge of Florida on the first \$500 (five hundred dollars) of principal. All net income earned on principal over \$500 (five hundred dollars) shall be returned to the Lodge. Net income derived therefrom shall be returned to the Lodge at the time of per capita billing. (2001)

26.10.3 All monies paid for an Honorary Perpetual Membership of a Brother in a Particular Lodge may be credited toward the purchase by that Brother of a Perpetual Membership in that Particular Lodge. (2003)

Rulings and Decisions

Any assessments authorized by the Lodge's By-Laws are binding upon a Perpetual Member and that enforcement for collection and/or penalty for non-payment of special assessment is the same as for basic dues. (2002 Proc. 101)

Honorary Perpetual Memberships require two separate actions: (1) the ballot for Honorary Membership and (2) the purchase of Perpetual Membership, which does not require a ballot. (2008 Proc. 106)

CARDS AND CERTIFICATES OF MEMBERSHIP**Regulations**

26.11 In order to comply with the requirements of Jurisdictions, requiring documentary evidence as a prerequisite for examination of visitors, in addition to tests already prescribed, this Grand Lodge shall furnish to the Particular Lodges a card receipt for dues, to be issued under the signature of the Secretary and the Seal of the Lodge, having upon the reverse a Certificate attested by the Seal of the Grand Lodge that the Lodge issuing the card is a regular Lodge holding a Charter from the Grand Lodge of Florida. The wording and issuance of the card receipts to be under Rules prescribed by the Grand Secretary, with approval of the Grand Master. The cost to the Lodges shall be the amount prescribed by the Corporate Board. (1985)

26.12 (a) A Master Mason member in good standing in a Florida Lodge upon whom the Master Mason Degree was conferred in a Florida Lodge or in a Lodge of a Grand Jurisdiction recognized by the Grand Lodge of Florida in a calendar year fifty (50) or more years prior to the current calendar year shall be entitled to receive and there shall be presented to him an appropriate pin and certificate in recognition of such fact, which pin and certificate shall be presented with appropriate ceremony which, if conducted in Lodge Communication shall include Grand Honors. (2015)

(b) A Master Mason member in good standing in a Florida Lodge upon whom the Master Mason Degree was conferred fifty-five (55), sixty (60), sixty-five (65) or more years prior to the current calendar year under conditions set forth in (a) above shall be given such recognition as the Grand Master may deem appropriate and other and further recognition may likewise be given and accorded a member that received the Master Mason Degree seventy-five (75) or more years prior to the current calendar year. (1990)

(c) If a Florida Lodge receives request through the Office of the Grand Secretary to present a pin, certificate, or similar award to a member from another Grand Jurisdiction for service or membership of fifty (50) years or more or in commemoration of an event that transpired fifty (50) years or more prior to the presentation the presentation shall be accompanied by Grand Honors unless such other Grand Jurisdiction shall specifically direct or request to the contrary.

(d) Any Master Mason member of a Florida Lodge who receives the recognition provided for in (a) or (b) above and who has been a member in good standing for a period of twenty-five (25) years or more in a Florida Lodge or Lodges shall thereafter be exempt from payment of Lodge dues and assessments and his Lodge shall be exempt from payment of Grand Lodge dues, assessments, and revenues on account of his membership.

(e) A Master Mason member of a Florida Lodge upon whom was conferred the Master Mason Degree twenty-five (25) or more years prior to the current

calendar year shall be entitled to and there shall be presented to him with appropriate ceremony a pin and certificate in recognition of such fact.

A Master Mason member of a Florida Lodge upon whom was conferred the Master Mason Degree forty (40) or more years prior to the current calendar year shall be entitled to and there shall be presented to him with appropriate ceremony a pin and certificate in recognition of such fact. (1987)

(f) The Grand Secretary shall make and keep such records as may be necessary to determine when a member is eligible to receive recognition as above provided and shall without necessity request therefore transmit to the Lodge involved all necessary pins, certificates, and other materials necessary to fully effectuate the intent of this Regulation.

In addition to the above materials, the Grand Secretary shall send proper notice to a Lodge when a member thereof is to be exempt from dues and the Lodge from payment of Grand Lodge dues, as assessments and revenues. (1984)

Rulings and Decisions

Where a Brother dimits from a Lodge and within one year affiliates with another Lodge and pays dues for each Masonic Year for twenty-five years and is otherwise qualified, the Brother is entitled to a Twenty-Five Year Certificate and Pin, and where a Brother dimits from a Lodge and within one year affiliates with another Lodge and pays dues for each Masonic Year for fifty years and is otherwise qualified, the Brother is entitled to a Fifty-Year Certificate and Pin. (1972 Proc. 393)

Awards for 25 and 50 year memberships may be presented in public meeting or at any other appropriate time and place. (1975 Proc. 68)

DUTIES

GENERAL PROVISIONS

Regulations

26.13 Freemasonry professes to promote virtue, with which vice, of whatever shape or magnitude, is antagonistic. It is, therefore, incumbent upon every true Mason to conform and take counsel with his Brethren concerning any and all matters properly involving fraternal discipline.

26.14 It is the duty of every Mason, at all times and under all circumstances, to demean himself as an upright man and Mason, not only that he may continually enjoy the satisfaction of a good conscience, but that the world at large may perceive, in the conduct of every member, living and conclusive evidence of the purity and good effect of the Ancient Fraternity, whereby a good and wholesome influence may be exerted upon society at large.

26.15 In the Lodge every Brother should observe the utmost fraternal decorum, perform with zeal, fidelity and cheerfulness every legitimate duty, and not retire from the Communication, whether at labor, recess or refreshment, without proper permission.

26.16 It is truly Masonic, and highly commendable, for Brethren, between whom estranging differences exist, to refer their differences to a committee of Brethren for settlement, each agreeing to abide the award, and for which purpose charges pending may be withdrawn.

26.17 It is the duty of every Master Mason to become proficient in the work and lectures of the Three Degrees in Freemasonry as soon as possible after being raised, and it is urgently recommended that the Masters of Particular Lodges endeavor to promote this end.

26.18 None but members of the Lodge have a right to a ballot, and no member present can be excused from balloting on any question before the Lodge, except by a vote of the Lodge, upon good cause shown; nor can a member be permitted to retire from the Lodge to avoid casting his ballot.

26.19 Signing the By-Laws is not necessary, but every member of the Lodge should sign the roll of members with his own hand.

26.20 Solicitation of business or political support for self or other person or persons at a Lodge meeting or on any other Masonic occasion is prohibited. A Particular Lodge, however, may sell advertising space in a Masonic bulletin to members of said Lodge providing that such advertising does not pertain to the sale of alcoholic beverages or violate the principle of Masonic teachings. Said advertising space shall be sold at a uniform rate, shall not exceed the size of an ordinary business card and the accumulated advertising space shall not exceed fifty percent (50%) of the total bulletin space. (1984)

EMERITUS MEMBERS

Constitutional Provisions

No Lodge in this Jurisdiction shall confer the Three Degrees of Entered Apprentice, Fellow Craft and Master Mason, for a less sum than One Hundred Dollars, of which a minimum fee of fifty dollars shall be required for initiation, and the fee for initiation must accompany the petition, to be returned to the candidate if rejected. The fee for passing or raising must be paid to the Secretary before the Degree is conferred; *Provided*, that any Lodge may remit monthly or annual dues to members of the Lodge, who from bodily infirmities or misfortune, have become unable to pay them. (Art. X, Sec. 13). (1986)

26.21 No Mason or Masons subject to the jurisdiction of the Grand Lodge of Florida shall, by written or printed critical or controversial communications of any kind, circularize the Officers and members of any Particular Lodge in this Grand Jurisdiction.

It is the intent, spirit, and purpose of this Regulation to prevent the dissemination and circulation of critical and controversial communications between or concerning Masons in this Grand Jurisdiction. It is not the intent, spirit, or purpose to prohibit or interfere with official communications by Officers and members of the Grand Lodge, and by Officers and members of Particular Lodges, and by District Masonic Officers, necessarily carried on between Grand Communications for the orderly and regular conduct of the affairs of Masonry in this Grand Jurisdiction, and such communications are specifically exempted from the provisions of this Regulation. Likewise, non-controversial Masonic bulletins and publications are specifically exempted.

Between Annual Grand Communications of the Grand Lodge, the enforcement of this Regulation is placed in the hands of the Grand Master and he shall have the power to issue such admonitions, reprimands, Executive Orders, and Edicts, as he may be advised, necessary to carry out the spirit, intent, and purpose of this Regulation. All of his acts and doings in the enforcement and administration of this Regulation shall be reported at the next Annual Grand Communication of the Grand Lodge with his report for review by the Grand Lodge.

Rulings and Decisions

It is contrary to Masonic Law and practice for a member to attempt to sell Masonic Bibles or solicit business at any Lodge meeting or on any Masonic occasion. (1954 Proc. 62)

It is mandatory for each Lodge to have a "Roll of Members" book and every member of the Lodge should sign the roll of members in his own hand. This book and requirement should not be confused with a "Visitors and Membership" book which should be signed by members and visitors alike prior to attending Lodge. (1983 Proc. 115)

STATUS
REMOVAL TO ANOTHER JURISDICTION

Regulations

26.22 Permanent removal from the jurisdiction vacates any office, but does not forfeit membership.

RIGHTS
MASONIC CHARITY
MEMBERS AND THEIR WIDOWS AND ORPHANS

Constitutional Provisions

On the death of a Master Mason in good standing in his Lodge, leaving a widow and orphan, or a widow or an orphan or orphans, it is the duty of the Secretary of the Lodge to grant to such widow and orphans, or to the widow or to the orphan or orphans of such deceased Master Mason, a Certificate of the fact under the Seal of the Lodge; and on the presentation of such Certificate to the Grand Secretary, it shall be his duty to grant to the said widow and orphans an appropriate Grand Lodge Certificate of Respect without charge or fee. (Art. X, Sec. 26).

Regulations

26.23 Worthy widows and orphans of Master Masons who died in good standing are entitled to certificates provided for in the Constitution. Widows of worthy Master Masons who died in good standing are also entitled to an official widow's pin, certificate, and wallet card, all of which shall be available through the Grand Secretary's Office.

26.24 The widow of a Master Mason, who marries a non-Mason, loses by such marriage any claim for Masonic relief in the capacity of a widow of a Master Mason.

26.25 When a Mason is undergoing punishment under sentences of legal tribunal, his Lodge may contribute pecuniarily to his relief, if it is so decided after a careful examination into the facts. The decision of a legal tribunal is not, in itself, sufficient evidence of unworthiness, but it should prompt the Lodge to make a careful and searching investigation.

26.26 No Masonic rights, privileges, or benefits can be extended to anyone while under sentence of suspension or expulsion.

Rulings and Decisions

A suspended Brother of a Lodge can not be admitted to the Masonic Home at St. Petersburg. (1948 Proc. 52)

A Brother otherwise eligible for Masonic relief does not lose right to such Masonic relief merely because he transfers his membership from one Florida Lodge to another Florida Lodge, provided he does not remain unaffiliated for such time that he fails to pay dues each year. (1959 Proc. 61, 164)

A Mason's eligibility for Masonic relief is determined under the law, Rules and Regulations of this Grand Jurisdiction in force and effect at the time of his affiliation or the beginning of his membership. A brother 64 years of age at the time of his affiliation in 1947 is eligible for Masonic relief since the Regulations limiting relief by age limits was not adopted and did not become effective until May 1, 1952. (1959 Proc. 61, 164.)

MISCELLANEOUS

Regulations

26.27 A member of a Lodge may have his name changed upon its records by furnishing the Secretary two (2) certified copies of a court order whereby he was given authority to make such change of his name. The Secretary shall retain one (1) copy for the Lodge files and forward a copy to the Grand Secretary with required membership change of status information. (1985)

26.28 The Grand Master or the Grand Lodge may accept the resignation or withdrawal from Freemasonry of any member of a Particular Lodge of this Grand Jurisdiction without leave of reinstatement. The Grand Secretary shall search the records of the Brother who wishes to resign and inform the Grand Master of his findings. Copies of resignations that are Penal related or that are made when unmasonic Conduct charges are pending shall be furnished to the Chairman of the Penal Affairs Panel. Acceptance of the resignation shall terminate Masonic Membership but shall not release such former member from the obligation of secrecy. "Without leave of reinstatement" means the former member forfeits all right and privilege to petition for reinstatement but does not prevent petition by a Particular Lodge for his reinstatement upon such terms and conditions as shall be or may be determined by the Grand Lodge.

(a) A period of two years must have elapsed from the date the resignation became effective before a request for restoration will be considered by a Lodge.

(b) The Petitioner would have to file his request and state his reasons desiring reinstatement in writing to the Secretary of his Lodge and certify that he has complied with his "obligation of secrecy" during the period that his resignation became effective to the date of his request.

(c) After due notice to the membership of the Lodge at a Stated Meeting, the Secretary would read the request, a motion shall be made and seconded to proceed with the request or not to proceed with the request. A vote to proceed with the request would require a unanimous vote of those present, by either Ball or Written Ballot. If the vote is not to proceed with the request, the former member may appeal to the Grand Master who, in his discretion, may issue a Grand Lodge Certificate. (1989)

(d) If the Lodge votes to proceed with the request, the Worshipful Master over the Seal of the Lodge and signed by the Secretary shall write the Grand Master for his permission to proceed. No action in respect to reinstatement shall be taken by a Particular Lodge without express written permission and consent of the Grand Lodge or its authority.

(e) If the Grand Master approves the request of the Lodge by Dispensation, the Lodge may receive the petition for reinstatement. After the petition is received by the Lodge it will lay over for thirty (30) days during which time the membership must have due notice. If such petition is rejected, it cannot be put to a vote again until after one year from the date of such rejection.

(f) If the Lodge voted to accept the petitioner back into membership, the Grand Master may give his approval at this time and the Petitioner would be restored to membership in the Lodge. Should the Grand Master refuse the request to receive the petition or refuse to restore the membership after the Lodge's approval, the Lodge may appeal to the Grand Lodge.

(g) When a Brother has resigned from Freemasonry, it will take the unanimous consent of the Lodge and the consent of the Grand Master before he may be restored to membership in the Lodge. (1985)

Rulings and Decisions

Member of Lodge desiring to have his name changed on Masonic records must furnish court order evidencing legal change of name. (1967 Proc. 75, 211)

Just as a candidate for Freemasonry must be a man, so it follows that to remain a Mason, he must not become a woman or portray himself as a woman. This portrayal may be by gender change, name change, identification, attire, or accouterment. (2008 Proc. 106)

**FINANCES; DUES, SUSPENSION FOR NON-PAYMENT
THEREOF, AND REINSTATEMENT
DUES**

Constitutional Provisions

Every member of a Lodge must pay to the Secretary of the Lodge such monthly or annual dues as may be prescribed by the By-Laws of the Lodge. (Art. X, Sec. 18)

Regulations

27.01 It is competent for Particular Lodges by By-Law duly adopted to make such uniform and reasonable assessments of annual or monthly dues upon the members as are necessary for the well-being of the fraternity. (See Const. Art. X, Sec. 18)

27.02 A Lodge has the power, under the Constitution, to enforce the collection of any assessment authorized by its By-Laws, but none other.

27.03 A Particular Lodge, may, by By-Law duly adopted, change its dues or assessments, but no such By-Law shall be retroactive or put a Brother in default who has paid his annual dues under a valid By-Law in force at the time of such payment.

27.04 The payment of dues to the particular Lodges is governed by the By-Laws. If they are made payable in advance, they are due at the date when made payable, and those who do not pay at the designated time are in arrears. The Grand Lodge requires dues for an entire year, even though the member may have belonged to the Particular Lodge for only a small fraction of the year, and the Particular Lodge may adopt a similar policy by its By-Laws. If it fails to do this, it will still be liable to the Grand Lodge for the annual dues for its entire membership except in cases where a Brother has had membership, in more than one Florida Lodge during the year. (See Constitution, Article X, Section 20.) But members of Particular Lodges in Florida who are in the Armed Forces of the United States of America, and receiving less than \$50.00 per month in salary, shall while the United States is engaged in war, be exempt from Grand Lodge per capita assessment, provided, that the Particular Lodges of which they are members take similar action, notifying the Grand Secretary of such action.

References

Dues may be made annually or monthly, according to the express terms of the Constitution. (Constitution, Article X, Section 18).

Regulations

27.05 Article X, Section 18 of the Constitution is construed as advisory and not mandatory, and a By-Law requiring Lodge dues to be payable quarterly is not contrary to the intent of the provisions of Article X, Section. 18.

27.06 If a Lodge reinstates a suspended Mason, and at the same meeting that he was reinstated makes him an Emeritus Member, the Lodge must pay the Grand Lodge dues for him for the year in which the action is taken.

27.07 A member paying his dues in full and applying for a dimit prior to December 27th is not chargeable with dues for the following year, for want of Lodge action, as action should be taken by the Lodge on or before December 27th.

As to other assessments by Grand Lodge, See Chapter 14.

As to dues of dual member who dimit, See Reg. 26.04.

Dues of Emeritus Members may be remitted. Const. Art. X, Sec. 13; Reg. 26.08, 26.09.

Rulings and Decisions

Lodges are not required to pay for those members who have not paid their assessment. (1952 Proc. 31)

It is proper to accept dues from a member who is under charges in a court of law. (1948 Proc. 48)

A Brother who withdraws from Lodge by dimit is required to pay all current dues before issuance of dimit and if Brother in that same year affiliates with another Florida Lodge, he is not required to pay dues to the Lodge with which he affiliates because Masonic Law does not contemplate a Brother paying dues more than one time each year. (1959 Proc. 60, 164)

SUSPENSION FOR NON-PAYMENT OF DUES

Constitutional Provisions

Every member of a Lodge who is six months or more in arrears for dues shall be notified by the Secretary, and in case of failure or refusal to come forward and pay his dues, or give satisfactory excuse, within three months after such notification, may be suspended at the discretion of the Lodge. (Art. X, Sec. 20)

Regulations

27.08 A Lodge By-Law providing for automatic suspension for non-payment of dues is not in accord with Article X, Section 20 of the Constitution, and is void. All suspensions for non-payment of dues must be by direct Lodge action, but may be made effective at a certain future date, not later than December 27th of that year, unless paid meanwhile; *Provided*, the Constitutional requirements involved are complied with.

References

See By-Law 4.02 of Uniform Code of By-Laws, Regulation 24.05 for procedure for suspension for non-payment of dues).

Regulations

27.09 At the time of making up Lodge Returns hereafter, the Particular Lodges of this Grand Jurisdiction shall be permitted to take credit for, or deduct, Grand Lodge dues and assessments for all those whose names appear in the "Exhibit of Losses" column, as suspended for non-payment of dues, and those who may have died during the year without having paid dues.

When a member suspended for non-payment of dues by a Particular Lodge is reinstated, the Particular Lodge shall account to Grand Lodge for arrearages of such member.

No Lodge shall reinstate a suspended member without collecting or remitting current year's dues, but in case of remission of dues, the Lodge shall account to Grand Lodge for Grand Lodge per capita.

Only the Grand Lodge, or the Grand Master, can remit any portion of arrearages of a suspended member, suspended for non-payment of dues.

27.10 No Masonic rights, privileges, or benefits can be extended to any one while under sentence of suspension or expulsion.

27.11 A Particular Lodge may, in suspending one or more Brothers for non-payment of dues, provide that such suspension shall become effective at certain future date, unless the dues are in the meantime paid.

27.12 Dues are not chargeable during suspension for any cause.

Rulings and Decisions

The Master of a Lodge does not have authority to order suspension of members for non-payment of dues. The action for suspension must be by direct Lodge action. (1954 Proc. 65)

Action of a Particular Lodge suspending members without due notice is null and void. (1980 Proc. 166)

Regulation 27.08 provides that no suspension shall be made after December 27th, but, the Regulation contains a provision, which always overrides anything before it, and that must be complied with. Even if there was no such provision, the requirements of the Constitution would prevail over the provisions of the Regulation. If a Brother has been suspended December 27th without proper notice, the suspension would be illegal. If a Brother was suspended after December 27th because proper notice had not been given to him six months prior to that date, then that suspension is valid, in accordance with the Constitution, and also is in compliance with the requirements of the Regulation. (1984 Proc. 116)

REINSTATEMENT

Regulations

27.13 A Member suspended for non-payment of dues can be reinstated only after petition has been properly submitted, which shall take the same course as a petition for the Degrees, provided, any such petition which is rejected may be renewed by a new petition after three months from date of such rejection. A favorable vote of three-fourths of the members present by ball ballot or secret written vote shall be necessary to reinstate a member suspended for non-payment of dues.

27.14 In handling a petition for reinstatement for N.P.D., a Lodge may collect or remit all dues, including current dues, or any part thereof, but any per capita due Grand Lodge must be paid to Grand Lodge.

27.15 A Mason suspended for non-payment of dues by a Lodge which afterward becomes dormant or defunct, can be restored by the Grand Master upon the recommendation of some regular Lodge, and the payment of all arrearages to the Grand Secretary, who shall issue a Certificate upon which the restored Brother can apply for membership in any regular Lodge, but the payment of arrears of dues may be remitted by the Grand Lodge, or Grand Master in recess, in meritorious cases, upon the recommendation of the Lodge in which the Brother desiring restoration seeks affiliation. (See Reg. 9.13)

Rulings and Decisions

Lodge may reinstate members suspended for N.P.D. without payment of current year's dues unless such action is prohibited by Lodge By-Laws. (1942 Proc. 55)

It is optional with the Lodge whether or not to collect back dues or current dues from a suspended Brother seeking reinstatement but per capita due Grand Lodge must be paid by the Lodge. (1943 Proc. 74)

Money for back dues tendered with petition for reinstatement belongs to Lodge even if petition is rejected, but may be returned as donation by a vote of the Lodge. Money tendered for current year's dues must be returned if petition is rejected. (1942 Proc. 46)

If amount tendered with petition and reinstatement is only for the amount of arrearage at time of suspension, it should be retained by the Lodge even if applicant is rejected. Any sum tendered for current dues must be returned if petitioner is rejected. (1944 Proc. 33)

On reinstatement of suspended Brother for N.P.D., nothing is paid to Grand Lodge except per capita due when suspended. (1944 Proc. 36)

Brother suspended in 1933 and moving into jurisdiction of another Lodge in 1934 and seeking reinstatement must apply to Lodge of which he was a member and seek reinstatement on terms provided in the By-Laws of that Lodge. (1947 Proc. 32)

On petition for reinstatement from suspension for N.P.D., by now defunct Kansas Lodge, correct procedure is for petitioner to clear with Grand Lodge of Kansas, paying all amounts due and taking receipt therefor and attaching same to petition for affiliation. Grand Master will then restore from suspension and permit Lodge to act on receiving petition. (1946 Proc. 37)

Members seventy (70) years old suspended twelve (12) years before applying for reinstatement may be reinstated at discretion of Lodge after thorough investigation. (1947 Proc. 31)

When Lodge is negligent in failing to investigate the condition of a Brother on Emeritus List, and suspends him for non-Payment of dues for succeeding years, it may, by appropriate resolution, reciting its oversight and negligence, reinstate the Brother and remit to Grand Lodge the dues for such member. (1961 Proc. 162, 319)

A Lodge should accept petition for reinstatement of a member 65 years of age who has been suspended for non-payment of dues in 1932, but reinstatement of petitioner is matter of discretion of the Lodge. (1964 Proc. 65, 268)

LODGE FUNDS

Regulations

27.16 Lodge funds may be used for charity, public installation, entertainments, refreshments, and for any purpose not unmasonic, when ordered by the Lodge.

27.17 Lodges must not contribute from their treasuries to Masonic or alleged Masonic objects in foreign jurisdictions, as for example, the building of a Temple at Jerusalem, unless such objects have been approved by the Grand Lodge, or by the Grand Master.

References

The Treasurer is the custodian of the funds of the Lodge, even when only held in trust, therefore, the Secretary should promptly turn over to the Treasurer all moneys received by him for fees. Reg. 22.02.

CHAPTER 29.

LODGE REPRESENTATIVES TO GRAND LODGE

GENERAL PROVISIONS

Constitutional Provisions

The Master and Wardens, or their duly appointed proxies, are the representatives of their Lodge in the Grand Lodge. (Art. X, Sec. 7)

It is the duty of each Worshipful Master of the Particular Lodges in this jurisdiction to make a report of the proceedings of the Annual Communication of the Grand Lodge to his Lodge, as soon as practicable after said Communication has been closed, and to impress upon all the members of his Lodge the duty of familiarizing themselves with this Constitution and the Old Charges of the Free and Accepted Masons. (Art. X, Sec. 28)

Regulations

29.01 It is the duty of the Master and Wardens, or at least one of them, of each Chartered Lodge, to attend every Annual Communication of the Grand Lodge, but when unable to do so in person it is each of their prerogatives to appoint proxies, confined to the membership of their respective Lodges, to represent them. Such appointments should be in writing and attested by the Secretary and Lodge Seal. However, when the Grand Lodge is satisfied that the proper officers of a Particular Lodge, being absent, intended to appoint a certain Brother their proxy, he may be admitted without formal credentials.

29.02 All proxies must be handed to the Committee on Returns and Credentials at or before the calling of the roll of Grand Lodge on the first day of the session; otherwise, no proxy will be received until recognized by the Grand Lodge.

29.03 When a Master has given his proxy to a member of his Lodge to represent him during a Communication of the Grand Lodge, and the proxy has been recognized as the representative,

the Master has the right to withdraw it and assume the duties himself only by action of the Grand Lodge.

29.04 Every Chartered Lodge is entitled to representation in the Grand Lodge; but no Brother representing a Lodge can draw mileage and per diem, or either, unless the Grand Lodge dues and assessments have been paid, remitted or further time given.

29.05 The Officer in attendance upon the Grand Lodge is entitled to receive the mileage and per diem in preference to the proxy of an Officer higher in rank.

29.06 Officers appointed to serve newly Chartered Lodges will not be allowed compensation or mileage for attending the Grand Communication at which their Lodges were Chartered, unless they have been working more than a year. (Const. Art. II, Sec. 2)

LODGE REPORTS AND RETURNS TO GRAND LODGE

GENERAL PROVISIONS

Constitutional Provisions

The Particular Lodges under this Jurisdiction shall make Lodge Returns, and shall account for and pay to the Grand Lodge such fees, dues, assessments, and revenue at such time as shall be prescribed by Regulations, and until such Returns are made, and dues paid or remitted, no Lodge shall be entitled to representation in the Grand Lodge; *Provided*, that members exempted from payment of dues by provisions of this Constitution shall not be included and accounted for in the Returns; *Provided further*, that members who have membership in more than one (1) Lodge during the year shall only be accounted for by the Lodge wherein such members first had a membership during the year, except in the case of newly Chartered Lodges. Members whose names appear upon the Returns of the Lodge of which they were former members, and also upon the Returns of newly Chartered Lodges, shall be accounted for by such newly Chartered Lodges only. (Art. VIII Sec. 2.)

Every Lodge must make full and complete Returns of the proceedings annually to the Grand Lodge, with the names of its Officers and members, and a statement of all dues, signed by the Master, and countersigned by the Secretary, under the Seal of the Lodge; and without such Returns made, and payment or remission of all dues, no Lodge shall be entitled to representation in the Grand Lodge. And every Lodge failing to be represented in the Grand Lodge for two consecutive years shall forfeit its Charter; *Provided*, that if such defaulting Lodge shall, on or before the next Annual Communication, make full Returns and payment of dues to the Grand Secretary, and satisfactory explanation to the Grand Lodge, or in the recess to the Grand Master, such forfeiture shall be released, and the Lodge restored to its regular standing. (Art. X, Sec. 22)

Regulations

30.01 All Grand Lodge dues and assessments shall be paid in full on or before February 15th of each year and a penalty of \$50.00 or 5% of the balance past due; which ever is greater, shall be assessed against each Lodge failing so to do, which penal sum shall be paid to the Grand Secretary at the time of payment of delinquent dues and assessments. (2010)

30.02 A Data Processing Lodge Membership and Annual Return Centralized System is hereby established under supervision and direction of and in accordance with Rules promulgated by the Corporate Board. The development and implementation of such system and the purpose for which the same shall be used and employed shall be in accordance with appropriate resolution and regulation adopted and specific appropriations made therefor by the Grand Lodge in Annual Grand Communication.

30.03 When a Lodge shall fail to have its Annual Return in the hands of the Grand Secretary at least five days before the Annual Communication of this Grand Lodge, it is to be reported absent, and the representative thereof shall not be placed upon the payroll, except by a vote of the Grand Lodge after satisfactory reason has been given for the delay.

30.04 At the time of making up Lodge Returns hereafter, the Particular Lodges of this Grand Jurisdiction shall be permitted to take credit for, or deduct, Grand Lodge dues and assessments for all those whose names appear in the "Exhibit of Losses" column, as suspended for non-payment of dues, and those who may have died during the year without having paid dues.

When a member suspended for non-payment of dues by a Particular Lodge is reinstated, the Particular Lodge shall account to Grand Lodge for arrearages of such member.

No Lodge shall reinstate a suspended member without collecting or remitting current year's dues, but in case of remission of dues, the Lodge shall account to Grand Lodge for Grand Lodge per capita.

Only the Grand Lodge, or the Grand Master, can remit any portion of arrearages of a suspended member, suspended for non-payment of dues.

30.05 Emeritus Members are such as are exempt from the payment of dues by Article X, Section 13, Constitution, and must be reported as such in the returns. They are not barred of any privilege.

30.06 In case of Brothers who have been carried upon the roll of a Lodge, as members exempt from payment of dues, and who have not been heard from for more than seven years and members of the Lodge having reason to believe that they are no longer living, the Lodge, by resolution, may direct the Secretary to enter upon the roll, "absent and not heard from for seven years," and the names of such members shall be dropped from the list of active members, and the Grand Lodge notified of this action in annual returns.

(1991)

31.02 It is a safe rule in these days, though its antiquity may be greatly doubted, that a candidate should be able to read and write.

31.03 A Lodge may not receive a petition for the Degrees of Freemasonry from any person who has been convicted of a felony and who has not been restored to full civil rights.

31.03.1 A Lodge may not ballot on a petition until the Investigation Committee (formally referred to as the “Character Committee”) has reviewed a criminal background investigation. (2009)

A Lodge cannot require a petitioner to submit a recent photograph. (1947 Proc. 33)

(1959 Proc. 52, 164)

Lodge may receive petition for Degrees of man convicted of felony provided Lodge has evidence of restoration of petitioner's civil rights. (1965 Proc. 196, 200)

Petitioner disclosed conviction of aggravated assault but Lodge received petition, balloted favorably thereon and conferred Entered Apprentice Degree. Progress of candidate should be suspended since crime of aggravated assault is felony under state law and action of Lodge was contrary to Regulation 31.03. Upon proof that candidate has been restored civil rights progress of candidate may be resumed. (1973 Proc. 63, 344).

A petition for the Degrees or visitation of an otherwise duly qualified visiting Mason may not be objected to by a member of a Particular Lodge if the objection is based upon the grounds of race, creed, or color. (1993 Proc. 123)

A dark ballot cast based solely on a Candidate's race, creed, or country of origin shall be found CLEAR, and the Candidate shall be Initiated, Passed, and Raised WITHOUT OBJECTION unless a valid objection is forthcoming. (2008 Proc. 107-108)

All Petitions requiring an investigation and a ball ballot, with the exception of a Petition for Plural Membership or a membership transfer from one Florida Lodge to another, require a Background Check. (2009 Proc. 121)

"Full" civil rights means without exception. For a man who has lost his civil rights and then had them restored, the restoration must include all civil rights. This restoration, therefore, must include "the right to bear arms." (2009 Proc. 120)

PHYSICAL**Regulation**

31.04 The Lodge, under the supervision and direction of the Grand Master, is the judge of the physical qualifications of a petitioner to receive the Degrees of Freemasonry.

If at any time prior to receiving the Entered Apprentice Degree, there is any indication that a petitioner has or suffers some physical disability or handicap which could cause him to be physically disqualified to receive the Degrees, the proceedings shall abate and the Worshipful Master shall appoint a fact-finding committee of three (3) members of the Lodge, one (1) of whom shall be a Past Master of the Lodge, to investigate the matter of physical disability or handicap of the petitioner, and make written report to the Lodge thereof as soon as practicable, which report shall include information necessary for the Lodge to determine the eligibility of the petitioner to receive the Degrees. Upon receipt of the report of the committee, the Lodge shall vote by secret written ballot, and shall determine whether or not the petitioner is physically qualified to receive the Degrees. If the Lodge, by majority vote, determines that the petitioner is physically qualified, the Worshipful Master and Secretary shall forthwith request that the Grand Master approve the action of the Lodge and grant Dispensation for the Lodge to continue the proceedings.

If the Grand Master approves the request of the Lodge by Dispensation, the Lodge may continue the proceedings. If the petitioner is or has been elected to receive the Degrees in Freemasonry, the same shall be conferred upon him and the petitioner shall comply with the requirements of the Degrees only to the extent of his physical abilities to do so.

If the Lodge, by majority vote, does not determine that the petitioner is physically qualified or the Grand Master refuses his Dispensation for the Lodge to proceed, his fee shall be returned and he shall be notified that he was not rejected, but physically disqualified to receive the Degrees in Freemasonry. (1991)

Rulings and Decisions

Slight physical deformity does not bar petitioner for initiation and Lodge is judge of physical qualifications of petitioner. (1942 Proc. 47)

A Lodge is the sole judge of applicant's physical qualifications where no maim is involved. (1954 Proc. 74)

It would be highly improper to confer the Degrees of Freemasonry upon a substitute for a candidate because the candidate is personally incapable of conforming literally to the requirements of the several Degrees. (1959 Proc. 53, 164)

Regulations

31.05 If a candidate has received the Entered Apprentice Degree and, prior to receiving the Masters Degree, it shall appear that he does not meet the physical qualifications, the Lodge shall nevertheless, continue the proceedings in a manner as near as possible to the prescribed requirements. (1991)

AGE

Regulations

31.06 A Lodge may receive a petition for the Degrees before the candidate is full 18 years of age, but the ballot must not be spread, or the E.A. Degree conferred, before the 18th birthday. (2008)

References

Lodge may waive jurisdiction over man under age. Reg. 34.04.

Rulings and Decisions

Petitioner, age 68, sound of mind, slightly deaf, but otherwise in good health should not be considered in dotage because of age alone. (1946 Proc. 34)

Lodge is sole judge of qualifications of 73 year old applicant. (1952 Proc. 31)

Lodge may receive petition of man close to 70 years of age but petitioner will not be eligible for Masonic charity. (1953 Proc. 46)

RESIDENCE

Constitutional Provisions

The Grand Lodge, shall, by regulation uniformly applicable to all Lodges prescribe, define, and regulate the jurisdiction of Lodges in regard to accepting and receiving petitions for the Degrees, administering Masonic justice and for all other purposes. (Art. X, Sec. 17).

Regulations

31.07 Art. X, Sec. 24 of the Constitution has no reference to

applicants over whom a Lodge has once properly assumed jurisdiction and elected to receive the E.A. Degree.

31.08 Every applicant for the benefits of Masonry must have resided twelve months within the State and six months within the jurisdiction of the Lodge to which he applies; except active duty military personnel who have resided in the State and within the jurisdiction of the Lodge for ninety (90) days. (2012)

31.09 A Lodge shall determine the qualifications of every petitioner as to residence on the basis of two factors:

1. Actual physical presence of the petitioner in the State for twelve (12) months, and within the jurisdiction of the Lodge for six (6) months; except active duty military personnel who have resided in the State and within the jurisdiction of the Lodge for ninety (90) days, and, (2012)

2. The intent of the petitioner to remain in such jurisdiction permanently.

These factors are to be considered without regard to the fact that petitioner may be in the military service or pursues an occupation which requires frequent absences from the jurisdiction of the Lodge.

Residence is established by actual physical presence of the petitioner in the State for twelve (12) months and in the jurisdiction of the Lodge for six (6) months, coupled with an intent on the part of the petitioner to make such place his permanent home or is on active duty in the military and is stationed in the State and the jurisdiction of the Lodge for a minimum of ninety (90) days. (2012)

In order to establish residence by such physical presence accompanied by such intent, a person must be of lawful age. The best evidence of a man's intent as to his residence is what he says relative to such intent but other evidentiary factors should be considered, such as purchase of a home, claim of homestead exemption, registration for voting, the signing of legal papers as a resident, and other similar matters, none of which are conclusive as to such intent, but all of which shall be considered in determining the matter of intent. Temporary absence from such place of residence on business or for reasons of health does not prevent a petitioner establishing residence in the jurisdiction of the Lodge, if he returns to such jurisdiction as his home and intends that such place shall be his permanent home or residence.

31.10 Temporary residence of petitioner does not give the Lodge jurisdiction.

The tests to be applied in determining the residence of petitioner are:

1. Has he resided within the State for twelve (12) months and within the jurisdiction of the Lodge for six (6) months; unless he is on active duty in the United States Military and has he resided in the State and jurisdiction of the Lodge for ninety (90) days, and, (2012)

2. Has the petitioner remained in the State of Florida, and in the jurisdiction of the Lodge for such periods of time with the intent that such place shall be his permanent residence.

If these questions can be answered in the affirmative, petitioner is a resident within the jurisdiction of the Lodge and the Lodge may accept his petition.

31.11 Students residing temporarily within the territorial jurisdiction of a Lodge who have not acquired a Masonic residence, in accordance with our laws, within such jurisdiction, are not eligible to petition for initiation.

31.12 When a Lodge lawfully assumes original jurisdiction, it cannot be rudely divested thereof; therefore, no Lodge can lawfully finish work begun by another surviving Lodge without its consent. Jurisdiction may be waived over a candidate elected to receive the Degrees, but not over E.A.'s and F.C.'s who may request a dimit or Transfer Certificate per Regulation 41.01. (1985)

31.13 When a petition is presented for the Degrees, if there should be any question of jurisdiction, a committee should be appointed to investigate and report before the petition is received by the Lodge.

31.14 Pending the settlement of a dispute between two Lodges as to territorial jurisdiction over a petitioner who has received the Entered Apprentice Degree in one of them, the progress of the candidate must be arrested until the jurisdictional question shall be finally determined.

31.15 A Lodge may receive the petition for the Degrees of a person who has been rejected by another Lodge of this Grand Jurisdiction more than six months previous to his petition, if at the time he resides out of the jurisdiction of the rejecting Lodge, and has continuously resided for the last six months in the jurisdiction of the Lodge to which he petitions, and the last twelve months in this Grand Jurisdiction; but inquiry should be made of the rejecting Lodge if it knows any reason why the applicant should not now be made a Mason. (1995)

Petition received from man having no fixed residence is irregular. Proceedings should abate and fee returned to petitioner, advising him that he was not rejected but that Lodge action was irregular in receiving his petition. (1943 Proc. 75)

Employee of State Road Department living in Lodge jurisdiction only four (4) months after having worked year in another community in the state is not in class of one whose vocation is such that he can not establish a fixed residence and, therefore, must live in jurisdiction of Lodge for six (6) months until his petition can be received. Lodge jurisdiction over a non-Mason ceases instantly when he permanently moves out of its jurisdiction. (1942 Proc. 46)

Lodge retains jurisdiction of candidate who files petition before moving from jurisdiction. Lodge should act on petition in usual way and candidate as approved is entitled to receive the Degrees in or by request of that Lodge. (1950 Proc. 69)

~~A service man who is a bona fide resident in jurisdiction of Lodge is eligible to petition for the Degrees. Ownership of home and registration for voting are evidence, but not required evidence of residence. (1956 Proc. 48) (Repealed 2012)~~

Residence is determined on the basis of two factors, (1) actual physical presence in a community, and (2) an intent on the part of a person to remain in the community permanently. In order to establish legal residence by such physical presence accompanied by such intent, a person must be of lawful age because a minor does not have the power to establish residence separate from his parents. Physical presence of a petitioner for the required period of one year in the State and six months in the

jurisdiction of the Lodge is of course easily determined, but it is the element of intent that is sometimes troublesome. The best evidence of a man's intent as to residence is what he says relative to his intent, but other evidentiary factors may be considered such as purchase of home, claim of homestead exemption, registration for voting, the signing of legal papers as a resident of a particular place, and other matters, none of which are conclusive but all of which should be considered in determining the matter of intent. (1959 Proc. 59, 164)

Applicant for Degrees must meet residence requirements or waiver of jurisdiction must be obtained from Lodge having jurisdiction. (1967 Proc. 75, 211)

Jurisdiction of Lodge over non-Mason is not lost because of temporary residence in jurisdiction of some other Lodge and if applicant petitions a Lodge other than Lodge having jurisdiction, waiver of jurisdiction must be obtained from Lodge having jurisdiction. (1967 Proc. 75, 211)

When a petitioner who is rejected by Lodge in concurrent jurisdiction with other Lodges and subsequently moves out of said concurrent jurisdiction and establishes residence in jurisdiction of another Lodge for more than one year and thereafter returns to and establishes residence in the concurrent jurisdiction of the Lodge originally rejecting him, such petitioner has the status of a new citizen and any Lodge in the concurrent jurisdiction of the Lodge originally rejecting him may receive his petition without necessity of waiver of jurisdiction. RELIGIOUS BELIEF

Constitutional Provisions

The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida hereby recognizes, as being Landmarks of Freemasonry, the following:

- (A) A belief in the existence of one ever living and true God.
- (B) A belief in the immortality of the human soul and a resurrection thereof to a Future Life. (Excerpt Art. XIII, Sec. 2).

Regulations

31.16 Belief in God is the only religious prerequisite of a candidate for initiation into Masonry, but a Mason is bound by his tenure to obey the moral law.

31.17 Since Communism does not have faith in Deity and is contrary to all the principles and purposes of Freemasonry, it is unlawful for any Lodge in this Grand Jurisdiction to accept the petition for or confer any of the Degrees of Freemasonry upon a Communist or upon anyone actively supporting the purposes thereof.

CANDIDATES FROM OTHER JURISDICTIONS

Regulations

31.18 Any person belonging to a Foreign Grand Jurisdiction not in fraternal relations with the Grand Lodge of Florida, who desires to become a member of a Florida Lodge, must first renounce his allegiance to such Foreign Grand Jurisdiction and take the same course as any other non-Mason.

31.19 If any Lodge in this Grand Jurisdiction receives a petition for the Degrees which shows that the petitioner has been rejected in a Sister Grand Jurisdiction, then such petition must be submitted to the Grand Master for his attention and action before any action can be taken by the Lodge.

FEES FOR THE DEGREES AND REFUNDS THEREOF

AMOUNT AND PAYMENT

Constitutional Provisions

No Lodge in this Jurisdiction shall confer the Three Degrees of Entered Apprentice, Fellow Craft, and Master Mason, for a less sum than One Hundred Dollars, of which a minimum fee of fifty dollars shall be required for initiation, in addition to the fee for a criminal background investigation must accompany the petition. The fee received for initiation shall be returned to the candidate if rejected, however, the fee received for the criminal background investigation shall be retained by the Lodge. The fee for passing or raising must be paid to the Secretary before the Degree is conferred; *Provided*, that any Lodge may remit monthly or annual dues to members of the Lodge, who from bodily infirmities or misfortune, have become unable to pay them. (Art. X, S. 13). (2009)

Regulations

32.01 A Lodge cannot by By-Law or otherwise require a candidate for the Degrees to present, with his petition therefore, advance fees for the F.C. and M.M. Degrees, and any existing By-Law conflicting therewith is void.

32.02 A petition having been received, and favorably acted upon, the fee becomes the property of the Lodge and can only be returned as a donation or gift, but such action would in no way change the relation of the candidate to the Lodge or the jurisdiction of the Lodge over him.

32.03 When a petition is refused, or a candidate rejected, the fee must be returned. Any fee paid for the purpose of a criminal background investigation of the candidate shall not be required to be refunded. (2009)

32.04 When a worthy man petitions a Lodge for the Degrees and is elected; and before the Degrees are conferred he has a severe illness which would result in the impairment of his memory and mental faculties, the Lodge should not confer the Degrees, and if, after waiting a reasonable time for a cure to be established, the mental condition is not cleared, it would be just and proper to return the fee.

32.05 When, after a candidate has been duly elected to receive the Entered Apprentice Degree, objection arises against conferring the Degree upon him, the Master shall cause an order arresting the progress of the candidate to be spread upon the minutes, which shall have the same force and effect as rejection at the ballot box, and the fee accompanying the petition shall be returned.

32.06 When an applicant for the Degrees dies before the ballot is taken, the proceedings abate, and the fee shall be handed to his family or legal representatives, and if he dies after rejection and before the fee shall have been returned to him, the same rule applies.

Rulings and Decisions

When fees were \$30 for Three Degrees when applicant petitioned for the Degrees but before F.C. was conferred, the fees were increased, the applicant shall be required to pay only the fees in effect at the time he presented his petition. (1946 Proc. 35)

Where the domicile Lodge refused to waive its perpetual jurisdiction over the petitioner, all proceedings must be abated and the fee returned to the applicant. (1948 Proc. 52)

A petitioner elected to receive the Degrees shall pay the fee for each Degree which existed at the time he was elected unless by reason of his delay a second ballot is required under the provisions of Regulation 37.02, in which event, he shall pay the fees which existed at the time of the subsequent ballot. CHAPTER 33.

**PETITION FOR THE DEGREES AND
PROCEEDINGS THEREON**

THE PETITION

Constitutional Provisions

Every candidate for initiation should read and approve the By-Laws of the Lodge, and must present his petition in writing vouched for by two members of the Lodge at a Stated Communication, which must lie over at least one month for the Brethren to make due inquiry into the character and standing of the candidate and review a criminal background investigative report of the candidate. And a petition thus presented cannot be withdrawn, but must be acted upon, and if rejected, cannot again be presented within six months. But rejections for passing and raising, and for membership, shall not be required to lie over six months, but may be renewed at any subsequent Stated Communication of the Lodge. (Art. X, Sec. 14) (2009)

Regulations

33.01 The word “month” in Article X, Section 14 of the Constitution, means from a Stated Communication of a Lodge to a corresponding Communication in the next succeeding calendar month.

33.02 Particular Lodges which may desire to print their own form of Petition for the Degrees must first submit the prepared form or copy to the Grand Secretary for his approval as to form and wording. In addition to the Petition, a statement of consent by the candidate to have a criminal background investigation ordered by the Lodge in addition to an understanding that the Brethren will be making due inquiry into the character and standing of the candidate. It shall be the responsibility of the Lodge Secretary to order the criminal background investigative report. No copies of the criminal background report shall be made nor shall its contents be revealed by or other than to the members of the Investigation Committee. The complete criminal background investigative report shall be returned to the candidate regardless of whether the candidate is accepted or rejected and a receipt obtained by the Lodge and made a part of the Lodge record. (2009)

33.03 The Secretary shall present to the Lodge at its next Stated Communication all petitions for the Degrees received by him, unless deferred by the Worshipful Master for good cause. After the Lodge receives a petition and the statement consenting to the criminal background investigation report, they become a permanent record of the Lodge and should be filed by the Secretary after the Committee reports. A petition, after being received by the Lodge, cannot be withdrawn, even by unanimous consent of the Lodge, except in case of death or severe accident, that would render the applicant ineligible to receive the Degree in such cases. The Worshipful Master should order abatement of the proceedings in regard to such petitions so received by the Lodge. (2009)

33.04 If a Lodge for any cause refuses to receive a petition for the Degrees, it may be again presented at any Stated Communication of the Lodge. It is not a case of rejection, and a delay for six months is not necessary. (1995)

Digest of Masonic Law

33.05 When a petition is refused, or a candidate rejected, the fee must be returned. Any fee received for the purposes of a criminal background investigation shall not be required to be returned. (2009)

33.06 If any Lodge in this Grand Jurisdiction receives a petition for the Degrees which shows that the petitioner has been rejected in a Sister Grand Jurisdiction, then such petition must be submitted to the Grand Master for his attention and action before any action can be taken by the Lodge.

33.07 When a candidate for the Degrees removes after his petition is received by the Lodge, said candidate remains the material of and under the jurisdiction of the Lodge that received his petition. The Lodge shall act on the petition in the usual way and if elected, the candidate is entitled to receive the Degrees in or by request of that Lodge.

COMMITTEE

Regulations

33.08 The Worshipful Master of each Particular Lodge shall appoint a committee of not less than three and not more than seven members to be known as the Petitions Committee, the duties of which shall be to cause each applicant for the Degrees before his petition has been received by the Lodge to appear personally before the committee and to be interviewed and give such information to the Committee as may be requested. The Committee shall then make its report to the Worshipful Master after which the petition shall follow the usual Masonic procedure.

33.09 Applications for the Degrees of Freemasonry of applicants, both members of the armed services and civilians, who have moved to this State from a Foreign Grand Jurisdiction and who have been in the State only long enough to come under the terms of the Regulations of this Grand Lodge concerning residential qualifications, shall be investigated by the Particular Lodges by inquiry addressed to the Lodge nearest to the former home of such applicant in such Foreign Jurisdiction; and the petition shall not go to ballot until the investigation is completed and report made to the Lodge.

33.10 A ballot spread, inadvertently or otherwise, upon any petition for initiation before the Investigating Committee reports, is null and void and proceedings abate. Each member of the Committee should investigate independently, and may submit his report in writing or authorize some Brother to report for him, if unable to be present in person. The Committee may submit a unanimous report, or it may submit a divided report, but whether unanimous or divided, the Committee is automatically discharged when it reports, and the petition reported on must go to ballot, but the time of spreading the ballot is the Worshipful Master's responsibility, and a motion to spread the ballot is out of order. The Committee, or any member thereof shall not, after having made its report, disclose any information which was received by the Lodge concerning the criminal background investigation. (2009)

33.11 The Lodge is the judge of eligibility of a petitioner for the Degrees and of an applicant for affiliation, and the Secretary of the Lodge shall accept for presentation to the Lodge each, every and all properly completed petitions for the Degrees, and each, every and all properly completed applications for affiliation without regard to the Secretary's opinion as to eligibility of the petitioner or applicant.

CHAPTER 34.

WAIVER OF JURISDICTION

NECESSITY FOR WAIVER OVER CANDIDATE

Constitutional Provisions

No Lodge has the right to receive a petition of any person for the Degree of Entered Apprentice, Fellow Craft, or Master Mason, residing out of its jurisdiction, without the express consent of the Lodge in whose jurisdiction such person resides, certified by its Secretary with the Lodge Seal. (Art. X, Sec. 24)

Regulations

34.01 Waiver of jurisdiction is the relinquishment by a Lodge of the jurisdiction possessed by it over a subject, transferring the same to some other Lodge for the purpose specified.

34.02 A Lodge cannot waive jurisdiction on a non-Mason or any one over whom it has assumed jurisdiction, except by unanimous ball-ballot at a Stated Communication.

34.03 When a request is made to a Lodge for a waiver of jurisdiction on a petitioner known by the Lodge to be unsuitable material, the request should be refused.

34.04 It is permissible for a Lodge to waive jurisdiction over a young man who had not attained 18 years of age, in order that the Lodge to whom jurisdiction may be waived could receive the petition and act upon it immediately after his eighteenth birthday. (2008)

34.05 There can be no waiver of jurisdiction by a Lodge over a non-Mason who has permanently moved, even recently, to another jurisdiction. The jurisdiction ceases immediately upon a removal intended to be permanent.

34.06 A Lodge cannot waive its jurisdiction over a non-Mason on the ground that some of the Brethren have conscientious doubts in regard to his physical qualifications. If he is physically disqualified in one Lodge, he is in all the rest. Every member of a Lodge has the right to express his doubts, in such cases, at the ballot box, as jurisdiction cannot be waived, except by unanimous ball-ballot.

34.07 (Repealed).

34.08 When a petition is presented for the Degrees, if there should be any question of jurisdiction, a committee should be appointed to investigate and report before the petition is received by the Lodge.

Rulings and Decisions

Waiver of jurisdiction from Lodges of other Grand Jurisdictions must clear through respective offices of Grand Secretaries affected. (1942 Proc. 50)

Where petitioner lives nearer to other Lodges than the one he petitions, it is not necessary to secure waiver of both such Lodges but only to secure waiver of jurisdiction of Lodge having jurisdiction. (1946 Proc. 38)

Lodge is sole judge as to whether it will waive jurisdiction on its material or not. Neither Grand Master nor Grand Lodge can interfere with this right. (1943 Proc. 78)

Lodge may grant waiver of jurisdiction although "permanent objection" to petitioner had been entered twenty (20) years ago. (1964 Proc. 32)

Waiver of jurisdiction requires unanimous ball ballot at Stated Communication. (1942 Proc. 51)

No investigating committee is necessary on requests for waiver of jurisdiction. (1947 Proc. 31)

Rejected material still living in jurisdiction of Lodge has indicated desire to petition another Lodge. Lodge of his choice can not ask for waiver of jurisdiction until they accept petition of the rejected material. (1947 Proc. 33)

The refusal of a Lodge to grant waiver of jurisdiction to another Lodge does not constitute a rejection of the petitioner, consequently, the Secretary receiving a petition for the second time can, without delay, apply again for waiver of jurisdiction and the Lodge receiving the request can act upon it at their next Stated Communication. (1954 Proc. 64-65)

Proper Procedure for petitioner living in jurisdiction of one Lodge and wishing to become member of another Florida Lodge is to present petition to (he Lodge of which he wishes to become a member and (the Lodge so petitioned may request waiver of jurisdiction from the Lodge in which the petitioner resides, and if granted, the petition proceeds as provided in the Regulations. Chapter 34 sets out the correct procedure. (1959 Proc. 61-62, 164)

Lodge which requests and receives waiver of jurisdiction over a petitioner and rejects such petitioner must, upon receipt of subsequent petition from same petitioner, request and receive another waiver of jurisdiction before proceeding to ballot on such petition. (1964 Proc. 68, 268)

Where petitioner resides in concurrent jurisdiction of two or more Lodges and petitions a Lodge outside of said concurrent jurisdiction, waiver of jurisdiction is required only from Lodge nearest residence of the Petitioner. In the event two or more Lodges meet at a place nearest the residence of the petitioner, waiver should be secured from either of such Lodges. (1966 Proc. 247)

CHAPTER 35.

BALLOTING

FOR THE DEGREES, AFFILIATION, AND REINSTATEMENT

Constitutional Provisions

Balloting for Initiation, Passing, Raising and membership must be unanimous; but when only one black ball appears, the ballot should be spread again to guard against mistakes; but if a black ball appears on the second ballot it is final, as it shall be when two or more black balls appear on the first ballot. Not more than one Degree shall be conferred on the same candidate at the same Stated Communication, unless under a Dispensation from the Grand Master. (Art. X, Sec. 16)

Regulations

35.01 All balloting must be done in a Master Mason Lodge, and at Stated Communications; except by special permission of the Grand Lodge or its authority.

35.02 Balloting in the Particular Lodges by use of the ballot box shall be effected by the use of white balls and black cubes. There must be sufficient white balls and black cubes in the ballot box to allow every member present and qualified to vote to cast the ballot of his choice. The bottom and sides of the ballot box shall be lined with felt or other soft material to deaden sound.

35.03 The ballot is inviolably secret; therefore, no Brother can be questioned as to how he voted. But the Masonic franchise should be exercised in good faith and upon pure Masonic principles; therefore, any wrongful exercise or abuse thereof will subject the offender to rigid discipline.

35.04 The secrecy of the ballot should never be violated. If a Mason ascertains by accident, or otherwise, how a particular Brother has voted, he has no right to divulge it. As a general rule it is reprehensible for a Brother to proclaim how he voted.

35.05 If a Brother uses his privilege improperly when a ballot is taken, and proclaims his acts, so that the Lodge can take cognizance of it, charges should be preferred. But as a general rule the Brother must be tried at the bar of his own conscience.

35.06 No publicity must be given the case of a rejected petitioner for any of the Degrees or for affiliation, by the Fraternity or any member thereof, under any circumstances.

35.07 None but members of the Lodge have a right to ballot, and no member present can be excused from balloting on any question

before the Lodge, except by a vote of the Lodge, upon good cause shown; nor can a member be permitted to retire from the Lodge to avoid casting his ballot.

35.08 Separate collective ballot may be taken upon petitions for the Degrees, upon petitions for affiliation and upon request for waiver of jurisdiction, but not more than five (5) petitions for the Degrees, nor more than five (5) petitions for affiliation, nor more than five (5) requests for waiver of jurisdiction shall be included in each collective ballot, and each collective ballot shall relate only to petitions for the Degrees, or to petitions for affiliation or to requests for waiver of jurisdiction, and not to any combination of such petitions and requests. When one (1) or more black balls appear in a collective ballot, a separate ballot shall be taken on each petition or request and in the event of a single black cube in such separate ballot, such separate ballot shall be spread again in accordance with requirements of Section 16, Article X of the Constitution.

35.09 A ballot must be clear to elect for affiliation or the Degrees, and be spread a second time when but one negative vote appears.

35.10 When a ballot is taken on a petition of a candidate to receive the Symbolic Degrees of Masonry, and become a member of any Particular Lodge in this Jurisdiction, if the ballot is clear the petitioner shall be declared elected to receive the Three Degrees; *provided*, that when a petitioner has been regularly elected to receive the Three Degrees and fails to present himself for the E.A. Degree within six months after election, or fails to qualify for advancement, or to present himself for advancement within six months after having received the preceding Degree, the Lodge shall cause investigation of the petitioner to be made and shall again spread the ballot, but without a new petition, and if the ballot is clear the Degree for which the petitioner is then next in line may then be conferred, assuming he has passed a satisfactory examination in the preceding Degree, if any.

35.11 If, upon examination of the ballot, the Master finds but a single black ball cast, he shall order a second ballot. Under no other circumstances shall a second ballot be permitted, and when the ballot has once been declared by the Master, it can not be reconsidered; further, it shall be destroyed by him after it has been declared.

35.12 A negative vote cannot be withdrawn, and thereby leave a constructive clear ballot, for no Degree can be conferred until after an actual clear ballot.

35.13 On any ballot taken upon a petition for affiliation, dual

membership or the granting of honorary membership, the Brother on whom the ballot is to be taken shall retire from the Lodge room during the taking and determination of the result of such ballot.

Rulings and Decisions

Where the Worshipful Master, through error, declares a petitioner rejected without spreading the ballot a second time when only one negative vote appeared in the first ballot, such action was error, and due and timely notice should be given to the membership and the petition should be balloted upon again in the correct manner. (1954 Proc. 73)

In answer to the question of multiple ballot boxes, recommended two or more as necessity might demand. (1950 Proc. 65)

The Grand Master may grant permission for a re-ballot on petition providing membership of Lodge is notified when balloting will take place. (1953 Proc. 48)

Where petitioner requests permission to withdraw petition because of his wife's religious objection and requests notice given by letter stating the reason, the petition must go to ballot and Lodge is judge of method of notification. (1946 Proc. 36)

Where collective ballot is taken on petition and ballot is dark, such dark ballot does not constitute first ballot on any of the individual petitions and if in the subsequent vote on a petition previously voted on in the collective ballot one black ball appears, it is required that such ballot on the individual petition be re-spread. In other words, each individual petition is to be voted on after collective dark ballot the same as if the collective ballot had never been spread. (1959 Proc. 59, 164)

When a Brother has been initiated an Entered Apprentice and fails to become proficient within six months, a new investigation and ballot must be had, without necessity, however, of a new petition. Since the Brother is an Entered Apprentice Mason he is entitled to continue instruction in the Degree pending the re-investigation and ballot before progressing to the Fellow Craft Degree. (1959 Proc. 54-55, 164)

When a black cube appears in each of two consecutive ballots on petition for the Degrees the second ballot is final and constitutes rejection of petitioner. (1968 Proc. 57, 212)

Under Regulation 35.08 collective ballot may be taken upon petitions for the Degrees, for affiliation, and for waiver of jurisdiction, but each of these kinds or classes of petitions must be subject of a separate collective ballot, that is, a separate collective ballot must be taken for petitions for the Degrees, a separate collective ballot for petitions for affiliation, and a separate collective ballot for petitions for reinstatement. (1964 Proc. 66, 268) (Note: Regulation 35.08 as amended in 1967 does not permit collective ballot on petition for reinstatement)

When one black cube appears on ballot for reinstatement after sentence of indefinite suspension, the ballot shall be re-spread, and if one or more black cubes appear on second ballot, the petition shall be declared finally rejected. (1964 Proc. 67, 268)

Where one black cube appeared on first ballot on petition and no second ballot was taken, ballot was irregular and proceedings should be abated and petition again balloted upon after due notice to membership. (1965 Proc. 196, 198)

The provisions of Regulations 35.10 and 37.02 relating to failure of petitioner to present himself for E.A. Degree within six months are applicable also to Entered Apprentice and Fellow Craft Masons who fail to present themselves within six months after receiving the preceding Degree. (1967 Proc. 74, 210)

A collective ballot can be used for the purpose of balloting on petitions for dual membership and for transfer by affiliation. (1994 Proc. 101)

IRREGULAR OR VOID BALLOT**Regulations**

35.14 A ballot spread, inadvertently or otherwise, upon any petition for Initiation before the Investigating Committee reports, is null and void and proceedings abate. Each member of the Committee should investigate independently, and may submit his report in writing or authorize some Brother to report for him, if unable to be present in person. The Committee may submit a unanimous report, or it may submit a divided report, but whether unanimous or divided, the Committee is automatically discharged when it reports, and the petition reported on must go to ballot, but the time of spreading the ballot is the Worshipful Master's responsibility, and a motion to spread the ballot is out of order.

35.15 When through mechanical error or otherwise more ballots are cast than there are members of the Particular Lodge present, this fact shall render the ballot irregular, and it shall be the duty of the Worshipful Master to declare the ballot void and re-spread the ballot.

Rulings and Decisions

When the ballot is spread on petition for Degrees and one (1) negative ballot appears and no second ballot is taken but ballot is spread at second meeting and ballot found to be clear, the proceedings are irregular and both ballots are void and Lodge should proceed to re-ballot in usual form. (1944 Proc. 33)

Ballot on petition for Degrees taken when only (1) Member of Committee had reported is void. Subsequent ballot after full Committee report is valid ballot. (1944 Proc. 31)

Vote on petition for affiliation before Constitutional time is irregular and proceedings should abate. (1943 Proc. 75)

At a Stated Meeting on December 23, 1982, the Ballot was spread on a petition for Affiliation. There were 49 Members present and the ballot being clear, the Brother was declared elected to membership. However, at a later date, the Worshipful Master was informed that one member present on December 23rd, 1982, did not ballot. Therefore, he set the Election aside. I rule that since the proper declaration was asked and no one objected that this Brother did not ballot, the ballot stand and the Brother was elected to membership on December 23, 1982, and the Lodge so notify him. (1984 Proc. 115)

DARK BALLOT; REOPENING**References**

Grand Master may grant Dispensation to reopen a dark ballot. Reg. 6.10(c).

Rulings and Decisions

Dark ballot may be reopened when dark vote was cast through misunderstanding. (1943 Proc. 78)

Dark ballot after unfavorable Committee report will be reopened upon the discovery by Committee that they had investigated wrong person but same may further investigate and ballot by the Lodge will be authorized. (1944 Proc. 32)

When ballot on waiver of jurisdiction was dark because of insufficient information and subsequent investigation showed nothing against character of applicant, Grand Master may authorize proceedings to abate and reopen ballot. (1946 Proc. 33)

A dark ballot on second ballot will not be reopened even if thirteen (13) votes cast and only twelve (12) members of Lodge present there being (2) black balls on second ballot and one (1) black ball on first ballot. (1944 Proc. 28)

RIGHTS OF MEMBERS

Regulations

35.16 Every member has the absolute right to vote as he pleases, being governed by his own views of what is right. It is only in this way that an element of discord can be kept out of the Lodge, whatever the standing of the applicant may be.

35.17 A clear ballot taken and closed while a member wishing to vote is temporarily absent from the Lodge room on business of the Lodge, is null and void, and a refusal to reopen such ballot at his request is in error.

35.18 If the Worshipful Master should be satisfied that the candidate for the Degrees is likely to be an element of discord in his Lodge, or that he is objectionable to an absent Brother, who intends to oppose his admission, he should not permit any undue advantage to be taken of the accidental or temporary absence of such Brother, or of the Lodge being thinly attended, but should postpone the ballot until a reasonable opportunity is given for a full ballot.

DEGREE CONFERRED BEFORE BALLOT

Regulations

35.19 If a Brother has received the Master Mason Degree, without previous separate ballot, under a misapprehension of the law of balloting on the part of the Lodge, the Lodge only is responsible for the error and the Brother is a regular Master Mason.

**REJECTION OF CANDIDATES AND
EFFECT THEREOF**

GENERAL PROVISIONS

Regulations

36.01 A rejected candidate for the Degrees must wait six months before he can petition to the same or any other Lodge, except by Dispensation of the Grand Master upon application of the Lodge, and which Dispensation should not be granted but for unquestionably good reason. (1995)

36.02 A Lodge of Concurrent Jurisdiction may, after expiration of six months after rejection, receive petition for the Degrees of a rejected candidate of another Lodge of the Concurrent Jurisdiction and no waiver of jurisdiction by the rejecting Lodge shall be necessary or required, but due inquiry shall be made of the rejecting Lodge. (1995)

36.03 A Lodge may receive the petition for initiation of a person who has been rejected by another Lodge of this Grand Jurisdiction more than six months previous to his petition, if at the time he resides out of the jurisdiction of the rejecting Lodge, and has continuously resided for the last six months in the jurisdiction of the Lodge to which he petitions, and the last twelve months in this Grand Jurisdiction; but inquiry should be made of the rejecting Lodge if it knows any reason why the applicant should not now be made a Mason. (1995)

36.04 No publicity must be given the case of a rejected petitioner for any of the Degrees or for affiliation, by the Fraternity or any member thereof, under any circumstances.

36.05 If any Lodge in this Grand Jurisdiction receives a petition for the Degrees which shows that the petitioner has been rejected in a Sister Grand Jurisdiction, then such petition must be submitted to the Grand Master for his attention and action before any action can be taken by the Lodge.

RETAINING JURISDICTION

OBJECTIONS

Objection has same effect as rejection. Reg. 37.07.

Rulings and Decisions

The refusal of a Lodge to grant waiver of jurisdiction to another Lodge does not constitute a rejection of the petitioner, consequently, the Secretary receiving a petition for the second time can, without delay, apply again for waiver of jurisdiction and the Lodge receiving the request can act upon it at their next Stated Communication. (1954 Proc. 64-65)

A Lodge shall not use general Trestleboards or Bulletins to notify other Lodges of rejected petitions for any of the Degrees or affiliation. The notice shall be by sealed first class mail. (1980 Proc. 166)

INITIATION AND ADVANCEMENT

INITIATION

Regulations

37.01 The E.A. Degree may be conferred upon one, two, three, four, or five candidates at the same time, except that portion of the second section which immediately precedes the lecture, should be conferred on candidates separately. In conferring the E.A. Degree when there are more than five candidates, the Lodge may confer the Degree upon groups of five or less at the same Communication.

37.02 When a ballot is taken on a petition of a candidate to receive the Symbolic Degrees of Masonry, and become a member of any Particular Lodge in this Jurisdiction, if the ballot is clear the petitioner shall be declared elected to receive the Three Degrees. *Provided*, that when a petitioner has been regularly elected to receive the Three Degrees and fails to present himself for the E.A. Degree within six months after election, or fails to qualify for advancement, or to present himself for advancement within six months after having received the preceding Degree, the Lodge shall cause investigation of the petitioner to be made and shall again spread the ballot, but without a new petition, and if the ballot is clear, the Degree for which the petitioner is then next in line may then be conferred, assuming he has passed a satisfactory examination in the preceding Degree, if any.

37.03 Articles of jewelry that cannot be removed from the person of the candidate shall not be considered in the matter of his preparation to receive any of the Degrees.

37.04 Mere affirmations are not to be accepted in taking solemn Masonic obligations.

Rulings and Decisions

It is improper to present a Monitor to an E.A. (1946 Proc. 34)

When a candidate fails to present himself within six months for the Degree for which he is eligible and the ballot is rejected, there is no required waiting time before the ballot may again be spread. (1954 Proc. 174)

Where progress of candidate was arrested by order of Worshipful Master and such order was later rescinded, delay in progress was not fault of candidate and ballot for next Degree is not required. (1965 Proc. 196, 199)

The provisions of Regulations 35.10 and 37.02 relating to failure of petitioner to present himself for E.A. Degree within six months are applicable also to Entered Apprentice and Fellow Craft Masons who fail to present themselves within six months after receiving the preceding Degree. (1967 Proc. 74, 211)

In conferring the Entered Apprentice Degree when there are more than five candidates, the Lodge may confer the Degree upon groups of five or less at the same Communication. However, there will be no more than five candidates at the Altar at any one time to receive the obligation. (2012 Proc. 141)

The Lodge may confer the E.A. Degree upon a group of candidates no more than 5, through the obligation. At the conclusion of the obligation the Lodge will have the candidates take a seat in the North side of the Lodge, bring in the next group of candidates to be received into the Lodge Room at the conclusion of the obligation. And when all groups have concluded with the obligation the Lodge will join the groups into one and proceed with the Degree. (2012 Proc. 141)

The Grand Lodges of the United States use the Holy Bible as the Volume of Sacred Law on their Altars (Mentor's Manual, 3.14.) Therefore, the Holy Bible with the Square and Compasses displayed is the only Volume of Sacred Law authorized to be displayed upon the Altar during Lodge, except that a candidate

may seal his obligation upon the Volume of Sacred Law of his choice, e.g., a Muslim on the Koran or a Jew on the Torah. These other Volumes of Sacred Law may be present only during the Obligation and are to be removed immediately after the candidate has sealed his Obligation. At no time shall the Holy Bible, with the Square and Compasses displayed upon the Holy Bible, be absent from the Altar. (2008 Proc. 105)

ADVANCEMENT

Regulations

37.05 A Lodge of competent jurisdiction otherwise, may, upon a proper Certificate from the Grand Secretary, lawfully finish work begun by a Lodge which has become defunct, and advance an Entered Apprentice or Fellow Craft Mason.

37.06 One month must intervene between the conferring of any two Degrees, except in actual and meritorious emergency, which requires Dispensation from the Grand Master. The term “month” as used here shall be construed in harmony with the construction placed upon it by Regulation 33.01.

References

Grand Master may grant Dispensation to confer Degrees short of time. Reg. 6.10(b).

Grand Master may grant Dispensation to confer more than one Degree on candidate at same Communication. Reg. 6.10(d).

Rulings and Decisions

E.A. initiated twenty-six (26) years ago in another Jurisdiction after careful investigation and waiver of jurisdiction or dimit, may petition Florida Lodge for F.C. Degree. (1943 Proc. 74)

E.A. initiated in another Jurisdiction twenty-five (25) years ago must secure dimit or equivalent before petitioning for advancement in Florida Lodge. (1944 Proc. 30)

It is not necessary to have a Dispensation to pass seven E.A. Brothers to F.C. Degrees. (1947 Proc. 34)

It is not permissible to raise twin brothers at the same time with two (2) separate Degree Teams. (1947 Proc. 32)

When a Florida Lodge requests a Lodge of another Grand Jurisdiction to confer Degrees by courtesy, and through error the Degrees are conferred without required intervening time of one month, the conferring of such Degrees is binding upon the Florida Lodge and the candidate is a Mason of the Florida Lodge in accordance with Degrees conferred upon him by courtesy. (1964 Proc. 64, 268)

OBJECTION AND ARREST OF PROGRESS

Constitutional Provisions

Every candidate for Initiation should read and approve the By-Laws of the Lodge, and must present his petition in writing vouched for by two members of the Lodge at a Stated Communication, which must lie over at least one month for the Brethren to make due inquiry into the character and standing of the candidate. And a petition thus presented cannot be withdrawn, but must be acted upon, and if rejected, cannot again be presented within six months. But rejections for Passing and Raising,

and for membership shall not be required to lie over six months but may be renewed again at any subsequent Stated Communication of the Lodge. (Art. X, Sec. 14) (1995)

Regulations

37.07 The progress of a candidate may be arrested at any time for good cause shown, even in the midst of conferring any Degree. However, after a candidate has received the Entered Apprentice Degree he should not be stopped for light reasons and the Worshipful Master, on his own motion or at the request of any member shall require the Brother making the objection to state his reasons therefor that the Lodge may consider such reasons and decide whether or not they are sufficient. The Lodge may, however, refer the matter to a committee which shall report whether or not the objections are well-founded and whether or not they should be made known in the body of the Lodge, which report shall be subject to the action of the Lodge. The Lodge shall determine by a majority vote on ball ballot whether the objection be of sufficient merit to justify the arrest of the progress of the candidate and shall determine whether the arrest of such progress shall be: (1) in accordance with Regulation 36.01 or (2) for a period sufficient to permit investigation before final action by the Lodge, or the Lodge may proceed pursuant to Regulation 44.15.

37.08 Objection to the advancement of either an Entered Apprentice or a Fellow Craft can be made verbally or in writing.

37.09 Pending the settlement of a dispute between two Lodges as to territorial jurisdiction over a petitioner who has received the Entered Apprentice Degree in one of them, the progress of the candidate must be arrested until the jurisdictional question shall be finally determined.

37.10 When a Brother presents his petition for advancement he must abide the result of the ballot without appeal; but when a charge is preferred to a Lodge against a Brother for the purpose of arresting his advancement, the Mason preferring such a charge and refusing to give specifications, shall be himself liable to discipline.

37.11 When, after a candidate has been duly elected to receive the Entered Apprentice Degree, objection arises against conferring the Degree upon him, the Master shall cause an order arresting the progress of the candidate to be spread upon the minutes, which shall have the same force and effect as rejection at the ballot box, and the fee accompanying the petition shall be returned.

Rulings and Decisions

Objection to candidate by Mason not a member of the Lodge to which application for membership has been made has no effect. (1944 Proc. 28)

A Brother Mason who is not a member of a Florida Lodge does not have right of objection to candidates accepted for the Degrees by a Florida Lodge. (1950 Proc. 54, 164)

Objection to progress of candidate can only be made by a member of the Lodge to which candidate has been elected to receive the Degrees. (1959 Proc. 62, 164)

Member of Lodge stated to Worshipful Master that he objected to candidate receiving E.A. Degree but gave no reason. Candidate was rejected. (1944 Proc. 29)

After candidate has been elected and received E.A. Degree, member of Committee reported new information that candidate was unfit to be made a Mason. Progress should be arrested, a Committee appointed, and Lodge, by majority vote, determine worthiness of candidate. 37.07 provides the procedure in the case of the arrest of the progress of a candidate. (1948 Proc. 52)

Regulations 37.02 Section 14 of Article X of the Constitution apply to Entered Apprentice Brother who fails to present himself for Fellow Craft Degree within six months. Petition for advancement may be presented at any Stated Communication of the Lodge, and if ballot is unfavorable may be reviewed at any subsequent Stated Communication of the Lodge. Regulation 37.07 applies only to oral objection made to advancement. (1973 Proc. 58, 344)

The proper procedure is for the Worshipful Master to immediately arrest the progress of an Entered Apprentice who confessed to stealing money from employer, and appoint a Committee to investigate. Upon report of Committee, ballot should again be spread. (1962 Proc. 82, 296)

When a dispute as to jurisdiction arises in regard to an Entered Apprentice Brother who has passed his proficiency test and presented himself for further Degrees, and the dispute requires six months or more for settlement, Regulations 37.02 and 37.09 do not require a ballot on further progress of the Entered Apprentice Brother if the Entered Apprentice Brother has done all required of him and the delay was due only to the dispute over jurisdiction. (1959 Proc. 51, 164)

Member of Lodge who desires to stop the progress of a candidate by objection must do so personally. Objection may not be made by member in attendance at Lodge Communication for or in behalf of an absent Brother. An objection stated by a proxy has no validity whatever. (1964 Proc. 65, 268)

Entered Apprentice Mason initiated after valid objection by member of the Lodge is Entered Apprentice Mason of the Lodge into which he was initiated, but objection of member remains as continuing objection

to the further progress of such Entered Apprentice until objection is withdrawn or objector dies or ceases to be a member of the Lodge. (1965 Proc. 196, 199-200)

PROFICIENCY

Regulations

37.12 No candidate shall receive the Fellow Craft or Master Mason Degree unless and until he shall have passed a satisfactory examination in open Lodge upon the catechism of the preceding Degree. No Degree shall be conferred until the candidate has received instruction in the “Lodge System of Masonic Education” as prescribed in Regulation 37.18. (Amended 1979)

37.13 A candidate should be examined in open Lodge, opened in the highest Degree to which he has been advanced. No person should be admitted to a Lodge open in the Master Mason Degree, except those who have received that Degree.

37.14 The golden rule which should govern the advancement of applicants to the second and third Degrees, is “suitable proficiency” to be demonstrated on examination in open Lodge, and which nothing but a most extraordinary and meritorious case of emergency should ever waive.

37.15 In voting on the proficiency of a candidate, a majority vote governs. Examination and voting on proficiency of an Entered Apprentice Brother shall be conducted in an Entered Apprentice Lodge; examination and voting on proficiency of a Fellow Craft Brother shall be conducted in a Lodge of Fellow Craft Masons, and examination and voting on proficiency of a Master Mason shall be conducted in a Lodge of Master Masons. The Brother or Brothers being examined as to proficiency shall be excused from the Lodge room while the vote on their proficiency is being taken.

37.16 (a) The Grand Lodge Committee on Work shall issue card certificates of proficiency to qualified Master Masons, who are members in good standing of regular Lodges, when in the judgment of the committee the proficiency of such Masons, in the official Form and Ceremonies, is such as to meet the standards set up by said Committee, and when otherwise qualified.

(b) The Committee on Work shall issue a white card certificate of proficiency to a Master Mason when proficient in the ceremonies of opening and closing the Three Degrees of Freemasonry and in the esoteric work of the Entered Apprentice Degree.

(c) The Committee on Work shall issue a green card certificate of proficiency to a Master Mason when proficient in the ceremonies of opening and closing the Three Degrees of Freemasonry and in the esoteric work of the Entered Apprentice Degree and the Fellow Craft Degree.

(d) The Committee on Work shall issue a blue card certificate of proficiency to a Master Mason when proficient in the ceremonies of opening and closing the Three Degrees of Freemasonry, and the esoteric work of the Entered Apprentice, Fellow Craft, and Master Mason Degree including the questions and answers of the Entered Apprentice, Fellow Craft, and Master Mason Catechisms. (2010)

(e) The Committee on Work shall issue to a Master Mason Proficient in one (1) or two (2) of the lectures of the Degrees on an orange card with blue stripe, on which stripe shall be imprinted and impressed the lecture or lectures in which the holder is proficient. An orange card without the blue stripe shall be issued for proficiency in the lectures of the Three Degrees.

(f) The Committee on Work shall issue a gold card of proficiency together with a certificate suitable for framing to a Master Mason when proficient in all Three Degrees and lectures of Freemasonry.

(g) All proficiency cards except the brown and gold cards shall only be in force for three (3) years unless renewed by the Committee upon examination of such and holder, or unless the holder of such cards has qualified to receive an extra card for proficiency; provided, that when any Master Mason is proficient in the esoteric work of all Three Degrees and the lectures thereof and receives a gold card, it shall be good for life, unless revoked by the Grand Lodge. The brown card shall be in force for ten (10) years. (2003)

(h) The Committee on Work shall issue a silver card for proficiency in the Catechism of the Three Degrees in accordance with adopted Forms and Ceremonies. (Amended 1979)

(i) The Committee on Work shall issue a brown card for proficiency in all the following portions or parts of the esoteric (monitorial) Forms and Ceremonies: (a) All the Chaplain's parts in the conferring of the Three Degrees, an opening prayer, a closing prayer, the Flag prayer and the prayers for the 25, 40, and 50 year membership presentation awards; and (b) The three regular Charges at Initiation, Passing, and Raising; and (c) All the parts in one or more Funeral/Memorial service; and (d) The Presentation of the Lambskin Apron. (1989)

37.17 The Committee on Work shall examine and issue proficiency cards in accordance with these Regulations. The Committee shall certify the names of all Brethren to whom has been issued a Certificate of Qualification, to the Grand Secretary, who shall record the same and maintain as permanent records of the Grand Lodge.

38.38 Funeral processions must be formed in the Master Mason Lodge, in which Entered Apprentices and Fellow Crafts are not admitted.

38.39 The family of a deceased Brother Mason may select the pallbearers from among Brother Masons or family friends. The family may request the services at the grave to be closed with the benediction by the attending minister, even though he be a non-Mason, which benediction shall be given when called for by the Worshipful Master after the Lodge ceremony has been completed.

38.40 In all public processions, the Lodge moves and acts in Lodge capacity. It must not, therefore, be called to refreshment, but form and proceed regularly as a Lodge to do its outdoor work.

38.41 A Mason residing twelve months or more under the jurisdiction of any Particular Lodge, willfully unaffiliated, shall not be entitled to any of the rights, privileges or benefits of Masonry,

including the right to visit Lodge; nor shall the funeral rites be paid to his memory in death, nor shall the Fraternity have any charge or responsibility as to his family.

38.42 The Worshipful Master, in his discretion, may call and open a Called Communication of the Lodge for the sole and only purpose of conducting funeral ceremonies and thereafter, until the Worshipful Master shall close such Special Communication, members of the Lodge may be summoned, attend, meet, move in funeral procession and conduct funeral ceremonies in Lodge formation without opening and closing of the Lodge. The Lodge shall in all other respects adhere to Masonic Law applicable to conduct of Masonic funerals. The Secretary shall keep minutes of each funeral ceremony, which minutes shall be read and acted upon at the next ensuing Stated Communication of the Lodge.

Rulings and Decisions

It is not proper to allow aprons to be worn at a funeral conducted by Appendant Order. Aprons may be worn only when Lodge conducts funeral. (1947 Proc. 32)

A Mason suspended for N.P.D. or otherwise who dies while under such term of sentence can not be buried with Masonic rites. (1942 Proc. 57-58)

Lodge requesting courtesy funeral service by Lodge of another Jurisdiction must pay expenses incurred by Lodge performing services when requested to do so. (1941 Proc. 88)

It is proper for a Lodge to conduct graveside funeral service for interment of ashes of deceased Brother, as these ashes constitute the remains of the Brother. (1954 Proc. 67)

It is proper for a Lodge to conduct graveside funeral services for interment of ashes of deceased Brother whose remains were cremated. (1959 Proc. 57, 164)

A Mason who is delinquent in his Lodge dues but has not been suspended from the Lodge for such delinquency is eligible for Masonic funeral. (1964 Proc. 65, 268)

LODGE OF SORROW

Regulations

38.43 A "Lodge of Sorrow" may be held by a Particular Lodge in the Lodge Room or be held in a church or public hall, or in the presence of friends in the Lodge Room, but should not be substituted for the funeral service at the time of interment, or at an early date thereafter.

Rulings and Decisions

A Lodge of Sorrow may be held in Lodge without Dispensation, but if held in public, a Dispensation is required. (1942 Proc. 47)

A Lodge of Sorrow Ceremony may not be used in lieu of a funeral ceremony. (1946 Proc. 39)

MISCELLANEOUS

38.44 According to proper Masonic usage and custom, no Brother Mason shall wear his hat, or any kind of head covering, in the Lodge, except the Worshipful Master, Acting Worshipful Master, or Grand Master.

38.45 Upon request of the Worshipful Master a Past Grand Master may close any Lodge in ample form prescribed by the Committee on Work. (2008)

Rulings and Decisions

It would be improper for members of a Degree Team to wear caps in Lodge meeting. (1961 Proc. 162, 168, 318)

It is proper for Low Twelve Club to display an open Bible on Altar but not proper to display Three Great Lights. (1967 Proc. 57, 211)

In conducting funeral ceremonies, the Master shall remove his hat for the opening prayer and remain uncovered until after the Benediction. (1981 Proc. 130, 374)

The wearing of a small skullcap by a Jewish Brother while in open Lodge does not violate Regulation 38.44 and should be permitted. (2000 Proc. 97)

CHAPTER 39.

COURTESY WORK **GENERAL PROVISIONS** **Regulations**

39.01 A candidate of one of our Lodges for any Degree cannot be permitted to take it by courtesy in a Lodge under the jurisdiction of any Grand Lodge not recognized by the Grand Lodge of Florida.

39.02 In supplying material for Degree work at a District Convention held by a District Deputy Grand Master, the proper course for Lodges, other than that in which the convention is held, is to request that Lodge to do the work for them by courtesy.

39.03 If an Entered Apprentice of a Florida Lodge removes into another Grand Jurisdiction where a similar rule prevails, or into the jurisdiction of another Lodge in Florida, and wishes to receive the Fellow Craft Degree where he is, without a desire to transfer his membership or secure his dimit, he should petition his Lodge to request the Lodge in whose jurisdiction he resides to instruct him in the catechism of the Entered Apprentice Degree, and when proficient to confer the Fellow Craft Degree as a courtesy to that Lodge. The same rule applies for advancement to the Master Mason Degree, but one month's time must elapse or intervene between the time of receiving the different Degrees. When the Master Mason Degree is thus conferred the recipient is a member of the Lodge of original jurisdiction. The above rule would not apply to candidates of another Grand Jurisdiction which did not require that one month's time elapse between the time of conferring the different Degrees, under their law. In such case this Grand Jurisdiction will respect the law of the Sister Grand Jurisdiction. The petitioner who has been elected to receive the Degrees may also receive the Entered Apprentice Degree by courtesy. (1985)

39.04 A Lodge in Florida doing work by courtesy for a Lodge of another Grand Jurisdiction does not ballot upon the candidate's petition to receive the Degree, although the Lodge of original jurisdiction by the law under which it works, ballots but once for the Three Degrees. The Lodge doing the work by courtesy should be satisfied as to the proficiency of the candidate, which may be determined by show of hands or ball-ballot, a majority controlling.

39.05 The same right of objection, on moral grounds, to conferring a Degree by courtesy, exists in the members of the Lodge to which the request is made, as exists in the members of the Lodge making the request.

References

Requests for courtesy work to and from other Grand Jurisdictions should be made through the office of the Grand Secretary. Reg. 15.01.

Rulings and Decisions

No fees may be charged by Florida Lodge for courtesy work. (1942 Proc. 44)

The Lodge requested to confer work through courtesy votes by show of hands; and a majority vote of the members present is sufficient. (1948 Proc. 51)

Florida Lodge is authorized to confer Degrees by courtesy on maimed F. C. from another Grand Jurisdiction, the qualifications of the candidate being matter by Lodge requesting courtesy work. (1942 Proc. 46)

Since California does not do courtesy work for any other Jurisdiction, a Lodge may request courtesy work of Jurisdiction adjoining California or retain fees until such time as candidate is in Jurisdiction that will do courtesy work. (1953 Proc. 49)

F. C. Brother receiving M. M. Degree by courtesy before being elected to Lodge is F. C. Brother of electing Lodge and unaffiliated M. M. Electing Lodge may proceed to ballot and elect to M. M. Degree. (1947 Proc. 33)

When a candidate of a Florida Lodge receives work by courtesy in another Grand Jurisdiction that makes a charge for coaching courtesy candidates, the candidate should pay the fee for such coaching. (1959 Proc. 53, 164)

An Entered Apprentice Brother who receives the Fellowcraft and Master Mason Degrees in a Lodge of a Sister Jurisdiction by courtesy, without payment of fees for Fellowcraft and Master Mason Degrees (due to failure of the Lodge of the Sister Jurisdiction conferring the work to notify the Florida Lodge in time to collect the fees for such degrees) is an Entered Apprentice Brother of the Florida Lodge and an unaffiliated Mason as to the Fellowcraft and Master Mason Degrees. (1961 Proc. 162, 168, 320)

When a Florida Lodge requests a Lodge of another Grand Jurisdiction to confer Degrees by courtesy, and through error Degrees are conferred without required intervening time of one month, the conferring of such Degrees is binding upon the Florida Lodge and candidate is a Mason of the Florida Lodge in accordance with Degrees conferred upon him by courtesy. (1964 Proc. 64, 268)

Worshipful Master of a Florida Lodge could request another Worshipful Master of a Florida Lodge to do courtesy work on one or more candidates belonging to his Lodge without any Lodge action, and it would be the will and pleasure of that Worshipful Master to either accept or reject the request. However, no fees may be charged by a Florida Lodge for courtesy work. (1984 Proc. 115, 116)

CHAPTER 40.

VISITATION AND AVOUCHMENT

VISITATION

Constitutional Provisions

It is a Landmark of Freemasonry that every visitor seeking admission to the Lodge must be examined and prove himself, unless duly and properly avouched for. (Art. XIII, Sec. 2)

Regulations

40.01 A Worthy Master Mason possesses no absolute right of visiting a Lodge, but he has an inherent right to apply, and the Lodge has the discretion to admit or refuse him admission.

40.02 Visiting Brethren can be admitted only with the unanimous consent of the Lodge.

40.03 Any of the following causes are valid against the admission of a visitor, to-wit:

(a) The Lodge may be engaged in the examination of some private matter which they do not wish to publish to the Masonic world.

(b) The applicant may be an element of discord to the Lodge he wishes to visit.

(c) A member objects, but insists that his objections are such as cannot be properly stated.

40.04 In all cases of doubt, Lodges should require of visitors, before examination, some documentary evidence of good Masonic standing, under the Seal of some regular Masonic body.

40.05 A visiting Brother before submitting to an examination has a right to demand sight of the Lodge's Charter, but is not required to do so if satisfied of the regularity of the Lodge by other means. The Worshipful Master may decline to produce the Charter of the Lodge, if the circumstances are such that it is not feasible, in which case the visitor may choose between retiring, or submit to examination without sight of the Charter. The right of the visitor to see the Charter must not be arbitrarily denied.

40.06 A man who knowingly visits a clandestine Lodge cannot be permitted to also visit a Regular Lodge in Florida.

40.07 A Brother objecting to the admission of a visitor in his Lodge is not required to prefer charges, nor can he do so in his own Lodge, unless the sojourning Brother be under the territorial jurisdiction of the Lodge.

40.08 An objection may be predicated upon the statement of non-Masons, but should be received with great caution.

40.09 Every Lodge is required to keep a visitor's book and to require each visitor to sign his name therein, with the locality, name, and number of his Lodge.

AVOUCHMENT

Regulations

40.10 Any Brother present may vouch for any visitor, but the Master may inquire and judge of the information upon which the vouching rests, and decide as to its validity.

40.11 Whether or not it is necessary for a voucher to have sat in a Lodge with a visitor, is left with the Master, it being the manifest intention of the Grand Lodge to entrust the sufficiency of such avouchment solely to his sound discretion, and he cannot be too circumspect and careful in the exercise of his authority.

Rulings and Decisions

In case of a visitor who cannot be examined because he has lost his speech, the Worshipful Master may, at his discretion, accept as a proper avouchment a letter received from the visiting Brother's Lodge certifying to his good standing, provided, the visitor is known to be the person he represents himself to be. (1954 Proc. 75)

A petition for the Degrees or visitation of an otherwise duly qualified visiting Mason may not be objected to by a member of a Particular Lodge if the objection is based upon the grounds of race, creed, or color. (1993 Proc. 123)

CHAPTER 41.

DIMITS; TRANSFER CERTIFICATES AND AFFILIATION

DIMITS

Constitutional Provisions

Any member of a Lodge who has no charges preferred against him has a clear Masonic right to withdraw from membership by dimit, on payment of all dues against him. (Art. X, Sec. 21)

Regulations

41.01 Any member of a Lodge, including Entered Apprentices and Fellow Crafts, in good standing and not under pending or anticipated charges shall be entitled to a dimit or transfer certificate upon request therefor in writing or in open Lodge.

41.02 A Resolution requiring a Brother to dimit is irregular.

41.03 It is improper for those attending a Lodge Communication to dimit all who are present, leaving no members of the Lodge to transact business or conduct the closing ceremonies. Such action would be void.

41.04 A dimit signed by a Worshipful Master or Warden acting as such, and by a Secretary, who were present and were among the dimitees, under such circumstances would have no force or effect, for, if such action were valid, their membership and official authority would cease as soon as the Lodge had voted to dimit them, per Article X, Section 11 and Article X, Section 21 of the Constitution, and Regulations 19.13 and 41.10. (1985)

41.05 After a dimit has been granted, but not delivered, it may be withheld by order of the Master, upon cause shown, for the purpose of Masonic investigation.

41.06 When a member by affiliation desires to be dimitted, he must take a new dimit, for his former one cannot be returned to him.

41.07 Where a Brother by mistake, or inadvertence has been recorded as dimitted, the records will be corrected and his name restored to the roll; but he is liable for his dues.

41.08 A dimit must be signed by the Master, countersigned by the Secretary, and have an impression of the Lodge Seal upon it.

41.09 If a dimitted Brother has lost his dimit, the Lodge, with due caution, may upon his application, grant him a Certificate that he was regularly dimitted on a given day, and that such Certificate has been granted him on his representation that his original dimit has been lost. A duplicate dimit cannot properly be issued in such cases.

41.10 Art. X, Sec. 21 of the Constitution, provides that any member of a Lodge can dimit, but Art. X, Sec. 11 makes a distinction between member and Master and Wardens by inhibiting the resignation of Master and Wardens during their term of office, and as dimitting has the same force as resigning, so far as giving up office is concerned, it logically follows that Masters and Wardens cannot dimit.

41.11 Members of a Lodge whose Charter has been forfeited or surrendered, whose only dereliction or disability rests upon arrears for dues, shall, upon paying the same to the Grand Secretary together with \$1.00 fee for the use of the Grand Lodge, receive a Grand Lodge Certificate, upon which he can make application for membership to any regular Lodge.

41.12 A Mason whose name does not appear upon the rolls of a Lodge at the time it becomes dormant, must produce conclusive evidence that he was a member in good standing in said Lodge at the time of its demise, before he is entitled to a Certificate from the Grand Secretary qualifying him to make application for membership in a regular Lodge.

Rulings and Decisions

Lodge may give dimit without giving transfer certificate. (1947 Proc. 32)
Life of dimit is not limited in this Grand Jurisdiction but privileges and benefits of Masonry expire after one (1) year. (1943 Proc. 48)
Action of Lodge dimitting thirteen (13) of total nineteen (19) members including Secretary and three (3) principal Officers was irregular and proceedings abated. (1942 Proc. 56)

TRANSFER CERTIFICATES

Regulations

41.13 A member of a Lodge desiring to dimit therefrom must apply in writing over his signature for either a dimit or a transfer certificate.

If he is in good standing in the Lodge at the time of the first Communication at which his application may be acted upon, his request, if for a dimit, shall be granted by order of the Master and

entered of record, and no vote of the Lodge is required; if for a transfer certificate, it shall be granted by order of the Master and a certificate shall be issued signed, by the Secretary, with the Seal of the Lodge affixed.

The certificate shall state that the holder thereof is a member in good standing, that no charges are pending against him and that there is no reason to anticipate any such charges and that the certificate may be presented with and in support of a petition for affiliation with any Florida Lodge and any Lodge of another Grand Jurisdiction with which this Grand Lodge maintains fraternal relations where a similar provision of law prevails. The certificate shall not be addressed to any named Lodge but to any and all Lodges to which the certificate may be presented.

If the petitioner is elected to membership, the electing Lodge shall give notice of such election to the Lodge issuing the certificate; and such Lodge shall at its next Stated Communication transmit to the electing Lodge for a dimit for the member transferring his membership.

The Secretary of the electing Lodge will record the date of said dimit, and the Brother shall be a member of that Lodge from the date of the dimit.

A transfer certificate issued by a Lodge of another Grand Jurisdiction with which this Grand Lodge maintains Masonic relations may be presented in support of a petition for affiliation and proceedings thereafter thereon to be generally as herein provided.

No dimit shall be issued after issue of transfer certificate except upon request of Lodge electing certificate holder to membership or to the certificate holder upon return of the transfer certificate and request for dimit.

A dimit is fully effective from date of issue until surrendered to the Lodge with which the holder affiliates and no dues are payable after issuance of the dimit until affiliation with a Lodge.

A transfer certificate is effective from date of issue until the end of the Masonic year in which it is issued and does not excuse the holder from payment of dues.

EFFECT OF DIMIT**Regulations**

41.14 A member paying his dues in full and applying for a dimit prior to December 27th is not chargeable with dues for the following year, for want of Lodge action, as action should be taken by the Lodge on or before December 27th.

41.15 If a Brother seeks to continue his membership after request for dimit has been granted but before the paper dimit has been delivered, he must apply for affiliation in the usual way and submit to the ballot.

Rulings and Decisions

A dimitted Brother is still under the jurisdiction of the Grand Lodge. (1948 Proc. 50)
When a dual member takes his dimit from his Lodge of original membership and places it in the Lodge of dual membership, he automatically becomes a full member of the latter Lodge without need of filing a petition or being balloted upon. (1954 Proc. 73)

DOCUMENTS HAVING EFFECT OF DIMITS**Regulations**

41.16 A certificate from a regular Grand Lodge or its competent authority, stating that the holder thereof is a regular Master Mason, was a member in good standing when his Lodge made its last Returns, and that such Lodge is defunct, has the force and effect of a dimit in Florida.

41.17 Particular Lodges in this Grand Jurisdiction may recognize as a dimit, any document or documents from a Grand Jurisdiction or a Particular Lodge thereof with which this Grand Jurisdiction is in fraternal relations in those cases and under those circumstances where such documents are recognized and treated as dimits by such other Grand Jurisdictions.

41.18 A dimit from another Jurisdiction or a document having the value of the same, shall require the Certificate of the Grand Secretary of the Grand Jurisdiction of issue, that the same is regular, when deemed necessary by the Grand Secretary of the Grand Lodge of Florida.

Rulings and Decisions

Lodge may accept certificates of dismissal from another Grand Jurisdiction presented by E.A. Brother as dimit. (1947 Proc. 32)

Letter from Secretary of Lodge stating that bearer is in good standing will not support petition for affiliation with Lodge in this Grand Jurisdiction. (1946 Proc. 39-40)

Certificate of dismissal certified by Grand Secretary of another Grand Jurisdiction may be received in lieu of dimit with petition for affiliation by an Entered Apprentice from such other Grand Jurisdiction. (1965 Proc. 196, 199)

Rulings and Decisions

It is my decision that Ornan Lodge No. 117, F. & A. M. having received the petition and acted in good faith upon the affiliation of Brother Melvin A. Courtney and having received authorization from the Secretary of a sister jurisdiction on November 18, 1982, that Brother Courtney is an affiliated member of Ornan Lodge No. 117, F. & A. M. and this Grand Jurisdiction with effective date of said affiliation as recorded in the minutes of Ornan Lodge No. 117, F. & A. M. June 29, 1984. (1985 Proc. 90)

AFFILIATION**Constitutional Provisions**

Any upright Mason, on presentation of satisfactory evidence of his having paid all dues against him, and having regularly withdrawn from a Lodge from which he was last a member, may present a petition in writing, which must be vouched for by two members of the Lodge, at a Stated Communication, and which must lie over at least one month for the Brethren to make due inquiry into the character and standing of the petitioner;*** (Art. X, Sec. 15(a); Excerpt)

DEFINITION**Regulations**

41.19 (346) The word “membership” as it occurs in Article X, Sections 14, 15, and 16 of the Constitution, shall be construed to mean and include “affiliation.”

ELIGIBILITY OF PETITIONERS**Regulations**

41.20 A Mason, with a dimit, can affiliate with any regular Lodge that will receive him, regardless of his residence, without waiver of jurisdiction from the Lodge within whose jurisdiction he may reside, but due inquiry should be made of the Lodge nearest his residence and the Lodge granting his dimit, as to his Masonic standing.

41.21 A Mason, whose Lodge is dormant or defunct, is not suspended, but merely unaffiliated, and may apply for affiliation only upon a proper Certificate from the Grand Secretary, to whom a fee of one dollar and all arrears must be paid; *Provided*, that it shall be in the power of the Grand Lodge, or the Grand Master in recess, to remit such arrears in meritorious cases, upon the recommendations of the Lodge to which such Mason proposes to apply for affiliation. (See Regs. 27.15 and 43.06)

41.22 A petition for affiliation from a person claiming to have been made a Mason by a Lodge under a Charter from a Grand Body not recognized by this Grand Lodge, cannot be entertained in this Grand Jurisdiction.

41.23 A Lodge cannot lawfully affiliate a dimitted Mason while he is under charges in another Lodge.

41.24 When a Brother is rejected upon his petition for affiliation, by one of two or more Lodges having concurrent jurisdiction over primitive material, he may apply to either of the others.

41.25 Masons made in Military Lodges may, upon satisfactory evidence produced, be affiliated with any Regular Lodge, but the Lodge should carefully guard against imposition.

Rulings and Decisions

A candidate for affiliation is not restricted as to residence. (1942 Proc. 55)

Lodge having jurisdiction may receive petition for F.C. Degree from E.A. of a defunct Lodge certified by the Grand Secretary. (1942 Proc. 45)

Members suspended from now defunct Lodge of another Jurisdiction must be reinstated in original Jurisdiction before application for affiliation can be received by Florida Lodge. (1944 Proc. 31)

A petition for affiliation will not be received on dimit from Lodge under direct jurisdiction of Grand Lodge with which Grand Lodge of Florida is not in fraternal accord. (1950 Proc. 65)

Proceedings of Lodge, admitting to membership by affiliation of member of a Lodge not recognized by the Grand Jurisdiction of Florida, were irregular and should be abated by order of the Master. (1961 Proc. 162, 168, 319)

PETITION FOR AFFILIATION

Regulations

41.26 Petitions for affiliation used by the Particular Lodges for petitioners from Grand Jurisdictions other than Florida shall be amended forthwith to include the following: Do You Know: To be eligible for resident and/or non-resident relief, a Mason must have been a member in good standing in a Florida Lodge for not less than 10 years, the last three years whereof must have been continuous at the time the application is made?

_____.

Do you know it is further provided that a Mason affiliating with a Florida Lodge subsequent to attaining the age of 70 years shall not be eligible for resident and/or non-resident relief? (2003)

_____.

41.27 A Lodge can properly refuse to receive a petition for affiliation. A brother has the right to offer his petition, but the Lodge may refuse to receive it at its pleasure.

Rulings and Decisions

A new petition for affiliation is not necessary after rejection but same petition may be renewed at any subsequent Communication. (1946 Proc. 36)

PROCEDURE ON PETITION**Regulations**

41.28 It is the duty of a Lodge before admitting to membership a dimitted Mason residing outside of its territorial limits, to make due inquiry as to his Masonic standing of the Lodge nearest his residence and of the Lodge granting his dimit.

41.29 When a Brother affiliates, his dimit must be filed in the archives of the Lodge.

41.30 The Secretary of the Lodge must not place his file mark upon a Brother's dimit, unless he be accepted; for in the case of rejection, it should be returned without mutilation.

41.31 A Brother by affiliation, or upon receiving the M.M. Degree, thereby becomes a member of the Lodge in which he was elected to receive it.

41.32 The petition of a Brother rejected for affiliation, may be renewed at any subsequent Stated Communication of the Lodge.

Petition of applicant for affiliation from Jurisdiction requiring certificate of election before issuance of dimit may be voted on before applicant secures dimit. (1943 Proc. 79)

The Grand Jurisdiction of Florida is in fraternal relations with the Grand Lodge of Japan and Florida Lodges may properly receive and act upon petition for affiliation from a member of a regular Lodge of that Grand Jurisdiction. (1968 Proc. 57, 212)

All Petitions requiring an investigation and a ball ballot, with the exception of a Petition for Plural Membership or a membership transfer from one Florida Lodge to another, require a Background Check. (2009 Proc.121)

FEES**Regulations**

41.33 Whether or not an affiliation fee shall be charged is left with the Lodges, respectively, but the amount of fee, if any, must be fixed by By-Law.

41.34 An applicant for affiliation cannot be charged with Lodge dues while he holds his dimit, nor is he liable to any pecuniary assessments.

41.35 A By-Law of a Particular Lodge, requiring from an applicant for affiliation, a fee of one dollar, or any other amount, for each year the applicant has held his dimit, is in conflict with the Constitution of the Grand Lodge, and is therefore void.

Rulings and Decisions

A Brother who withdraws from a Lodge by dimit is required to pay all current dues before issuance of dimit and if the Brother in that same year affiliates with another Florida Lodge he is not required to pay dues to the Lodge with which he affiliates because Masonic Law does not contemplate a Brother paying dues more than one time each year. (1959 Proc. 60, 164)

UNAFFILIATED MASONS

Regulations

41.36 An applicant for affiliation must present his dimit, and abide the result of the ballot. He cannot force himself into the membership of any Lodge, and therefore has no right to demand an investigation in case of rejection.

41.37 A Mason residing twelve months or more under the jurisdiction of any Particular Lodge, willfully unaffiliated, shall not be entitled to any of the rights, privileges or benefits of Masonry, including the right to visit Lodge; nor shall the funeral rites be paid to his memory in death, nor shall the Fraternity have any charge or responsibility as to his family.

References

As to penal jurisdiction over unaffiliated Mason, see Reg. 44.12.

Rulings and Decisions

When it is made to clearly appear that a dimit was requested through error from a Particular Lodge, it being the Brother's intent to request dimit only from Appendant Order, such request for dimit may be withdrawn and if any dimit has been issued thereon the same may be returned to the Lodge and cancelled. (1959 Proc. 57, 164)

(a) A dimit more than one year old will support and is an adequate predicate for petition for affiliation.

(b) It is not the age of the dimit that deprives a dimitted Brother of his Masonic right, but it is the willful unaffiliation for more than one year which deprives him of such rights. (See Regulations 38.41, 41.37) (1959 Proc. 58, 164)

CHAPTER 42.

LODGES UNDER DISPENSATION (U.D. LODGES)

GENERAL PROVISIONS

Constitutional Provisions

The Grand Lodge has the power to constitute new Lodges, and grant Charters or Warrants of Constitution for the same, and has the supervision and approval of the By-Laws of the Particular Lodges, and therefore may adopt a Uniform Code of By-Laws for their government; *provided*, that local Regulations for the benefit of the Craft be not interfered with. (Art. V, Sec. 4)

The Grand Lodge is clothed with the power of constituting new Lodges upon the Petition of not less than twenty (20) Master Masons. But no Dispensation nor Charter shall be issued to a Lodge except upon written consent of the Lodge nearest the place where the new Lodge is to be located and Certificate of the Committee on Work or its duly authorized representative that the Officers and membership of the new Lodge are qualified and capable of conferring the Degrees of Freemasonry.

In the event that two or more Lodges meet at the place nearest the location of the new Lodge, the consent of any one of such Lodges shall be sufficient. (Art. VII, Sec. 1)

In the recess of the Grand Lodge, the Grand Master has authority to grant Dispensations for new Lodges until the next Annual Communication of the Grand Lodge, when due returns of the work, with a copy of their proposed By-Laws for examination, shall be submitted to the Grand Lodge, when a Charter may be granted. But until a Charter is granted, the petitioners for the Dispensation continue their membership in their respective Lodges. (Art. VII, Sec. 2)

The fee for a Charter, or Warrant of Constitution for a new Lodge, shall be fifty dollars, to be paid at time of delivery, and five dollars to be paid as a fee to the Grand Secretary. For Dispensation, a fee of five dollars shall be paid to the Grand Secretary for his services, but no fee for the Dispensation. (Art. VIII, Sec. 1)

PETITION

Regulations

42.01 Dispensation shall not issue for a new Lodge unless petition for Dispensation is signed by twenty (20) or more Master Masons.

Rulings and Decisions

Plural Members of a Particular Lodge U.D. may sign the Charter of said Lodge U.D. without forfeiting their membership in their Home Lodge. (2005 Pro. 115)

OTHER LODGES CONSENT**References**

See Art. VII, Sec. I above.

Regulations

42.02 A new Lodge will not be established within the jurisdiction of a Chartered Lodge against its consent (Constitution, Article VII, Section 1), but the Grand Lodge may recommend a favorable consideration of the subject.

CHARTER**Regulations**

42.03 All Charters granted to U.D. Lodges shall be deposited with the Grand Secretary, and held by him subject to the order of the Grand Master, to be delivered to the Lodge by the constituting Officer at the time the Lodge is constituted and the Officers duly installed.

WORSHIPFUL MASTER**Regulations**

42.04 The Master of a Lodge Under Dispensation shall be a Past Master of a Florida Lodge, however, the Grand Master may waive this regulation in his discretion. (1984)

MASONIC DISTRICT**Regulations**

42.05 When Charters are granted U.D. Lodges it is the Grand Master's responsibility to assign them to the proper Masonic District.

OPENING AND SETTING TO WORK**Regulations**

42.06 When a Lodge under Dispensation is to be set to work, a Communication shall be called for the purpose by the designated Master. The Grand Master, or his duly authorized representative, shall preside and open the Lodge. The Dispensation shall be read and ordered recorded in full in the minutes, and the Lodge instructed in regard to its powers and duties. The Officers appointed shall not be installed, but shall be placed in charge of the Lodge, and the Dispensation, a copy of the Constitution and the Laws of this Grand Lodge, and a copy of the Monitor, shall be delivered to the Master.

POWERS OF GRAND MASTER**Regulations**

42.07 Lodge under Dispensation is a creature of the Grand Master by virtue of a Constitutional provision (Article VII, Section 2). It possesses no power or authority, except such as is expressly stated in Dispensation. Its existence extends only to the first day of the month in which the next Annual Communication of the Grand Lodge will be held, to which its authority, records, and documents must be surrendered.

If no Charter is applied for, and it is desired by the members of the late U.D. Lodge to continue its Dispensation, petition for same must be presented to the Grand Master after the close of Grand Lodge, as petitions for the U.D. Lodges must be made to the Grand Master in recess, and not to the Grand Lodge while in session. None but members of Florida Lodges in good standing, and dimitted Masons, in or out of Florida, are eligible to sign petition for a Lodge U.D. and then only if dimits of dimitted Masons, and receipts for current year's dues, of members of Florida Lodges, are filed with the Grand Secretary, along with the petition.

If a Charter is granted to a U.D. Lodge, the Grand Secretary shall transmit with the Charter a true and correct copy of all dimits filed in his office with the petition for the U.D. Lodge and the Charter.

U.D. Lodges cannot affiliate members, but the Grand Master may add qualified members at any time by unanimous request of the U.D. Lodge expressed by unanimous ball ballot at a Stated Communication. It is also his prerogative to remove any member or members, or to revoke the Dispensation.

JURISDICTION AND POWERS**Regulations**

42.08 A Lodge U.D. cannot entertain charges against any of its members, nor try them for Masonic offenses. A Lodge U.D. is a creature of the Grand Master, who can add to or strike members from its roll at his discretion.

42.09 A Lodge under Dispensation cannot legislate except to arrange for its meetings and fees for Degrees, but Brethren receiving the M.M. Degree therein are members thereof. It cannot elect Officers, make By-Laws, affiliate members, grant dimits, or install its Officers. Nor is the Worshipful Master designated in the Dispensation entitled, at any time, to the title or Degree of "Past Master."

A Lodge, therefore, cannot make By-Laws for its government while working under Dispensation, but under the provisions of Article VII, Section 2 of the Constitution, a Lodge U.D., when petitioning for a Charter, is required to submit to the Grand Lodge, for its examination, a copy of proposed By-Laws for its government as a new Lodge, to be regularly adopted by the new Lodge, if and when, it is Chartered, constituted, and its Officers duly installed.

42.10 Lodges U.D. have the same right of jurisdiction as Chartered Lodges. Non-Masons living within its jurisdiction must petition the U.D. Lodges, but the U.D. Lodge does not acquire jurisdiction over a non-Mason who had previously petitioned a more distant Lodge.

42.11 Lodges under Dispensation are subject to the same Regulations as Chartered Lodges, as to balloting for candidates and the time which must elapse between the Degrees.

Rulings and Decisions

- (b) U.D. Lodge does not have authority to collect affiliation fee.
- (c) U.D. Lodge has no authority to issue receipts for dues to members.
- (d) U.D. Lodge does not have authority to refuse paid up member in good standing the privilege of signing petition for Charter.
- (e) There is no provision for use of petitions for affiliation by U.D. Lodge. The proper procedure is for Lodge by unanimous vote to request Grand Master to add to roll of members. (1959 Proc. 59-60, 164)

MEMBERSHIP AND DUES

Regulations

42.12 Membership in a U.D. Lodge in no way affects the membership of a member of a Chartered Lodge.

42.13 All Brethren who are members of a Lodge U.D. when a Charter is granted may become members of the newly Chartered Lodge by signing the petition for Charter, but this is not compulsory, and those members of Chartered Lodges who do not sign the petition for Charter retain their membership in their respective Lodges, unaffected. A Master Mason, raised in a U.D. Lodge, becomes a Charter member automatically, if and when Charter is granted, and does not have to sign petition for Charter. Newly Chartered Lodges are authorized to complete Degree work begun while they were U.D. Dimitted members of a Lodge U.D. may sign petition for Charter and become Charter members of the new Lodge. If they fail to sign the petition for Charter, their dimits are returned to them.

42.14 If Charter is granted, petitioners for a new Lodge, their relation with their former Lodge or Lodges is automatically terminated. Care should therefore be observed that no petitioner for the new Lodge Charter is under charges.

42.15 If for any reason a Dispensation is not renewed or a Charter granted, all Brethren who may have received Degrees in such Lodge under Dispensation shall be provided by the Grand Secretary with Certificates stating the fact, and such Brethren as may have received all the Degrees shall thereafter have the status of unaffiliated Masons. Any one who has not received all the Degrees may petition any Lodge in whose jurisdiction he resides upon said Certificate for the remaining Degrees, and upon election thereto and upon receiving the Master Mason Degree shall become a member of such Lodge.

42.16 Members of a Lodge U.D. shall not be required to pay the current year's dues to their old Lodge when signing the application for Charter and if such dues have been paid to their Lodge, or Lodges, then if a Charter be granted to such Lodge U.D., any amount paid as dues by members of such Lodge U.D. to their former Lodge or Lodges shall be promptly paid over by such former Lodge or Lodges to the newly Chartered Lodge, and such members shall be accounted for only by the new Lodge. (See Const. Art. VIII, Sec. 2)

RECORDS

Regulations

42.17 A Lodge U.D. must keep a complete record of its proceedings. Such record should exhibit a fair specimen of that intelligence and regularity of proceedings which are characteristic of well-governed Masonic Lodges. From that record and its evidence of fraternal prosperity, the Grand Lodge is to judge whether or not a Charter should be granted.

42.18 The instruction booklet, "How to Form and Set a U.D. Lodge to Work," adopted at the 134th Annual Communication, with such revisions adopted by this Grand Lodge from time to time, is the official publication for guidance in forming a new Lodge. (1985)

Rulings and Decisions

Section 2 of Article VIII of the Constitution requires Lodge receiving dues for year in which new Lodge was chartered to remit to the newly Chartered Lodge all current dues collected by it from members who became members of new Lodge. (1967 Proc. 74, 210)

DEFUNCT LODGES

PROPERTY

Constitutional Provisions

The Grand Lodge has the power to suspend the Charter of any of the Particular Lodges, or of arresting or withdrawing the Charter of any of the Particular Lodges for good cause shown; and when a Lodge forfeits or surrenders its Charter, the Grand Lodge succeeds to all its Furniture, Jewels, funds, books, papers, and other property, and may appoint some proper officer to take charge of the same for the benefit of the Craft; *Provided*, that when the Charter of a Lodge is restored, all of its Furniture, Jewels, books, papers, and other property, shall also be restored. (Art. V, Sec.5).

Regulations

43.01 When a Charter is arrested or surrendered, all the property of the Lodge escheat to the Grand Lodge, and a custodian thereof should be promptly appointed, and upon restoration, such property reverts to the resuscitated Lodge, and in the event such property has been sold by the Grand Lodge, the proceeds of such sale, less the expenses incurred by Grand Lodge in connection with such property, shall be paid to said resuscitated Lodge in lieu of restoration of such property.

43.02 The Grand Secretary is authorized to sell personal property of defunct Lodges, as and when directed by the Grand Master, and report of such sales shall be rendered to the Grand Lodge at the next Annual Grand Communication.

RIGHTS OF MEMBERS OF DEFUNCT LODGES

Regulations

43.04 Members of a Lodge whose Charter has been forfeited or surrendered, whose only dereliction or disability rests upon arrears for dues, shall, upon paying the same to the Grand Secretary together with \$1.00 fee for the use of the Grand Lodge, receive a Grand Lodge Certificate, upon which he can make application for membership to any Regular Lodge.

43.05 A Mason whose name does not appear upon the rolls of a Lodge at the time it becomes dormant, must produce conclusive evidence that he was a member in good standing in said Lodge at the time of its demise, before he is entitled to a Certificate from the Grand Secretary qualifying him to make application for membership in a Regular Lodge.

43.06 A Mason, whose Lodge is dormant or defunct, is not suspended, but merely unaffiliated, and may apply for affiliation only upon a proper Certificate from the Grand Secretary, to whom a fee of one dollar and all arrears must be paid; *Provided*, that it shall be in the power of the Grand Lodge, or the Grand Master in recess, to remit such arrears in meritorious cases, upon the recommendation of the Lodge to which such Mason proposes to apply for affiliation.

43.07 Members of defunct Lodges are required to pay dues up to the time the Charter is surrendered or declared forfeited, before they can obtain Grand Lodge Certificates, except in cases where dues are remitted under Regulations. (See 9.13, 27.15)

RESTORATION OF CHARTER

Regulations

43.08 After a Particular Lodge has remained defunct for five (5) years, the re-establishment of a Particular Lodge in that jurisdiction shall be by petition for U.D. Lodge.

43.09 When a Lodge surrenders its Charter and twelve or more Master Masons petition for the restoration of said Charter, the Grand Lodge or its authority, upon being satisfied from the facts and reasons set forth that the best interests of Masonry will thereby be served, will grant the prayer of the petitioners, and the authority restoring the Charter will make provisions for officering the Lodge.

CHAPTER 44.

PENAL CODE*

GENERAL PROVISIONS

Constitutional Provisions

The Grand Lodge shall, by Regulation, prescribe the procedures for administration of Masonic Justice. Such Regulations shall provide for notice to an accused Mason, service or specific charges upon him, reasonable opportunity to respond thereto, fair and impartial hearing thereon, and right of appeal from any judgment to the Grand Lodge. (Art. X, Sec. 19)

OFFENSES AGAINST MASONIC LAW

Regulations

44.01 As piety, secrecy, obedience, temperance, truth, honesty, chastity, and charity are a few of the many virtues upon which mystic covenants and virtues are based, so their contrarities, profanity, evil speaking, insubordination, deceit, intemperance, lewdness, and derision are a few of the many vices which are subjects of fraternal discipline, and for the correction or vindication of which every Lodge involved is responsible to the whole Fraternity.

44.02 Every breach or violation of proper fraternal deportment in the Lodge, and every wrongful disobedience of a legitimate order, notice, or summons from competent Masonic authority, is contempt.

44.03 A Lodge cannot be used as a medium to collect a debt or to adjust a claim by charges and specifications.

44.04 Making and filing of false charges against a Brother knowing them to be false or making and filing false charges upon information and belief without due and careful investigation as to the truth thereof is unmasonic.

*Note-Chapter 44 was completely revised and rewritten, 1979.

44.05 The sale or serving of beer, wine, liquor or any other alcoholic or intoxicating beverage on any property owned or leased by Grand Lodge or on any property owned or leased by Particular Lodges, including, but not limited to, any Lodge Room, “Banquet Hall,” recreation room, dining room, or other structure used for Masonic purposes and located on said property is strictly prohibited, except hereinafter provided. These prohibitions shall apply to all table Lodges, but the use of wine for Ceremonial purposes by Allied and Appendant Bodies shall not be prohibited. (2013)

These prohibitions shall not apply to any commercial property owned by the Grand Lodge or a Particular Lodge which is leased to non-Masonic third parties for lawful commercial purposes; to any premises or properties used by the Grand Lodge for its Annual Sessions; to hospitality rooms used by the Grand Lodge, a Masonic District, or a Particular Lodge at a hotel or private residence; nor to picnics or other gatherings held at properties not owned or operated under Masonic authority. (2013)

 - a. A written lease agreement with appropriate hold harmless and indemnity language in favor of the Particular Lodge and Grand Lodge. The lease agreement shall further provide that in the event of any loss relating to the sale or serving of alcohol, the lessee shall give immediate notice to the Particular Lodge (which in turn shall provide such notice to the Grand Secretary), and further giving the Particular Lodge the right to make proof of such loss if not made promptly by the lessee to the lessee’s insurance carrier;

 - d. Copies of all the above required documents shall be sent to the Grand Secretary. (2014 Proc. 120-122)

44.06 Inasmuch as this Grand Lodge is not a profit-making business nor organization and does not engage in profit-making activities for itself, nor for its members, an individual member of the Craft should neither use nor employ his connection with Freemasonry toward the realization of commercial or political gain or advantage. Consistent with the foregoing, the use of Masonic membership or affiliation for political or commercial purpose, including but not limited to advertising or publicizing such membership by signs, letterheads, cards, or otherwise in connection with any political or commercial activity, or solicitation of political support or commercial advantage at any Masonic meeting, is unmasonic. Provided, however, that nothing herein shall prevent the use and publicizing of Masonic membership consistent with:

(a) Activities and programs specifically provided for elsewhere in this Digest, such as Public Education and Citizenship, Charity, or pursuant to Regulations 4.13 and 26.20.

(b) Display of Masonic emblems, symbols, patents, certificates, or the like in the interior offices of a Member's place of business or profession, consistent with pride of membership in the Fraternity and good taste; and

(c) Display of Masonic emblems and symbols on vehicles that do not display signs nor advertisements promoting or advertising a commercial or political enterprise.

(d) Displays by organizations engaged in the manufacture or sale of Masonic jewelry, emblems, or regalia. (1989)

44.07 Obtaining a Degree or Degrees of Freemasonry by fraud, untrue statements or representations or by knowingly concealing and withholding information relevant and material to eligibility for such Degrees is a proper subject for Masonic discipline.

44.08 Every violation of the moral law, written or unwritten, whether emanating from the Particular or Grand Lodges, is an offense against the established Laws, usages and customs of Masonry; and any Lodge, Grand or Particular, of competent jurisdiction, may take cognizance.

44.09 No Free and Accepted Mason is at liberty to relate, out of the Lodge, what is said or done within, for a mischievous, wrongful or vicious purpose. Such conduct would be extremely reprehensible and be punishable according as the circumstances are aggravated or mitigated (1979).

44.10 It is not unlawful for a Mason to ask a non-Mason if he would like to apply to become a Mason and offer to furnish a non-Mason information about Freemasonry including the procedures to be followed to become a Mason and offer assistance in the event the non-Mason should desire to become a member of the fraternity nor will it be unlawful for the Mason to remind the non-Mason of the offer but if no favorable response is made to the offer and reminder no further offer shall be made to the non-Mason. (1996)

Any such inquiry or offer shall be limited to a non-Mason who is believed to be of good morals, high character, upright in his community and has a favorable impression of our Fraternity. It shall be unlawful to urge, insist, attempt to persuade, argue, or use any other device or tactic to induce a non-Mason to petition for membership in the Fraternity. (1996)

The essence of the relationship between a Mason and a nonMason in this matter should be limited and restricted to an inquiry and offer of assistance and one reminder of the offer to the end that it may always be said of every Mason that he came to membership of his own free will and of his own volition. Any action on the part of a Mason in approaching a non-Mason in respect to membership that would violate this concept is unlawful and would subject the Mason to discipline. (1996)

44.11 Any member of a Lodge of this Grand Jurisdiction who uses or refers to any written or printed books, manuscripts or papers purporting to disclose or expose the secret work of Freemasonry, except the authorized written work of this Grand Jurisdiction when lawfully authorized so to do, shall be subject to discipline (1979).

PENAL JURISDICTION OF THE GRAND LODGE AND THE PARTICULAR LODGES

References

The Grand Lodge has exclusive original Penal Jurisdiction over elected Grand Lodge Officers for life, and over Masters and Wardens of the Particular Lodges and District Deputy Grand Masters and subordinate Grand Lodge Officers while in office and continuing jurisdiction after expiration of term of office as to offenses committed while in office. (Reg. 4.02-1984)

PENAL JURISDICTION OF A LODGE

Regulations

44.12 Penal jurisdiction is of two kinds:

- (a) Geographical, which is that jurisdiction over the territory surrounding the Lodge and extending in every direction one half the distance to the nearest Lodges, without regard to concurrent jurisdiction for receiving petitions for the Degrees and extending to all Masons, whether affiliated or unaffiliated, residing within its territory as above defined; and
- (b) Personal, which is that jurisdiction of the Lodge over its own members, wherever they may reside. (1979)

44.13 The primary responsibility for administration of Masonic Justice is the responsibility of a Lodge for the conduct of its own members, and whenever practicable charges of unmasonic conduct shall be filed in the Lodge of the accused membership. (1979)

44.14 When charges of unmasonic conduct are filed against a Mason in a Lodge in whose territory he resides but of which he is not a member, the secretary of the Lodge in which the charges are filed shall, in addition to furnishing copy to the Grand Master, District Deputy Grand Master and Grand Secretary, also send copy to the Lodge of the accused membership. (1979)

44.15 When charges of unmasonic conduct are filed against a Brother in a Lodge of which he is not a member but in whose jurisdiction he resides, the charges shall forthwith be transmitted to the Lodge of the Brother's membership if such Lodge is in the same Masonic District as the Lodge in which the charges were filed; and thereupon the Lodge in which the charges were

filed shall have no jurisdiction to proceed further in the matter, and the Lodge of the Brother's membership shall have jurisdiction and responsibility for all further proceedings.

The Secretary of the Lodge in which charges were filed shall immediately transmit such charges to the Secretary of the Lodge of the accused Brother's membership by registered or certified mail with return receipt requested with copies of charges to the Worshipful Master of the Brother's membership, the Grand Master, Grand Secretary, District Deputy Grand Master, the accused, and to the Brother or Brothers that filed the charges. No action of the Lodge originally receiving such charges shall be necessary for the Secretary to transmit such charges to the Lodge of the accused membership, but the Secretary shall at next Stated Communication of the Lodge report his action and make appropriate record in the minutes. (1979)

44.16 Entered Apprentice and Fellow Craft Masons are subject to Masonic discipline and shall be entitled to all the rights of a Master Mason in respect to the charges against them and the proceeding thereon except those proceedings which must be conducted in a Master Mason Lodge, but the Master Mason Lodge may be called into recess for purpose of permitting the Entered Apprentice or Fellow Craft to present argument or make other appropriate statement in respect to such charges. (1979)

44.17 If disputes arise between two (2) Brothers, and it is impossible to tell upon whom the blame rests, and it is evident that there has been a violation of Masonic Law, then both should be put upon trial. (1979)

44.18 A Lodge has the right to try a member for an offense committed before his initiation when it is of such character that if known at the time of balloting it would have prevented his acceptance. (1979)

44.19 If the Brethren of a Lodge believe that there may have been a serious breach of the moral law, by one of their members, in which another Mason was grievously offended, it is their duty to investigate his conduct, whether the offended Brother desires to make formal complaint or not, since it is not in the power of any one Mason to prevent an investigation when the reputation of the Fraternity is at stake. (1979)

44.20 A Mason, after affiliation, may prefer charges against an older member for an offense committed prior to said affiliation. (1979)

JURISDICTION OF THE GRAND LODGE**Regulations**

44.21 - It shall be the duty of every member of a Florida Lodge to report to the Worshipful Master all convictions of members of the Lodge and of unaffiliated Masons residing in the Penal Jurisdiction of the Lodge of which he has any knowledge.

It shall be the duty of the Worshipful Master of a Lodge to promptly notify in writing the Grand Master, the Grand Secretary and the District Deputy Grand Master of the District the name and address of any member of his Lodge and the name and address of any unaffiliated Mason residing in the Penal Jurisdiction of his Lodge:

- (1) who is convicted of a criminal offense involving moral turpitude under any State or Federal law, or
- (2) who is being charged with any such offense and who enters any plea other than “not guilty,” or
- (3) who, when charged with any such offense, enters into a “pre-trial intervention program” or joins in any “plea-bargaining” in which one of the stipulations is that he admits his guilt as to the charges,

together with a copy of the charges of which the Brother was convicted, or to which he entered a plea, a copy of the judgement and sentence and other relevant information or a copy of the stipulations of a pre-trial intervention program in which he admitted his guilt as to the charges and in which he may have also agreed to a specified term of probation after which time, and if all the stipulations are satisfied, the charges would be dropped. (1995)

Moral turpitude is that element of an offense that characterizes the act done as an act of depravity, baseness, vileness, wickedness, or evil and contrary to the accepted and customary rules of right and justice and violative of the duty between man and man and includes any and all violations of moral law.

Upon receipt of such notice and information as aforesaid, the Grand Master shall cause written notice to be served upon such member in accordance with Regulation 44.28 directing him to show cause in writing within thirty (30) days of service why he should not be suspended. If the member fails to respond to the Grand Master, he shall be suspended without further notice. If the member does respond within the thirty (30) days, the Grand Master shall direct the Chairman of the Penal Affairs Panel to convene a review board of three (3) Master Masons, two (2) of whom shall be members of the Penal Affairs Panel. The matter shall proceed in the same manner as provided in Regulation 44.53, except that the review board shall receive the testimony and argument in writing. The review board may, in its discretion, also hear all or part of the matter orally. The review board shall promptly submit its written findings and

recommendations together with the complete record to the Grand Master, with copies to the Chairman of the Penal Affairs Panel and to the member. The Grand Master may adopt, modify, or reject the recommendations of the review board or may direct that charges be filed. Notwithstanding the provisions of Regulation 44.56, any suspension hereunder shall continue until the member has served his sentence of imprisonment, parole, and/or probation or had his civil rights restored, whichever last occurs; and the member may not seek reinstatement until one (1) year after expiration of his suspension. The Petition for reinstatement may be filed with the Lodge and take its usual course and the ballot must be unanimous. The timely filing of an appeal of the conviction to the appropriate civil court shall stay action under this Regulation until the appellate process has been concluded.

If the Grand Master shall direct that charges be filed, he may specify who shall file the charges or he may specify the number of Master Masons required to sign the charges without regard to requirements as to the signatures to charges in any other provisions of this Penal Code. All trials ordered under this Regulation shall be by Trial Commission. (1986)

Rulings and Decisions

Applicant must file a Petition for Reinstatement and that Petition must follow the usual course and that the ballot must be unanimous. (1986 Proc. 71)

With reference to the term full civil rights, the word "full" means complete without exception. For a man that has lost his civil rights and had them restored, the restoration must include all civil rights. This restoration, therefore, must include "the right to bear arms." (2009 Proc. 120-121)

44.22 There shall be a Penal Affairs Panel composed of fifteen (15) Master Masons in good standing in their respective Florida Lodges who shall be appointed and serve terms as follows:

Each year the newly installed Grand Master shall appoint five members of the Panel to serve terms of three (3) years. In the event of vacancy the Grand Master shall make appointment for unexpired term.

For the first year after effective date hereof, the Grand Master shall, in conference with Deputy Grand Master and Senior Grand Warden, appoint five (5) members for terms of three years, five (5) members for terms of two years, and five (5) members for terms of one year.

Each year the Grand Master shall designate one member as Chairman and another member (whose term shall not coincide with term of Chairman) as Vice Chairman.

Members of the Panel should be lawyers, Judges, and men experienced in law enforcement and court procedure.

It shall be the duty of the Grand Secretary, upon receipt of each and every paper relating to penal matters, to forthwith make record thereof in a book kept for that purpose and forward copy to Chairman and Vice-Chairman of the Panel.

The Chairman, under the direction and supervision of the Grand Master shall be the administrator of the Penal system of the Grand Lodge and shall keep current docket record of each Penal Proceeding in a book provided by the Grand Lodge for that purpose, which book shall be delivered to his successor.

The Grand Master shall inform the Chairman in respect to all acts or actions taken or proposed to be taken by the Grand Master and copies of all documents issued by the Grand Master shall be delivered to the Chairman and to the Grand Secretary, the accused Brother, his counsel, and such other persons as may be appropriate.

The Grand Secretary, upon request therefor, shall make available to the Chairman of the Penal Affairs Committee, the Chairman of the Appeals Committee of the Jurisprudence Committee and to the Jurisprudence Committee any file or files, documents and papers or copies thereof relating to Penal Affairs.

The Grand Master may, by Executive Order, confer upon the Chairman of the Panel the power to exercise any or all of the powers of the Grand Master in respect to Penal Affairs. The Executive Order shall be filed with the Grand Secretary and copies furnished to Grand Lodge Officers, Particular Lodges, Past Grand Masters, and Chairman of Penal Affairs Panel.

In the event the Grand Master shall delegate any or all of his powers to the Chairman of the Panel, the Grand Master shall continue to supervise all Penal Affairs.

If the Grand Master shall delegate any or all of his powers aforesaid to the Chairman of the Panel, any person aggrieved by any act or action of the Chairman during the progress of the proceedings may appeal to the Grand Master in writing for review of such act or Order.

Such appeal shall be taken not later than fifteen (15) days after the act or action complained of and shall be in writing and set forth clearly and fully the act or action complained of and the reasons for the appeal.

Copies of the written appeal shall be delivered to the Chairman of the Penal Panel, and the Grand Secretary.

The Grand Master shall enter Order approving, reversing, amending or correcting the act or action of the Chairman and file his Order with the Grand Secretary with copy to the Chairman of the Penal Affairs Panel and to the complaining party.

This Regulation shall not be construed to permit appeal to the Grand Master of final judgment of the Lodge or Trial Commission, which appeal must be addressed to the Grand Lodge as provided in this Penal Code. (1983)

POWERS OF THE GRAND MASTER

Regulations

44.23 Notwithstanding any other provision of this Penal Code, the Grand Master may, upon receipt of copy of charges

The Grand Master shall enter an order for Expulsion from the Fraternity for any member who is "convicted," of any of the following crimes or who when charged with any of these crimes enters into a "pre-trial Intervention program" or who joins in any "plea bargaining" in which one of the stipulations is that he admit his guilt or who enters a plea of anything other than "not guilty" when charged with Murder, Attempted Murder, Sexual Battery, Child Molestation, Terrorism or the use of a Firearm during the commission of a Felony. DETERMINATION TO PROSECUTE OR DISMISS CHARGES AND PROCEEDINGS THEREON

Regulations

44.34 (a) At the first Stated Communication of the Lodge after the answer of the accused has been filed with the Secretary the charges and the answer shall be read in full to the Lodge.

(b) If the answer shall deny the charges or admit the truth thereof but set forth reason or excuse therefor the Lodge, after such discussion as the Worshipful Master shall deem appropriate, shall by majority vote by secret written ballot of members present determine to dismiss or prosecute the charges.

(c) The accused shall have right to be present at time of reading of the charges and the answer but shall retire from the Lodge immediately thereafter and shall not be permitted to be present at time of discussion or voting.

(d) If the Lodge shall vote to dismiss the charges, the Worshipful Master shall enter a written order dismissing the charges and file the same with the Secretary.

(e) If the Lodge shall vote to prosecute the charges, the Lodge shall then determine by majority vote by secret written ballot of members present whether or not to request trial by Trial Commission as provided in Regulation 44.63; and if the Lodge shall determine to request trial by Trial Commission, the Worshipful Master and Secretary shall forthwith prepare and deliver such request to the Grand Master as provided for in Regulation 44.63.

(f) If the Lodge shall determine to prosecute the charges and not to request trial by Trial Commission the Secretary shall give written notice to the accused that the Lodge has determined to prosecute the charges and not to request trial by Trial Commission and informing the accused of his right to request trial by Trial Commission within ten (10) days after receipt of the notice of the action of the Lodge, which notice shall be by personal delivery or by registered or certified mail with return receipt requested. and in his order give directions as to further proceedings as provided in Regulation 44.23.

(j) A Brother under charges shall not automatically be excluded from the Lodge except at such time as the Lodge is discussing or voting on matters relating to such charges; but the Worshipful Master may, if he deems it in the best interest of the Lodge and the peace and harmony thereof, enter order excluding the Brother from the Lodge until final judgment of the Lodge or Trial Commission; but the Brother shall not be excluded from the Lodge at time of reading the charges and answer as provided in Regulation 44.34(c) nor at time of trial as provided in Regulation 44.46.

TAKING AND REPORTING TESTIMONY

Regulations

44.35 If the Lodge has determined to:

- (a) Prosecute the charges; and
- (b) Not to request trial by Trial Commission as provided in Regulation 44.34; and
- (c) If the accused shall not request trial by Trial Commission within ten (10) days after notice that the Lodge has determined to prosecute the charges and not request trial by Trial Commission; and
- (d) If the Grand Master shall not have entered any order otherwise directing the proceedings;

the Worshipful Master shall appoint a Trial Committee of three (3) members of the Lodge, designating one of them as Chairman to take the testimony in writing.

If possible, the Chairman of the Trial Committee shall confer with the accused or his counsel or representative and enter into agreement relating to all further proceedings as provided in Regulation 44.40; but otherwise the Chairman shall give at least ten (10) days notice to the accuser and the accused and his counsel or representative of date, time and

place of taking testimony. The Chairman shall preside at all meetings of the Committee and at taking of testimony and may adjourn such meetings or taking of testimony to reconvene at such times and places as may suit the convenience of the parties and may tend to promote the cause of truth and justice. When all the evidence has been taken on behalf of the accused and against him, the Committee shall cause the same to be sealed up, addressed to the Master of the Lodge, and deposited with the Secretary.

44.36 In the trial of a member all the testimony must be submitted in writing and signed by the witness or witnesses, respectively, except such matters as, in their nature, are improper to be written.

44.37 In the taking of testimony, no oath shall be administered. Masons testify upon their honor as such; others affirm upon their honor as gentlemen, etc., as prudence and propriety suggest.

44.38 Testimony in a Masonic trial can be taken by deposition, the witness being at a distance, provided notice is given to the accused of the time and place and the name of the witness, or witnesses, and an opportunity is given the accused to cross-examine the witnesses.

44.39 The accused and the Lodge may be represented at the taking of testimony before a Trial Committee by Brothers as counsel.

AGREEMENTS AND STIPULATIONS

Regulations

44.40 The accused and the Chairman of the Trial Committee may enter into agreements and stipulations relating to time, place and manner of taking testimony, setting time for other and further proceedings and relating generally to all other matters relevant to disposition of the proceedings; provided, that no agreement shall be made as to date of trial without approval by the Worshipful Master. Such agreements should be made whenever practicable to expedite the proceedings, avoid misunderstandings, avoid unnecessary delays and in all other ways bring the proceedings to speedy conclusion.

EVIDENCE ADMISSIBLE**Regulations**

44.41 All relevant testimony should be taken and considered on every matter of Masonic investigation.

44.42 Rumor and hearsay testimony is not evidence in a Masonic trial, but all information obtained in a regular Masonic manner is admissible.

TRIAL**Regulations**

44.43 After the Trial Committee has filed the testimony as provided in Regulation 44.35, the Worshipful Master shall appoint a Stated Communication for the trial and announce the same in open Lodge; and if the accused not be present at time of such announcement, the Secretary shall note his absence in the minutes and shall give him notice thereof in the same manner prescribed in Regulation 44.28 for service of charges upon the accused.

44.44 The lodge, of right, is the judge of the weight and credibility of testimony.

44.45 The filing of charges against a suspended Brother shall operate to restore to him the right to be present in the Lodge during the proceedings relating to the charges against him as provided in Regulation 44.46.

44.46 The Lodge is the jury. After the testimony has been read to the Lodge, argument for the Lodge and the accused shall be permitted; but when arguments have been heard, the accused and accuser, together with their counsel, shall retire, and the Lodge, as jury shall then discuss and deliberate upon the law and facts to a reasonable extent. The first question to be voted upon by the members present shall be: "Is the accused guilty or not guilty of the offense charged?" If the accused or his counsel, or any member of the Lodge, prior to the ballot, request it, a vote upon each charge shall be taken separately.

44.47 All charges for unmasonic conduct shall be tried upon their merits; and no quibbles, technicalities or special pleadings shall be allowed to prejudice, retard or defeat the ends of Fraternal Justice. In Masonic Trials, the main points of law shall be: First, a charge plainly stated; second, a reasonable notice to the accused; and third, a speedy and impartial trial.

44.48 After the testimony is read to the Lodge, such discussion should be allowed and encouraged as will enable the Brethren fully to understand its import so that they may render an intelligent verdict when the vote is taken.

44.49 When the testimony is under discussion during the course of a Masonic trial, and a Brother present has been involved in the matters under investigation, though not under charges, he should be requested by the Worshipful Master to withdraw until the vote is taken if his presence tends to check a full discussion of the case.

44.50 Every member of the Lodge who is present must vote on all questions arising in trials unless excused by the Lodge for good cause stated.

44.51 The vote on all questions arising during the trial shall be by written secret ballot, and a majority vote controls.

44.52 A Lodge is not, in general, required to postpone a trial when the accused is also charged with violation of state or municipal law, until the courts have acted; but if the Lodge trial would tend to defeat the ends of legal justice, by aiding an escape or by creating bias or prejudice in the minds of his peers for or against him, the Masonic proceedings should await action of the courts.

FORM OF CHARGES FOR CIVIL CONVICTION AND PROCEEDINGS THEREON

Regulations

44.53 If the Grand Master shall order charges to be filed under Regulation 44.21, the charges shall be substantially in

the form prescribed by Regulation 44.25; but it shall be only necessary in describing the offense to set forth the fact of the plea, adjudication or conviction giving nature of the offense committed, the date of plea, adjudication or conviction and the name and location of the court, and attach to the charges copies of the indictment or information, and the record of the plea, adjudication or judgment of the court.

The accused shall admit or deny the charge or charges; and if the accused shall allege that he was not guilty of the charges made in court against him, he shall set forth fully the facts upon which he expects to rely to establish his statement that he is not guilty of the civil charge and the names of two (2) or more witnesses upon whose testimony he will rely to establish such facts.

At the trial it shall only be necessary to put in evidence a copy of the court records relating to the plea, adjudication or conviction; and thereafter the burden shall be upon the accused to establish such facts as will demonstrate that notwithstanding the action of the civil court he is not guilty of the charges, which facts shall be established by uncontradicted testimony of not less than two (2) witnesses.

All other proceedings shall be as prescribed in this Penal Code.

The accused shall have right of appeal from action of the Lodge in same manner and form as provided for other appeals from judgments of the Lodge or Trial Commission.

Rulings and Decisions

Dispensation to hold trial at Called Communication is fatal legal error and trial proceedings are void and new trial will be granted or ordered. (1956 Proc. 206)

SENTENCE AND PENALTY

Constitutional Provisions

Expulsion and suspensions from the "higher degrees" of Masonry do not necessarily work as such in Symbolic Masonry, but may be good cause for investigation by a Lodge. (Const., Art. X, Sec. 30)

Regulations

44.54 The vindication or sanction of fraternal justice, for the correction of errors and the protection of the just against contamination of evil, is a necessary ingredient in the scientific organization of the Fraternity of Freemasons, for which purposes three (3) general penalties, viz: reprimand, suspension, and expulsion, have been established, and which, respectively, apply to every grade and species of offense that can be committed against the Laws of Masonry.

44.55 In all cases of conviction for Masonic offenses the vote of a majority of the members present is necessary to assess the penalty. Every member of the Lodge who is present must vote on all questions of penalty unless excused by the Lodge for good cause stated.

44.56 It is impossible to prescribe any definite role for the application of these penalties to the various offenses for which a Mason may be convicted; much, therefore, must be left to the exercise of sound discretion, guided by the third and fourth cardinal virtues (Prudence and Justice) in each particular case; but the following general outlines should be observed:

Reprimand

Reprimand is the mildest of the three (3) general penalties and may be properly applied in case of contempt, improper deportment, and all offenses of minor magnitude. It should be administered by the presiding Officer, or a Brother appointed by him for that purpose. It should be more or less severe in import according to the circumstances of the case.

Suspension

Suspension is the intermediate penalty between reprimand and expulsion. It takes away or suspends as its name imports, all the fraternal rights, privileges and benefits of its subject during its continuance, but may leave behind the veil of charity a hope of reformation and consequent restoration. Its duration is for a definite or indefinite period, as may be determined.

A DEFINITE SUSPENSION EXPIRES BY ITS OWN LIMITATION, EXCEPT AS PROVIDED IN REGULATION 44.21, AFTER WHICH ALL FORMER RIGHTS AND PRIVILEGES ARE RESUMED WITHOUT SPECIFIC ACTION.

An indefinite suspension continues in force until removed by the power inflicting it or until set at naught by the appellate tribunal.

Suspension may properly be applied for non-payment of dues, (Article X, Section 20). It may properly be inflicted for a provoking repetition of an offense for which reprimand is inadequate and expulsion unjustly severe. Vicious practices, such as habitual intemperance, profanity, Sabbath-breaking, gambling, with the exception of fundraiser drawings and raffles, fraud, evil speaking, and the various species of mischief-making are proper subjects for the penalty of suspension. (2013)

Expulsion

Expulsion is the severest penalty for the punishment of offenses known to the plan of Freemasonry and it drives its subject from the circle of the Mystic Brotherhood. It is, therefore, properly applied only to the gravest offenses known to Masonic Law. It may properly be inflicted upon a provoking repetition of an offense for which a Brother has been suspended, or for the violation of the Mystic Covenant of Secrecy, or for the violation of any injunction of the moral law which exhibits an intolerable degree of moral depravity.

44.57 When it has been determined that a Brother has been convicted of, enters a plea of guilty to, or enters a plea admitting the commission of a criminal offense involving moral turpitude, the penalty to be imposed shall not be less than suspension for the period of the sentence of imprisonment or the period of probation imposed by the civil court, whichever is the longer period.

44.58 In proceeding with vote to determine the penalty to be imposed, all votes shall be by secret written ballot.

The first vote shall be upon which of three (3) penalties shall be imposed-reprimand, suspension or expulsion.

If none of the three (3) penalties shall receive a majority, the penalty receiving the smallest number of votes shall be dropped.

If there is a tie vote between the two (2) lowest number of votes, then voting shall continue on the three (3) penalties until the tie vote is broken.

After the tie vote, if any, is broken and no penalty receives a majority vote, the next vote shall be upon the two (2) penalties receiving the largest number of votes.

If the majority vote is for the penalty of reprimand or expulsion that shall be the penalty but if the majority vote be for suspension the next vote shall be to determine if the suspension be for an "definite" or "indefinite" period of time.

If the majority vote is for indefinite suspension, that shall be the penalty; but if the majority vote shall be for a definite period of time, vote shall be taken with ballots marked as to time of suspension, and voting shall continue until a definite time of suspension is determined, and that shall be the penalty.

If it shall appear after several votes that no majority vote for any specific period of suspension will be cast, the Worshipful Master, in his discretion, but with due regard for the trend of the voting, may limit the ballots to specific periods of time and specify what periods of time may be voted for. For example, if a majority of the votes are for a period of less than one (1) year the Master may order that no ballot be cast or counted for a period of more than one (1) year or if the majority of the votes are for a period of more than one (1) year the Master may order that no ballot be cast or counted for a period of less than one (1) year.

The Master may, with due regard for the trend of the voting, continue to limit the range of the voting until a definite period of suspension shall receive majority vote and that period of suspension shall be the penalty.

44.59 A Brother who absents himself from the Lodge for the Purpose of avoiding reprimand to which he was regularly sentenced should be summonsed under the Seal of the Lodge by direction of the Master to attend at a given Communication, and the Summons should state the purpose for which his attendance is required; and if he fails to answer to the summons he is subject to discipline.

44.60 Suspension or expulsion from other Masonic bodies does not affect a Mason's standing in his particular Lodge, but may properly be the subject of investigation. (Const., Article X, Section 30).

44.61 Being under the penalty of suspension is no bar to trial and expulsion for other unmasonic conduct.

If a penalty for suspension is imposed the suspended Brother shall, upon written request of the Secretary, deliver to the Secretary his current dues card which shall be returned to the suspended Brother upon termination of period of suspension or upon his reinstatement. Failure of the Brother to deliver his dues card upon request shall subject him to further discipline. If the penalty is expulsion the Secretary shall request return of current dues card; and if the same is not delivered to the Secretary upon such request the Secretary shall publish the fact of such expulsion in the Lodge Bulletin and send copies to all Lodges in the Masonic District, or if there is no Lodge Bulletin the Secretary shall give written notice to such expulsion to all Lodges in the District.

DUTIES OF SECRETARY TO RECORD ALL PROCEEDINGS

Regulations

44.62 The Secretary shall make full and complete records in the minutes of all proceedings of the Lodge in respect to filing of charges, service upon the accused, answer of the accused, request for Trial Commission if any, vote of the Lodge on determination to prosecute or dismiss the charges, orders of the Worshipful Master, appointment of Trial Committee, report of Trial Committee and the proceedings and votes of the Lodge thereon and the judgment of the Lodge as to guilt

or acquittal and penalty imposed, if any, and shall send copies of the final judgment of the Lodge to the accused, the District Deputy Grand Master, the Grand Secretary and to the Grand Master, making note of such service in the minutes of the Lodge. (1979)

(c) The Grand Master shall enter his order granting or denying the request of the accused or the Lodge and in such order give such direction as he shall deem appropriate as to other or further proceedings.

(d) If the Grand Master grants the request for trial by Trial Commission he shall, in his order granting the request, appoint five (5) Florida Master Masons as a Trial Commission to conduct further proceedings, designating one of them as Chairman and giving address and telephone number of all of the members of the Commission and including in his order directions in respect to further proceedings as he shall deem appropriate. One (1) copy of the order shall be delivered to the Lodge, a copy to the Grand Secretary, a copy to the District Deputy Grand Master, a copy to the accused and a copy to the accuser or one of the accusers and to the members of the Trial Commission.

Upon entry and filing of such order the Secretary of the Lodge shall deliver all papers relating to the matter to the Chairman of the Trial Commission, who shall enter such orders as to further proceedings as he shall deem appropriate, including but not limited to time of meeting of the Trial Commission, taking testimony and deposition, if any, and trial.

The Chairman of the Trial Commission shall have the same powers in respect to entering into agreement and stipulation as provided in Regulation 44.40.

(e) If the Grand Master shall deny the request for trial by Trial Commission he shall enter order denying the request and shall include in the order such special directions as to further proceedings as he shall deem appropriate, or if there be no such special directions he shall order the Lodge to proceed with trial as if no request for trial by Trial Commission had been made.

ACTION OF GRAND LODGE ON APPEALS

Regulations

44.67 (a) In all cases of appeal by the accused to the Grand Lodge for the action of a Lodge or Special Trial Commission, the Jurisprudence Committee shall review such actions and make recommendations to the Grand Lodge for final action. The Grand Lodge may affirm the action of the Lodge or Trial Commission, adjust the penalty, which shall end the proceedings, or may reverse the action of the Lodge or Trial Commission and acquit the accused. If the penalty imposed upon the accused was indefinite suspension or expulsion, such reversal and acquittal shall not restore the accused to membership in his Lodge; but he shall, upon reversal and acquittal, have the status of an unaffiliated Mason, and the Grand Secretary shall, on order of the Grand Master or by direction of the Grand Lodge, issue to him a certificate to that effect, which shall constitute a proper basis for application for affiliation with any Lodge. (2010)

(b) On such appeal by the accused the Grand lodge may reverse the action of the Lodge or Trial Commission and order a new trial. Such order for new trial shall give full and specific directions in regard to conduct of such new trial, including directions as to whether the trial shall be by the Lodge or by the original or new Trial Commission, and shall also specify the errors to be corrected, the proceedings for correction

thereof and the procedure to be followed after such corrections are made.

(c) The order of reversal for new trial by the Grand Lodge shall have the effect of restoring the accused to the same status he occupied prior to his conviction, without regard to the penalty imposed, it being hereby expressly declared that reversal for a new trial is not such reversal as contemplated in Article V, Section 3, of the Constitution of this Grand Lodge as will deprive the accused of membership in his Lodge.

(d) After the order of reversal, the matter shall proceed in accordance with such order with full right of appeal to the accused from the action of the Lodge or Trial Commission.

44.68. On an appeal by the Lodge, the Grand Lodge may affirm the action of the Trial Commission and this shall end the proceedings, or the Grand Lodge may reverse the action of the Trial Commission and order a new trial in the same manner as provided in Regulation 44.67. Such new trial shall be by the original or a new Trial Commission as directed by the Grand Lodge or by the Grand Master.

44.69 If there shall be an appeal by the accused on retrial by the Lodge or by Trial Commission or appeal by the Lodge on retrial by Trial Commission the Grand Lodge shall enter such judgment as it deems appropriate, and if such judgment be that the accused is guilty of the charges against him the Grand Lodge shall fix the penalty.

44.70 If the Grand Lodge reverses a judgment of a Lodge and orders a new trial, failure or refusal of such Lodge to Conduct such trial within a reasonable time thereafter, or to request the appointment of a Trial Commission shall subject such Lodge and the officers thereof to Masonic discipline.

44.71 When a case has been decided on appeal by the Grand Lodge, the Grand Secretary shall certify the result to the parties in interest, as early as practicable.

Rulings and Decisions

When Grand Lodge assumes jurisdiction over a penal case then any appeal to reopen the case must come before Grand Lodge. (1951 Proc. 26)

REINSTATEMENT**Constitutional Provisions**

In cases of an appeal from a suspension or expulsion, if the Grand Lodge acquit the accused, or reverse the decision of the Lodge below, or when the Grand Lodge confirms the decisions of the Particular Lodge and subsequently restores the party to the rights and benefits of Masonry, the action of the Grand Lodge does not in either case restore the party to membership in the Lodge from which he is suspended or expelled without the unanimous consent of the Lodge, as in cases of a ballot for membership. In all cases of definite suspension, the member returns to his membership upon the expiration of the term of suspension. (Art. V, Sec. 3)

Regulations

44.72 A petition for reinstatement from an indefinite suspension may be filed with the Secretary and voted upon at a Stated Communication after being presented at a previous Stated Communication, but the membership must have due notice. Provided, if such petition is rejected, the Petitioner may not petition the Lodge for reinstatement until after one (1) year from the date of such rejection.

44.73 A member of a Lodge suspended for a definite time becomes a member in good standing again at the expiration of that time without action of the Lodge.

44.74 When, after inflicting the penalty of suspension or expulsion for unmasonic conduct, the Lodge becomes dormant or defunct, the penalty can be removed only by the Grand Lodge, or Grand Master, upon the recommendation of some Regular Lodge.

44.75 Grand Lodge has inherent power to reinstate an expelled or suspended member upon petition of such member without necessity of action by a Particular Lodge and may exercise such power after review of all circumstances relating thereto and report of appropriate committee thereon and may entertain and grant petition of a Particular Lodge for reinstatement of a member or former member of the Lodge expelled

by the Grand Lodge after investigation and report of appropriate committee thereon.

44.76 When the Grand Lodge, either in the exercise of its original jurisdiction or on appeal, imposes or affirms a penalty of indefinite suspension or of expulsion, no action in respect to reinstatement shall be taken by a Particular Lodge without express written permission or consent of the Grand Lodge or its authority.

Grand Lodge Trials

44.77 Grand Lodge has exclusive original Penal Jurisdiction over elected Grand Lodge Officers for life, and over Masters and Wardens of the Particular Lodges and District Deputy Grand Masters and subordinate Grand Lodge Officers while in office and continuing jurisdiction after expiration of term of office as to offenses committed while in office. The Particular Lodges have Penal Jurisdiction over all other Masons as set forth in Regulation 44.12. (1986)

Trial of above named officers, except the Grand Master who shall not be subject to trial while in office but shall be subject to trial after expiration of his term in office shall be by following procedures:

- (1) Charges may be filed by not less than seven (7) Master Masons in good standing in Florida Lodges, which charges shall be substantially in form prescribed in Regulation 44.25 and shall be filed with the Grand Master.
- (2) The Grand Master shall review the charges, and if they be in proper form and state an offense against Masonic Law he shall cause them to be served in the manner prescribed in Regulation 44.28.
- (3) The Grand Master shall forthwith enter order appointing a Trial Commission of five (5) Master Masons, two (2) of whom shall be past elected Grand Lodge Officers, one (1) of whom shall be designated as Chairman, which order shall be served upon the accused at the same time as service of charges.
- (4) Thereafter the Chairman shall enter such orders respecting filing of answer, taking of testimony and

other similar matters as shall be appropriate, a copy of which orders shall be delivered to the accused and the Grand Master, and which orders shall direct all proceedings in substantial compliance with provisions of this chapter relating to trials by Trial Commission.

- (5) The Trial Commission shall enter such judgment as it deems appropriate, deliver copy thereof to the accused and deliver all records, papers and documents to the Grand Master together with statement of expenses incident to the trial.
- (6) The Grand Master shall review the record of the trial and shall enter such orders as he shall deem appropriate, including but not limited to affirming the judgment, suspending operation of the judgment or directing other and further, proceedings, all of which proceedings and orders shall be reviewed by the Jurisprudence Committee and report and recommendations made thereon to the Grand Lodge for final action.

RULE OF CONSTRUCTION

44.78 All provisions of this code shall be construed, to be directory only and not mandatory, and time shall not be considered of essence as to those provisions relating to time for performance of any act or actions but shall be construed to require or permit such performance within reasonable time except when failure to take such actions shall be shown to be prejudicial to the accused or the Lodge and substantial compliance with provisions hereof shall be deemed sufficient compliance; provided that requirements as to form and specificity of charges, service of charges upon the accused, time for filing answer or objections by the accused, notice of hearings and taking of testimony, trial, and time for and manner of request for trial by Trial Commission and for appeal shall be strictly construed.

Such sponsoring Lodges shall be a majority of the Lodges in the affected territory and the aforesaid petition shall be signed by the Worshipful Masters of the sponsoring Lodges under the Seal of the said Lodges attested by the Secretaries.
